Georgia residents please be advised of the following:

IMPORTANT NOTICE

The laws of the state of Georgia prohibit insurers from unfairly discriminating against any person based upon his or her status as a victim of family violence.

Utah residents please be advised of the following:

NOTICE TO POLICYHOLDERS

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

PEOPLE ENTITLED TO COVERAGE

- You must be a Utah resident.
- You must have insurance coverage under an individual or group policy.

POLICIES COVERED

- ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's Guaranty Association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefit plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of the ULHIGA, including health plans, fraternal benefit societies, state pooling plans and mutual assessment companies.

LIMITS ON AMOUNT OF COVERAGE

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or \$500,000 — whichever is lower. Other caps also apply:

- \$100,000 in net cash surrender values.
- \$500,000 in life insurance death benefits (including cash surrender values).
- \$500,000 in health insurance benefits.
- \$200,000 in annuity benefits — if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.
- \$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply).
- Interest rates on some policies may be adjusted downward.

DISCLAIMER

PLEASE READ CAREFULLY:

· **COVERAGE FROM ULHIGA MAY BE UNAVAILABLE UNDER THIS POLICY OR, IF AVAILABLE, IT MAY BE SUBJECT TO SUBSTANTIAL LIMITATIONS OR EXCLUSIONS. THE DESCRIPTION OF COVERAGES CONTAINED IN THIS DOCUMENT IS AN OVERVIEW. IT IS NOT A COMPLETE DESCRIPTION. YOU CANNOT RELY ON THIS DOCUMENT AS A DESCRIPTION OF COVERAGE. DENTAL EXPENSE BENEFITS

A. DEFINITIONS

"Covered Dental Expense" means:

1. For In-Network Benefits

The charges based on the Preferred Dentist Program Table of Maximum Allowed Charges for the types of dental services shown in section C. These services must be:

- a. performed or prescribed by a Dentist who is a Participating Provider; and
- b. necessary (see NOTICES) as determined by Metropolitan in terms of generally accepted dental standards.

No more than the Maximum Allowed Charge for the types of dental services shown in section C will be covered by the Dental Expense Benefits. The Maximum Allowed Charge is the lower of:

- a. the amount charged by the Participating Provider for the service or supply; and
- b. the maximum amount that the Participating Provider agreed with us to charge for that service or supply. This maximum amount is specified or based on the amounts specified in the Preferred Dentist Program Table of Maximum Allowed Charges.

2. For Out-of-Network Benefits

The charges for the types of dental services shown in section C. These services must be:

- a. performed or prescribed by a Dentist who is not a Participating Provider; and
- b. necessary (see NOTICES) as determined by Metropolitan in terms of generally accepted dental standards.

No more than the Reasonable and Customary Charge for the types of dental services shown in section C will be covered by the Dental Expense Benefits. The Reasonable and Customary Charge is the lowest of:

- a. the usual charge by the Dentist or other provider of the services or supplies for the same or similar services or supplies; or
- b. the usual charge of most other Dentists or other providers in the same geographic area for the same or similar services or supplies; or
- c. the actual charge for the services or supplies.

There may be more than one way to treat a dental problem. If, in our view, an adequate method or material which costs less could have been used, the Dental Expense Benefits will be based on the method or material which costs less. The rest of the cost will not be a Covered Dental Expense. See section E for examples that show how this works.

"Deductible Amount" means the amount shown in the SCHEDULE OF BENEFITS. The Deductible Amount is an annual amount.

The In-Network Deductibles during any one Dental Expense Period will not apply to In-Network Benefits for Covered Dental Expenses for your Family after In-Network Covered Dental Expenses have been incurred for Covered Persons in your Family and those Covered Dental Expenses equal the In-Network Family Deductible Amount.

The Out-of-Network Deductibles during any one Dental Expense Period will not apply to Out-of-Network Covered Dental Expenses for your Family after Covered Dental Expenses have been incurred for Covered Persons in your Family and the sum of In-Network Covered Dental Expenses and Out-of-Network Covered Dental Expenses equal the Out-of-Network Family Deductible Amount.

"Dental Expense Period" means a period which starts on any January 1 and ends on the next December 31.

"Dentist" means a person licensed by law to practice dentistry. A type of dental service which is performed or prescribed by a Doctor will be considered for Dental Expense Benefits as if it were performed or prescribed by a Dentist.

"Covered Percentage" means the percentage or percentages shown in the SCHEDULE OF BENEFITS.

"In-Network Benefits" means the Dental Expense Benefits provided under This Plan for covered dental services that are provided by a Dentist who is a Participating Provider.

"Out-of-Network Benefits" means the Dental Expense Benefits provided under This Plan for covered dental services that are not provided by a Dentist who is a Participating Provider.

"Preferred Dentist Program Table of Maximum Allowed Charges" means our fee agreement with a Participating Provider in which such Participating Provider has agreed to accept a schedule of maximum fees as payment in full for services rendered.

"Preferred Dentist Program" means our program to offer a Covered Person the opportunity to receive dental care from Dentists who are designated by us as Participating Providers. When dental care is given by Participating Providers, the Covered Person will generally incur less out-of-pocket cost for the services rendered.

"Participating Provider" means a Dentist who has been selected by us for inclusion in the Preferred Dentist Program. These Participating Providers agree to accept our Preferred Dentist Program Table of Maximum Allowed Charges as payment in full for services rendered.

"Non-Participating Provider" means a Dentist who is not a Participating Provider.

"Preferred Dentist Program Directory" means the list which consists of selected Dentists who:

1. are located in the Covered Person's area; and
2. have been selected by us to be Participating Providers and part of the Preferred Dentist Program. These Participating Providers agree to accept our Preferred Dentist Program Table of Maximum Allowed Charges as payment in full for services rendered.

The list will be periodically updated.

B. COVERAGE

1. When Benefits May Be Payable

We will pay Dental Expense Benefits if you incur Covered Dental Expenses:

- a. for a Covered Person during a Dental Expense Period; and
- b. while you are covered for the Dental Expense Benefits for that Covered Person; and
- c. the Covered Dental Expenses are more than the Deductible Amount.

An expense is "incurred" on the date the type of dental service for which the charge is made is completed.

2. How Benefits Are Determined

Benefits will be equal to the Covered Percentage of those Covered Dental Expenses which are more than the Deductible Amount. However:

- a. The sum of all benefits for all Covered Dental Expenses incurred for a Covered Person during any one Dental Expense Period will not be more than the Maximum Benefit For One Dental Expense Period shown in the SCHEDULE OF BENEFITS; and
- b. The sum of all benefits for all Covered Dental Expenses incurred for a Covered Person for orthodontic treatment during all Dental Expense Periods will not be more than the applicable Aggregate Maximum Benefit For All Dental Expense Periods as shown in the SCHEDULE OF BENEFITS.

In order to determine what are the amounts of Covered Dental Expenses, we may ask for X-rays and other diagnostic and evaluative materials. If they are not given to us, we will determine Covered Dental Expenses on the basis of the information which is available to us. This may reduce the amount of benefits which otherwise would have been payable.

3. How the Preferred Dentist Program Works

Free Choice Of A Dentist:

A Covered Person is always free to choose the services of a Dentist who is either:

- a. a Participating Provider; or
- b. a Provider.

Benefits under This Plan will be determined and paid in either case, except that the Covered Person will generally incur less out-of-pocket cost if a Participating Provider is chosen.

E. EXAMPLES OF ALTERNATE BENEFITS

Dental Expense Benefits will be based on the materials and method of treatment which cost the least and which, in our view, meet generally accepted dental standards.

1. Amalgam and Composite Fillings

When an amalgam filling and a composite filling are both professionally acceptable methods for filling a molar, we will base our benefit determination upon the amalgam filling which is the less costly service.

2. Inlays, Onlays, Crowns and Gold Foil

If a tooth can be repaired to our satisfaction according to generally accepted dental standards by a less costly method than an inlay, onlay, crown or gold foil, Dental Expense Benefits will be based on the adequate method of repair which costs the least.

3. Crowns, Pontics, and Abutments

Veneer materials may be used for front teeth or bicuspid. However, Dental Expense Benefits will be based on the adequate veneer materials which cost the least.

4. Bridgework and Dentures

Dental Expense Benefits will be based on the adequate method of treating the dental arch which costs the least. In some cases removable dentures may serve as well as fixed bridgework. If dentures are replaced by fixed bridgework, the Dental Expense Benefits will be based on the cost of a replacement denture unless adequate results can only be achieved with fixed bridgework.

These are not the only examples of alternate benefits. To find out how much your Dental Expense Benefits will be, see section F.

F. PRE-DETERMINATION OF BENEFITS

If a dental bill is expected to be \$300 or more, before the Dentist starts the treatment, a Covered Person can find out what Dental Expense Benefits will be paid under This Plan. To do this, the Covered Person should send a claim form to us in which the Dentist tells us:

1. the work to be done; and
2. what the cost will be.

We will then tell the Covered Person what Dental Expense Benefits This Plan will pay. If the Covered Person does not use this method to find out what Dental Expense Benefits This Plan will pay, our decision will be final and binding with regard to what are Covered Dental Expenses and what Dental Expense Benefits This Plan will pay.

This method should not be used for:

1. emergency treatment; or
2. routine oral exams; or
3. X-rays, scaling and polishing, and fluoride treatments; or
4. dental services which cost less than \$300.

G. IMPACT OF GOVERNMENT PLANS ON DENTAL EXPENSE BENEFITS

To the extent that services or supplies, or benefits for them, are available to a Covered Person under a Government Plan, as defined below, they will not be considered for Dental Expense Benefits under This Plan. This provision will apply whether or not the Covered Person is enrolled for all Government Plans for which that Covered Person is eligible.

This provision will not apply to a Government Plan if that Government Plan requires that Dental Expense Benefits under This Plan be paid first.

A "Government Plan" is any plan, program or coverage, other than Medicare:

1. which is established under the laws or the regulations of any government; or
2. in which any government participates other than as an employer.

H. DENTAL EXPENSE COVERAGE AFTER BENEFITS END

No benefits will be payable for Covered Dental Expenses incurred by a Covered Person after the Dental Expense Benefits for that person end. This will apply even if we have pre-determined benefits for dental services. However, benefits for Covered Dental Expenses incurred for a Covered Person for the following services will be paid after Dental Expense Benefits end:

1. For a prosthetic device if:
 - a. the Dentist prepared the abutment teeth and made impressions while Dental Expense Benefits for the Covered Person were in effect; and
 - b. the device is installed within 90 days after the date the Dental Expense Benefits end; or
2. For a crown if:
 - a. the Dentist prepared the tooth for the crown while the Dental Expense Benefits for the Covered Person were in effect; and
 - b. the crown is installed within 90 days after the date the Dental Expense Benefits end; or
3. For root canal therapy if:
 - a. the Dentist opened the tooth while the Dental Expense Benefits for the Covered Person were in effect; and
 - b. the treatment is finished within 90 days after the date the Dental Expense Benefits end.

I. PAYMENT OF BENEFITS

Dental Expense Benefits will be paid to:

1. the Dentist, if you have assigned benefits directly to the Dentist; or
2. you, in all other cases.

We will pay benefits when we receive satisfactory written proof of your claim. Proof must be given to us not later than 90 days after the end of the Dental Expense Period in which the Covered Dental Expenses were incurred. If proof is not given on time, the delay will not cause a claim to be denied or reduced as long as proof is given as soon as possible.

The notice must be given 30 days before this plan ends. The notice will be sent to the last known address of the person who has continued coverage under this plan. If this plan ends, continued insurance under this plan will end. A person who has continued insurance under this plan may then elect similar coverage under the Employer's new group plan, if any, for the balance of the period that the person would have remained covered under This Plan. Continued insurance will end for that person if the person does not, within 30 days of receiving notice that this plan has ended, enroll in the new plan and pay premiums to the new plan. The Employer will provide benefit and premium information, enrollment forms and instructions for enrolling in the new plan. COORDINATION OF BENEFITS

A. Definitions

"Plan" means a plan which provides benefits or services for, or by reason of, dental care and which is:

1. a group insurance plan but not including a group blanket plan; or
2. a group practice plan; or
3. a group service plan; or
4. a group prepayment plan; or
5. any other plan which covers people as a group; or
6. a governmental program or coverage required or provided by any law, except Medicaid, but including any motor vehicle No Fault coverage which is required by law.

Each policy, contract or other arrangement for benefits or services will be treated as a separate Plan. Each part of such a Plan which reserves the right to take the benefits or services of other Plans into account to determine its benefits will be treated separately from those parts which do not.

"This Plan" means only those parts of This Plan which provide benefits or services for dental care. The provisions of This Plan which limit benefits based on benefits or services provided under:

1. Government Plans; or
2. Plans which the Employer (or an affiliate) contributes to or sponsors;

will not be affected by these Coordination of Benefits provisions.

"Primary Plan/Secondary Plan" When This Plan is a Primary Plan, it means that This Plan's benefits are determined:

1. before those of the other Plan; and
2. without considering the other Plan's benefits.

When This Plan is a Secondary Plan, it means that This Plan's benefits:

1. are determined after those of the other Plan; and
2. may be reduced because of the other Plan's benefits.

When there are more than two Plans covering the person, This Plan may be a Primary Plan as to one or more of those other Plans and may be a Secondary Plan as to a different Plan or Plans.

"Allowable Expense" means any reasonable and customary charge which meets all of the following tests:

1. it is a charge for an item of necessary dental expense; and
2. it is an expense which a Covered Person must pay; and
3. it is an expense at least a part of which is covered under at least one of the Plans which covers the person for whom claim is made.

When a Plan provides fixed benefits for specified events or conditions rather than benefits based on expenses, any benefits under that Plan will be deemed to be Allowable Expenses.

When a Plan provides benefits in the form of services rather than cash payment, the reasonable cash value of each service rendered will be deemed to be both an Allowable Expense and a benefit paid.

However, Allowable Expenses do not include any amount of benefits reduced under a Primary Plan because the Covered Person does not comply with the Plan provisions. Examples of such provisions are those related to:

1. second surgical opinions;
2. precertification of admissions or services; and
3. preferred provider arrangements.

Only benefit reductions based upon provisions similar in purpose to those described in the prior two sentences and which are contained in the Primary Plan may be excluded from Allowable Expenses. This provision will not be used by a Secondary Plan to refuse to pay benefits because an Health Maintenance Organization member has elected to have health care services provided by a non-HMO provider and the HMO, pursuant to its contract, is not obliged to pay for providing those services.

"Claim Determination Period" means a period which starts on any January 1 and ends on the next December 31. However, a Claim Determination Period for any Covered Person will not include periods of time during which that person is not covered under This Plan.

"Custodial Parent" means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than half of the calendar year without regard to any temporary visitation.

B. Effect on Benefits

1. When there is a basis for a claim under This Plan and another Plan, This Plan is a Secondary Plan which has its benefits determined after those of the other Plan, unless:
 - a. the other Plan has rules coordinating its benefits with those of This Plan; and
 - b. both those rules and This Plan's rules in subsection 3 of this Section B require that This Plan's benefits be determined before those of the other Plan.
2. If This Plan is a Secondary Plan, when the total Allowable Expenses incurred for a Covered Person in any Claim Determination Period are less than the sum of:

- a. the benefits that would be payable under This Plan without applying this Coordination of Benefits provision; and
- b. the benefits that would be payable under all other Plans without applying Coordination of Benefits or similar provisions;

the benefits described in item 2(a) of this section B will be reduced. The sum of these reduced benefits plus all benefits payable for such Allowable Expenses under all other Plans will not exceed the total of the Allowable Expenses. Benefits payable under all other Plans include all benefits that would be payable if the proper claims had been given on time.

When the benefits of This Plan are reduced as described above, each benefit is reduced in proportion. It is then charged against the benefit limits of This Plan.

3. Rules for Determining the Order in which Plans Determine Benefits. When more than one Plan covers the person for whom Allowable Expenses were incurred, the order of benefit determination is:

- a. Non-dependent/Dependent. The Plan which covers that person other than as a dependent (for example, as an employee, member, subscriber or retiree) determines its benefits before the Plan which covers that person as a dependent; except that if the person is also a Medicare beneficiary, and as a result of the rules established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:

- i. Secondary to the Plan covering the person as a dependent; and
- ii. Primary to the Plan covering the person as other than a dependent (e.g., a retired person);

then the benefits of the Plan covering the person as a dependent are determined before those of the Plan covering that person as other than a dependent.

- b. Child Covered under More than One Plan. When This Plan and another Plan cover the same child as a dependent of different persons, called "parents":

- i. the Primary Plan is the Plan of the parent whose birthday is earlier in the year if:
 - 1. the parents are married;
 - 2. the parents are not separated (whether or not they ever have been married); or
 - 3. a court decree awards joint custody without specifying that one party is responsible for providing health care coverage.

For example, if one parent's birthday were January 8 and the other parent's birthday were March 3, then the Plan covering the parent with the January 8 birthday would determine its benefits before the Plan covering the parent with the March 3 birthday.

- ii. if both parents have the same date of birth (excluding year of birth), the Plan which covered the parent for the longer time determines its benefits before the Plan which covered the other parent for the shorter time.
- iii. if the specific terms of a court decree state that one of the parents is responsible for the child's healthcare expenses or healthcare coverage and the Plan of that parent has

actual knowledge of those terms, that Plan is Primary. This paragraph does not apply with respect to any Claim Determination Period during which any benefits are actually paid or provided before that Plan has that actual knowledge of the terms of the court decree.

- iv. if the parents are not married or are separated (whether or not they have ever been married) or are divorced, the order of benefits is:
 - 1. the Plan of the Custodial Parent;
 - 2. the Plan of the spouse of the Custodial Parent;
 - 3. the Plan of the Non-Custodial Parent;
 - 4. the Plan of the spouse of the Non-Custodial Parent.
- c. Active/Laid-off or Retired Employee. The Plan which covers that person as an active Employee (or as that Employee's dependent) is Primary to a Plan which covers that person as a laid-off or retired Employee (or as that Employee's dependent). If the Plan which covers that person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule shall not apply.
- d. Continuation Coverage. The Plan which covers the person as an active Employee, member or subscriber (or as that Employee's dependent) is Primary to a Plan which covers that person under a right of continuation pursuant to federal law (e.g., COBRA) or state law. If the Plan which covers that person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule d. shall not apply.
- e. Longer/Shorter Time Covered. If none of the above rules determines the order of benefits, the Plan which has covered the Employee, for the longer time determines its benefits before the Plan which covered that person for the shorter time.

C. Right to Receive and Release Needed Information

Certain facts are needed to apply these Coordination of Benefits rules. We have the right to decide which facts we need. We may get facts from or give them to any other organization or person. We need not tell, nor get the consent of, any person or organization to do this. To obtain all benefits available, a claim should be filed under each Plan which covers the person for whom Allowable Expenses were incurred. Each person claiming benefits under This Plan must give us any facts we need to pay the claim.

D. Facility of Payment

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, we may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

E. Right of Recovery

If the amount of the payments made by us is more than we should have paid under this Coordination of Benefits provision, we may recover the excess from one or more of:

1. the persons we have paid or for whom we have paid;
2. insurance companies; or
3. other organizations.

The "amount of the payment made" includes the reasonable cash value of any benefits provided in the form of services.

NOTICES

This certificate is of value to you. It should be kept in a safe place.

As soon as your benefits end, you should consult your Employer to find out what rights, if any, you may have to continue your protection.

If you or your Dependents had coverage under a prior plan of benefits, please consult your Employer to determine if there are any additional provisions which affect your benefits under This Plan.

The fact that a Dentist may recommend that a Covered Person receive a dental service does not mean:

1. that the dental service will be deemed to be necessary; or
2. that benefits under This Plan will be paid for the expenses of the dental service.

Metropolitan will make the decision as to whether the dental service:

1. is necessary in terms of generally accepted dental standards; and
2. is qualified for benefits under This Plan.

Our Home Office is located at One Madison Avenue, New York, New York 10010.

Form G.23000-E

"THIS IS THE END OF THE CERTIFICATE. THE FOLLOWING IS ADDITIONAL INFORMATION"

NOTICE OF YOUR RIGHT AND YOUR DEPENDENTS' RIGHT TO CONTINUE DENTAL BENEFITS

When your employment terminates for any reason other than your gross misconduct, or if your hours worked are reduced so that your coverage terminates, you and your covered dependents may continue coverage under This Plan for a period of up to 18 months. However, if it is determined under the terms of the Social Security Act that you or your covered dependent is disabled within 60 days after your termination of employment or reduction of hours, you and your covered dependents may continue your dental coverage under This Plan for an additional 11 months after the expiration of the 18 month period. During the additional 11 months of coverage, your cost for that coverage will be approximately 50% higher than it was during the preceding 18 months. In addition, if you should die, become divorced or legally separated, or become eligible for Medicare, your covered dependents may continue coverage under This Plan for up to 36 months. Also, your covered children may continue coverage under This Plan for up to 36 months after they no longer qualify as covered dependents under the terms of This Plan.

During the continuation period, a child of yours that is (1) born; (2) adopted by you; or (3) placed with you for adoption, will be treated as if the child were a covered dependent at the time coverage was lost due to an event described above.

This continuation will terminate on the earliest of:

1. the end of the 18, 29 or 36 month continuation period, as the case may be;
2. the date of expiration of the last period for which the required payment was made;
3. the date, after a Covered Person elects to continue coverage, that the Covered Person first becomes covered under another group health plan as long as the new plan does not contain any exclusion or limitation with respect to any preexisting condition on the Covered Person;
4. the date This Plan is cancelled.

Notice will be given when you or your covered dependents become entitled to continue coverage under the Plan. You, or they, will then have at least 60 days to elect to continue coverage. However, you or your covered spouse or your covered child must notify the Employer within 60 days in the event you receive a determination of disability under the terms of the Social Security Act, you become divorced or legally separated, or when your dependent child no longer qualifies as a covered dependent under This Plan.

Any person who elects to continue coverage under the Plan must pay the full cost of that coverage (including both the share you now pay and the share your Employer now pays), plus any additional amounts permitted by law. Your payments for continued coverage must be made on the first day of each month in advance.

CONTINUITY OF DENTAL EXPENSE COVERAGE UPON TRANSFER OF INSURANCE CARRIERS

(not applicable to self-insured plans)

Coverage Under This Plan

In order to prevent loss of coverage due to a transfer of insurance carriers, This Plan will provide dental coverage for those who:

1. are eligible for Personal Benefits and/or for Dependent Benefits under This Plan; and
2. have made written request, if required, to the Employer for Personal Benefits and/or for Dependent Benefits under This Plan; and
3. were covered for similar Personal Benefits and/or Dependent Benefits under the prior plan of the Employer on the day before This Plan is effective.

However:

1. Employees who are not Actively at Work will receive full coverage under This Plan when they return to Active Work; and
2. Eligible Dependents who are confined in a Hospital or other treatment facility or at home will receive full coverage under This Plan when they are no longer confined.

Coverage provided as a result of the transfer of insurance carriers is subject to all of This Plan's provisions, except as set forth in the following sections.

Dental Expense Benefits

The dental coverage provided under This Plan will be subject to the following special rules:

- A. Service Requirements: We will give credit for service requirements and late enrollment waiting periods which were met in part or in full under the prior carrier's plan at the time of transfer.
- B. Deductibles: We will credit This Plan's Deductible requirements with amounts applied to similar requirements of the prior plan at the time of transfer. The credit given will not exceed This Plan's requirements.

- C. **Maximum Benefits:** We will provide This Plan's Dental Expense Benefit at the time of transfer. However, we will reduce the maximum benefits available under This Plan by the amount of benefits that were:
1. provided for similar covered dental expenses under the prior carrier's plan; and
 2. applied against a prior carrier's maximum; and
 3. received during a period of time that corresponds to This Plan's maximum benefit period.
 4. **Interim Coverage During Disability:** We will waive This Plan's Actively at Work and non-confinement rules in order to provide interim coverage for Employees and their eligible Dependents who are disabled at the time of transfer. Coverage so provided is subject to the provision of This Plan as set forth in WHEN BENEFITS END.

Coverage Continued Under Prior Plan

Persons who were covered under government-mandated continuance provisions of the prior plan at the time of transfer may continue coverage under This Plan. Benefits available under This Plan will be payable until the earlier of:

- A. the date the continued coverage ends as set forth in the provisions of the government-mandated requirements; or
- B. the date This Plan ends;

provided required payment is made for the cost of benefits so continued.

The Plan Administrator shall also document the facts of the violation, actions that have been taken to discipline the offending party and the steps taken to prevent future violations.

- Certify to the Plan, prior to the Plan permitting disclosure of PHI to the Plan Sponsor, that the Plan Documents have been amended to incorporate the provisions in this Section.

All complaints or issues raised by Plan participants or their covered dependents in respect to the use of their PHI must be submitted in writing to the Plan Administrator. A response will be made within 30 days of the receipt of the written complaint. In the event more time is required to resolve any issues this period can be extended to 90 days. The affected participant must receive written notice of the extension and the resolution of their complaint. The Plan Administrator shall have full discretion in resolving the complaint and making any required interpretations and factual determinations. The decision of the Plan Administrator shall be final and be given full deference by all parties.
