Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-868-2500, Ext. 41000 to request a copy. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or www.cciio.cms.gov or call 1-800-868-2500, Ext. 41000 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	$2,000 single / $6,000 family for in-network providers. $4,000 single / $12,000 family for out-of-network providers. Does not apply to preventive care, drugs or in-network doctor office visits. Copays do not apply to the deductible. The in-network and out-of-network amounts do not apply to each other.	Generally, you must pay all the costs from providers up to the deductible amount before this plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Preventive care services and office visits are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply.
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services.
What is the maximum out-of-pocket limit for this plan?	Yes; $5,000 single / $10,000 family for in-network providers. $10,000 single / $20,000 family for out-of-network providers. The in-network and out-of-network amounts do not apply to each other.	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the maximum out-of-pocket limit?	Premiums; charges in excess of the allowed amount; amounts exceeding any maximum payments for benefits; or any expense not allowed according to any provisions of this coverage.	Even though you pay these expenses, they don't count toward the maximum out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. For a list of in-network providers, see https://www.SouthCarolinaBlues.com/links/tools/findadoctorsc or call 1-800-810-2583.	This plan uses a provider network. You will pay less if you use a provider in plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing).
Do I need a referral to see a specialist?	No. You do not need a referral to see a specialist.	You can see the **specialist** you choose without a referral.

⚠ All **copayments** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a deductible applies.
