Generic Medicines: Choosing generics is an excellent way to save money. With generics, you get the same quality as brand-name medicines, at a lower cost. To help you save money, Caremark will substitute generic medicines for brand-name medicines whenever possible. If you have been prescribed a brand-name medicine with a generic equivalent and you DO NOT want us to substitute the generic medicine, please provide specific instructions, including the names of your brand-name medicines, in the Comments/Special Instructions section of this form. Your health plan has chosen Caremark, an independent company, to administer its Mail Service Prescription program. For more information, visit your health plan's Web site as listed on your member ID card, or call Caremark at 1-888-963-7290.

We may package all of these prescriptions together unless you tell us not to.
