

Your Insurance. *Anywhere.*

Download the free Clarke & Company Benefits app and gain 24/7 access to all of insurance needs. You can save all of your insurance cards in one place, look up doctors, and even find out what your plans are. Let Clarke & Company Benefits customize the app to your company and bring your employees all of their benefits on the go, anywhere, anytime!

Available on the
App Store

All about *our app.*

Our app is your mobile passport to your benefits. Store insurance cards, find providers, keep up with reminders, and link with other fitness apps all in one place. All of this and more in the Clarke & Company app for iPhone and Android.

- Store and share insurance cards for all of your coverages and family members
- Find a network provider
- Store notes for your physicians and all medical appointments
- Forms library for claims, mail order Rx, beneficiary changes and much more

- Password storage
- Medication schedules
- We can customize to clients so employees have access to all of their benefit information and display company logo on sign in
- Online enrollment- employees can enroll in their benefits right from their phone
