

Is your company unnecessarily exposed to HR risks?

HR Audit & Risk Assessment

Every business faces challenges with various rules, laws, regulations, and general business issues. We are here to help you take control of these risks!

Take the Clarke & Company **Complete HR Audit** to **identify key areas of HR activities that could pose risks** to your business if not properly managed.

Once completed, the checklist will provide you the information about **what, why, and how the topic is important in your risk mitigation program.**

For a **quick idea of areas that you may need help in**, take our **Quick HR Risk Assessment below**. This is a **1 minute, broad survey** to help you get an idea where you may have exposed HR risks.
