#### Long Term Disability General Limitations and Exclusions

We limit the duration of payments for long term disabilities caused by mental or emotional conditions, or alcohol or drug abuse. We do not pay benefits for charges relating to a covered person: taking part in any war or act of war (including

service in the armed forces); committing a felony or taking part in any riot or other civil disorder; or intentionally injuring themselves or attempting suicide while sane or insane, and for the voluntary inhalation or ingestion of poison, gas, solvent, chemical, or other substance not intended for internal consumption.

We do not pay benefits due solely to the risk of relapse, during any period in which a covered person is confined to a correctional facility, an employee is not under the care of a doctor, an employee who is receiving treatment outside of the US or Canada, and the employee's loss of earnings is not solely due to disability. This policy provides disability income insurance only. It does not provide "basic hospital", "basic medical", or "medical" insurance as defined by the New York State Insurance Department. If the plan is new (not transferred):

**Non-NY states:** If the plan is new (not transferred): During the exclusion period, this disability plan does not pay charges relating to a pre-existing condition. A pre-existing condition includes any condition for which an employee, in a specified period of time prior to coverage in this plan, consults with a physician, receives treatment, or takes prescribed drugs. If this plan is transferred from another insurance carrier, the time an insured is covered under that plan will count toward satisfying Guardian's pre-existing condition limitation period.
