Accident and Health Claims Provisions

Your right to make a claim for any *accident and health* benefits provided by this *plan*, is governed as follows:

Notice You must send us written notice of an *injury* or *sickness* for which a claim is being made within 20 days of the date the *injury* occurs or the *sickness* starts. This notice should include your name and *plan* number. If the claim is being made by one of your covered dependents, his or her name should also be noted.

Proof of Loss We'll furnish you with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the *injury* or *sickness* that is the basis of the claim as proof of loss. You must detail the nature and extent of the loss for which the claim is being made. You must send us written proof within 90 days of the loss.

Accident and Health Claims Provisions (Cont.)

If this plan provides weekly loss-of-time insurance, you must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, you must send us written proof of loss within 90 days of the date we request it. For any other loss, you must send us written proof within 90 days of the loss.

Late Notice of Proof We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible.

Payment of Benefits We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided you submit periodic written proof of loss as stated above. We'll pay all other *accident and health* benefits to which you're entitled as soon as we receive written proof of loss.

We pay all *accident and health* benefits to you, if you're living. If you're not living, we have the right to pay all *accident and health* benefits, except dismemberment benefits, to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; (e) your brothers and sisters; and (f) any unpaid provider of health care services. See "Your Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

When you file proof of loss, you may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell you that a particular provider must provide such care. And you may not assign your right to take legal action under this *plan* to such provider.

Limitations of Actions You can't bring a legal action against this *plan* until 60 days from the date you file proof of loss. And you can't bring legal action against this *plan* after six years from the date proof of loss is required to be filed.

An Important Notice About Continuation Rights

The following "Federal Continuation Rights" section may not apply to the employer's plan. The employee must contact his employer to find out if: (a) the employer is subject to the "Federal Continuation Rights" section, and therefore; (b) the section applies to the employee.

YOUR CONTINUATION RIGHTS

Federal Continuation Rights

Important Notice This notice contains important information about the right to continue group dental coverage. In addition to the continuation rights described below, other health coverage alternatives may be available through states' Health Insurance Marketplaces. Please read the information contained in this notice very carefully.

This section applies only to any dental, out-of-network point-of-service medical, major medical, prescription drug or vision coverages which are part of this plan. In this section, these coverages are referred to as "group health benefits."

This section does not apply to any coverages which apply to loss of life, or to loss of income due to disability. These coverages can not be continued under this section.

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this plan as: (a) an active, covered employee; (b) the spouse of an active covered employee; or (c) the dependent child of an active, covered employee. A child born to, or adopted by, the covered employee during a continuation period is also a qualified continuee. Any other person who becomes covered under this plan during a continuation provided by this section is not a qualified continuee.

Conversion Continuing the group health benefits does not stop a qualified continuee from converting some of these benefits when continuation ends. But, conversion will be based on any applicable conversion privilege provisions of this plan in force at the time the continuation ends.

If Your Group Health Benefits End If your group health benefits end due to your termination of employment or reduction of work hours, you may elect to continue such benefits for up to 18 months, if you were not terminated due to gross misconduct.

The continuation: (a) may cover you or any other qualified continuee; and (b) is subject to "When Continuation Ends".

Extra Continuation for Disabled Qualified Continuees If a qualified continuee is determined to be disabled under Title II or Title XVI of the Social Security Act on or during the first 60 days after the date his or her group health benefits would otherwise end due to your termination of employment or reduction of work hours, and such disability lasts at least until the end of the 18 month period of continuation coverage, he or she or any member of that person's family who is a qualified continuee may elect to extend his or her 18 month continuation period explained above for up to an extra 11 months.

Federal Continuation Rights (Cont.)

To elect the extra 11 months of continuation, a qualified continuee must give your employer written proof of Social Security's determination of the disabled qualified continuee's disability as described in "The Qualified Continuee's Responsibilities". If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify your employer within 30 days of such determination, and continuation will end, as explained in "When Continuation Ends."

This extra 11 month continuation is subject to "When Continuation Ends".

An additional 50% of the total premium charge also may be required from all qualified continuees who are members of the disabled qualified continuee's family by your employer during this extra 11 month continuation period, provided the disabled qualified continuee has extended coverage.

All Options

If You Die While Insured If you die while insured, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

CGP-3-R-COBRA-96-2

B235.0075

All Options

If Your Marriage Ends If your marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

If a Dependent Child Loses Eligibility If a dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this plan, other than your coverage ending, he or she may elect to continue such benefits. However, such dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to "When Continuation Ends".

Concurrent Continuations If a dependent elects to continue his or her group health benefits due to your termination of employment or reduction of work hours, the dependent may elect to extend his or her 18 month or 29 month continuation period to up to 36 months, if during the 18 month or 29 month continuation period, the dependent becomes eligible for 36 months of continuation due to any of the reasons stated above.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

Federal Continuation Rights (Cont.)

Special Medicare Rule If you become entitled to Medicare before a termination of employment or reduction of work hours, a special rule applies for a dependent. The continuation period for a dependent, after your later termination of employment or reduction of work hours, will be the longer of: (a) 18 months (29 months if there is a disability extension) from your termination of employment or reduction of work hours; or (b) 36 months from the date of your earlier entitlement to Medicare. If Medicare entitlement occurs more than 18 months before termination of employment or reduction of work hours, this special Medicare rule does not apply.

The Qualified Continuee's Responsibilities A person eligible for continuation under this section must notify your employer, in writing, of: (a) your legal divorce or legal separation from your spouse; (b) the loss of dependent eligibility, as defined in this plan, of an insured dependent child; (c) a second event that would qualify a person for continuation coverage after a qualified continuee has become entitled to continuation with a maximum of 18 or 29 months; (d) a determination by the Social Security Administration that a qualified continuee entitled to receive continuation with a maximum of 18 months has become disabled during the first 60 days of such continuation; and (e) a determination by the Social Security Administration that a qualified continuee is no longer disabled.

Notice of an event that would qualify a person for continuation under this section must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date on which an event that would qualify a person for continuation under this section occurs; (b) the date on which the qualified continuee loses (or would lose) coverage under this plan as a result of the event; or (c) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice.

Notice of a disability determination must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date of the Social Security Administration determination; (b) the date of the event that would qualify a person for continuation; (c) the date the qualified continuee loses or would lose coverage; or (d) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice. But such notice must be given before the end of the first 18 months of continuation coverage.

CGP-3-R-COBRA-96-3

B235.0178

All Options

Your Employer's Responsibilities A qualified continuee must be notified, in writing, of: (a) his or her right to continue this plan's group health benefits; (b) the premium he or she must pay to continue such benefits; and (c) the times and manner in which such payments must be made.

Your employer must give notice of the following qualifying events to the plan administrator within 30 days of the event: (a) your death; (b) termination of employment (other than for gross misconduct) or reduction in hours of employment; (c) Medicare entitlement; or (d) if you are a retired employee, a bankruptcy proceeding under Title 11 of the United States Code with respect to the employer. Upon receipt of notice of a qualifying event from your employer or from a qualified continuee, the plan administrator must notify a qualified continuee of the right to continue this plan's group health benefits no later than 14 days after receipt of notice.

If your employer is also the plan administrator, in the case of a qualifying event for which an employer must give notice to a plan administrator, your employer must provide notice to a qualified continuee of the right to continue this plan's group health benefits within 44 days of the qualifying event.

If your employer determines that an individual is not eligible for continued group health benefits under this plan, they must notify the individual with an explanation of why such coverage is not available. This notice must be provided within the time frame described above.

If a qualified continuee's continued group health benefits under this plan are cancelled prior to the maximum continuation period, your employer must notify the qualified continuee as soon as practical following determination that the continued group health benefits shall terminate.

Your Employer's Liability Your employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of, us, if: (a) he or she fails to remit a qualified continuee's timely premium payment to us on time, thereby causing the qualified continuee's continued group health benefits to end; or (b) he or she fails to notify the qualified continuee of his or her continuation rights, as described above.

Election of Continuation To continue his or her group health benefits, the qualified continuee must give your employer written notice that he or she elects to continue. This must be done by the later of: (a) 60 days from the date a qualified continuee receives notice of his or her continuation rights from your employer as described above; or (b) the date coverage would otherwise end. And the qualified continuee must pay his or her first premium in a timely manner.

The subsequent premiums must be paid to your employer, by the qualified continuee, in advance, at the times and in the manner specified by your employer. No further notice of when premiums are due will be given.

The premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed insured under the group plan on a regular basis. It includes any amount that would have been paid by your employer. Except as explained in "Extra Continuation for Disabled Qualified Continuees", an additional charge of two percent of the total premium charge may also be required by your employer.

Federal Continuation Rights (Cont.)

If the qualified continuee fails to give your employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified due date. If timely payment is made to the plan in an amount that is not significantly less than the amount the plan requires to be paid for the period of coverage, then the amount paid is deemed to satisfy the requirement for the premium that must be paid; unless your employer notifies the qualified continuee of the amount of the deficiency and grants an additional 30 days for payment of the deficiency to be made. Payment is calculated to be made on the date on which it is sent to your employer.

When Continuation Ends A qualified continuee's continued group health benefits end on the first of the following:

- (1) with respect to continuation upon your termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
- (2) with respect to a qualified continuee who has an additional 11 months of continuation due to disability, the earlier of: (a) the end of the 29 month period which starts on the date the group health benefits would otherwise end; or (b) the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that the disabled qualified continuee is no longer disabled under Title II or Title XVI of the Social Security Act;
- (3) with respect to continuation upon your death, your legal divorce, or legal separation, or the end of an insured dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
- (4) the date the employer ceases to provide any group health plan to any employee;
- (5) the end of the period for which the last premium payment is made;
- (6) the date, after the date of election, he or she becomes covered under any other group health plan which does not contain any pre-existing condition exclusion or limitation affecting him or her; or
- (7) the date, after the date of election, he or she becomes entitled to Medicare.

Uniformed Services Continuation Rights

If you enter or return from military service, you may have special rights under this *plan* as a result of the Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA").

If your group health benefits under this *plan* would otherwise end because you enter into active military service, this *plan* will allow you, or your dependents, to continue such coverage in accord with the provisions of USERRA. As used here, "group health benefits" means any dental, out-of-network point-of service medical, major medical, prescription drug or vision coverages which are part of this *plan*.

Coverage under this plan may be continued while you are in the military for up to a maximum period of 24 months beginning on the date of absence from work. Continued coverage will end if you fail to return to work in a timely manner after military service ends as provided under USERRA. You should contact your employer for details about this continuation provision including required premium payments.

Employee Coverage

Eligible Employees To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

Other Conditions You must:

- (a) be legally working in the United States.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but not less than 30 hours per week), at:
 - (i) your *employer's* place of business;
 - (ii) some place where your *employer's* business requires you to travel; or
 - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

Note: If you are working outside the United States on a temporary assignment and you meet all other conditions of eligibility, you will be covered by this *plan*, provided that: you are on an assignment, not exceeding one year, in a country or region that is not under a travel warning issued by the US Department of State. Coverage may be available when you are: (1) on a longer temporary assignment; or (2) assigned in a region that is under a travel warning; however, coverage must be approved in writing.

If you must pay all or part of the cost of employee coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we also ask for *proof* that you're insurable. And you won't be covered until we approve that *proof* in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. The Life Schedule explains if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

If your active *full-time* service ends before you meet any *proof of insurability* requirements that apply to you, you'll still have to meet those requirements if you're later re-employed.

When Your Coverage Starts Employee benefits that don't require *proof* that you are insurable are scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet.

Employee benefits that require such *proof* won't start until you send us the *proof* and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your occupation on any date part of your insurance is scheduled to start, we will postpone that part of your coverage until the date you are so capable and are working your regular number of hours.

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

All Options

When Your Coverage Ends Your coverage ends on the date your active *full-time* service ends for any reason. Such reasons include disability, death, retirement, layoff, leave of absence and the end of employment.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

Employee Coverage (Cont.)

It ends on the date you are no longer working in the United States, unless you are on a temporary assignment: (1) not exceeding one year in a country or region that is not under a travel warning by the US Department of State; or (2) for which we have agreed, in writing, to provide coverage.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Read this booklet carefully if your coverage ends. You may have the right to continue certain group benefits for a limited time. And you may have the right to replace certain group benefits with converted policies.

When Dependent Coverage Starts In order for your dependent coverage to begin you must already be insured for employee coverage, or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll your *initial dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, the dependent's coverage is scheduled to start on the later of the first of the month which coincides with or next follows your *eligibility date* and the date you become insured for employee coverage.

If you do this within the *enrollment period*, the coverage is scheduled to start on the later of the first of the month which coincides with or next follows the date you sign the enrollment form; and the date you become insured for employee coverage.

If you do this after the *enrollment period* ends, your dependent coverage is subject to *proof of insurability* and won't start until we approve that *proof* in writing.

Once you have dependent coverage for your *initial dependents*, you must notify us when you acquire any new dependents and agree to make any additional payments required for their coverage.

A *newly acquired dependent* will be covered for those dependent benefits not subject to *proof of insurability* from the later of the date you notify us and agree to make any additional payments, and the date the *newly acquired dependent* is first eligible.

If *proof of insurability* is required for dependent benefits as explained above, those benefits are scheduled to start, subject to the "Exception" stated below, on the effective date shown in the "Endorsement" section of your application, provided that you send us the *proof* we require and we approve that *proof* in writing. A copy of the approved application is furnished to you.

Dependent coverage also ends for all of your dependents when you stop being a member of a class of *employees* eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all *employees* or for an *employee's* class.

If you are required to pay part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he stops being an *eligible dependent*. This happens to a child at 12:01 a.m. on the date the child attains this *plan's* age limit, when he marries, or when a step-child is no longer dependent on the employee for support and maintenance. It happens to a spouse when a marriage ends in legal divorce or annulment.

Read this plan carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And they may have the right to replace certain group benefits with converted policies.

Your Group Term Life Insurance

Basic Life Benefit If you die while insured for this benefit, we'll pay your beneficiary the amount shown in the schedule.

Proof of Death We'll pay this insurance as soon as we receive written proof of death. This should be sent to us as soon as possible.

Your Beneficiary You decide who gets this insurance if you die. You should have named your beneficiary on your enrollment form. You can change your beneficiary at any time by giving us written notice, unless you've assigned this insurance. But the change won't take effect until your employer gives you written confirmation of the change.

If you named more than one person, but didn't tell us what their shares should be, they'll share equally. If someone you named dies before you do, his share will be divided equally by the beneficiaries still alive, unless you've told us otherwise.

If there is no beneficiary when you die, we'll pay the insurance to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; or (e) your brothers and sisters.

Assigning Your Life Insurance If you assign this insurance, you permanently transfer all your rights under this insurance to the assignee. Only one of the following can be an assignee: (a) your spouse; (b) one of your parents or grandparents; (c) one of your children or grandchildren; (d) one of your brothers or sisters; or (e) the trustee(s) of a trust set up for the benefit of one or more of these relatives.

We suggest you speak to your lawyer before you make any assignment. If you decide you want to assign this insurance, ask your employer for details or write to us.

Payment to a Minor or Incompetent If your beneficiary is a minor or incompetent, we have the option of paying this insurance in monthly installments. We would pay them to the person who cares for and supports your beneficiary.

Payment of Funeral or Last Illness Expenses We have the option of paying up to \$2,000.00 of this insurance to any person who incurs expenses for your funeral or last illness.

Settlement Option If you or your beneficiary ask us, we'll pay all or part of this insurance in installments. Any request must be made to us in writing. The amounts of the installments and how they would be paid depends on what we offer at the time the request is made.

Portability Privilege

- Applicability** This provision applies only to this plan's employee and dependent Basic group term life insurance. It does not apply to supplemental life insurance, if any is included in this plan. And it does not apply to Accidental Death and Dismemberment Insurance.
- Important Restriction** You may not elect a portable certificate of coverage unless you have been covered by this group plan, or the one it replaced, for employee Basic group term life insurance for at least three consecutive months prior to the date your coverage under this plan ends.
- Portability Of Basic Group Term Life Insurance** You may elect to continue all or part of your employee Basic group term life insurance and dependent Basic group term life insurance, by choosing a portable certificate of coverage, subject to the following terms.
- You may port your coverage if coverage under this plan ends because you: (a) have terminated employment; or (b) stop being a member of an eligible class of employees.
- You may not port your coverage or coverage for any of your dependents, if you: (a) have reached your 70th birthday on the day coverage under this plan ends; or (b) are eligible for this plan's Basic Group Term Life Insurance Extended Life Benefit.
- You may not port your coverage or coverage for any of your dependents if coverage under this plan ends due to: (a) failure to pay any required premium; or (b) the end of this group plan.
- You may port: (a) the full amount(s) of your Basic term life insurance as of the day your coverage under this plan ends, or (b) 50% of such amount, if such amount under this plan is at least \$50,000.00.
- You may port: (a) the full amount(s) of your dependent Basic term life insurance as of the day your coverage under this plan ends; or (b) 50% of such amount(s) if: (i) your dependent spouse amount under this plan is at least \$5,000.00; and (ii) your dependent child amount under this plan is at least \$2,000.00. However, if you port the full amount of your insurance, any dependent amount(s) ported must be a full amount. And, if you elect to port 50% of your insurance, any dependent amount(s) ported must be 50% of such amount(s).
- You may port: (a) your insurance only; (b) your insurance and insurance of your covered spouse; (c) your insurance and the insurance of all of your covered dependents; or (d) if you are a single parent, your insurance and the insurance of all of your covered dependent children. No other combinations will be allowed.
- To be eligible to port, a dependent must be insured as of the day your coverage under this plan ends.

Portability Privilege (Cont.)

If You Die While Insured If you die while insured for dependent Basic term life insurance, your spouse may port the insurance of your dependents as described above. But, your spouse and dependents must be insured on the date of death. No dependents will be allowed to port if: (a) there is no surviving spouse; or (b) your surviving spouse has reached his or her 70th birthday on the day you die.

The Portable Certificate Of Coverage You or your surviving spouse can port to a portable certificate of coverage. The certificate provides group term insurance. It does not provide any: (a) accidental death and dismemberment benefits; (b) income replacement benefits; or (c) extended life benefits or waiver of premium privileges. The benefits provided by the portable certificate of coverage may not be the same as the benefits of this group plan.

The premium for the portable certificate of coverage will be based on: (a) your and/or your dependent's rate class under this plan; and (b) your or your surviving spouse's age bracket as shown in the Basic Life Portability Coverage Premium Notice.

How To Port To get a portable certificate of coverage, you or your surviving spouse must: (a) apply to us in writing; and (b) pay the required premium. You have 31 days from the date your coverage under this plan ends to do this. We won't ask for proof that you are insurable.

Defined Term As used in this provision, the term "port" means to choose a portable certificate of coverage which provides group term life insurance.

Information About Conversion and Portability

No covered person is allowed to convert his or her coverage, and elect a portable certificate of coverage at the same time. If a situation arises in which a covered person would be eligible to both convert and port, he or she may only exercise one of these privileges. A covered person may never be insured under both a converted policy and a portable certificate of coverage at the same time. The covered person should read his or her plan, as well as any related materials carefully before making an election.

THE FOLLOWING PROVISION APPLIES TO YOUR BASIC TERM LIFE INSURANCE:

B275.0076

Converting This Group Term Life Insurance

If Employment or Eligibility Ends Your group life insurance ends if: (a) your employment ends; or (b) you stop being a member of an eligible class of employees. If either happens, you can convert your group life insurance to an individual life insurance policy. Conversion choices are based on your disability status.

If you are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", you can convert to a permanent life insurance policy. You can convert the amount for which you were covered under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy, as explained in the section labeled "Interim Term Insurance". You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

If The Group Plan Ends or Group Life Insurance Is Dropped Your group life insurance also ends if: (a) this group plan ends; or (b) life insurance is dropped from the group plan for all employees or for your class. If either happens, you may be eligible to convert as explained below. Conversion choices are based on your disability status.

If you: (a) are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium", when this coverage ends; and (b) you have been insured by a Guardian group life plan for at least five years, you can convert to a permanent life insurance policy. But, the amount you can convert is limited to the lesser of: (a) \$10,000.00; or (b) the amount of your insurance under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium"; and (b) have not yet been approved for the Extended Life Benefit, you can convert to: (a) a permanent life insurance policy; or (b) an interim term insurance policy. You can convert the full amount for which you were covered under this plan.

If you are later approved for the Extended Life Benefit, then the converted policy, if any, is cancelled as of our approval date.

The Converted Policy The premium for the converted policy will be based on your age on the converted policy's effective date. The converted policy will start at the end of the period allowed for conversion. The converted policy does not include disability or dismemberment benefits.

Interim Term Insurance If you: (a) are disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium" and (b) have not yet been approved for the Extended Life Benefit, you have the option to convert your coverage to an individual term life insurance policy. The individual term policy requires lower premiums than an individual permanent insurance policy.

Converting This Group Term Life Insurance (Cont.)

This Interim term policy is available for only one year from the date you become disabled. During this year, if you are approved for the Extended Life Benefit, the interim term insurance is cancelled, as of our approval date. If, after one year, you have not been approved for the Extended Life Benefit, you must convert to an individual permanent life insurance policy, or coverage will end. Premiums for the individual permanent life insurance policy will be based on your age as of the date you convert from the interim term insurance policy.

How and When to Convert To get a converted policy, you must apply to us in writing and pay the required premium. You have 31 days after your group life insurance ends to do this. We won't ask for proof that you are insurable.

Death During the Conversion Period If you die in the 31 days allowed for conversion, we'll pay your beneficiary the amount you could have converted. We'll pay whether or not you applied for conversion.

Important Notice If your eligibility ends or group life insurance is dropped, the Guardian will give you written notice of this conversion right. We'll mail the notice to your last address, as supplied by the employer.

The notice will be given within 15 days after the group insurance ends. If it's not, you will have 15 days from the date it is given to apply for the converted policy and pay the required premium. In no event will the time allowed to convert extend more than 60 days from the date your group life insurance ends.

Your Accelerated Life Benefit

IMPORTANT NOTICE: USE OF THE BENEFIT PROVIDED BY THIS SECTION MAY HAVE TAX IMPLICATIONS AND MAY AFFECT GOVERNMENT BENEFITS OR CREDITORS. YOU SHOULD CONSULT WITH YOUR TAX OR FINANCIAL ADVISOR BEFORE APPLYING FOR THIS BENEFIT.

PLEASE NOTE: THE AMOUNT OF GROUP TERM LIFE INSURANCE IS PERMANENTLY REDUCED BY THE GROSS AMOUNT OF THE ACCELERATED LIFE BENEFIT PAID TO YOU.

Accelerated Life Benefit If you have a medical condition that is expected to result in your death within 6 months, you may apply for an Accelerated Life Benefit. An Accelerated Life Benefit is a payment of part of your group term life insurance made to you before you die.

We subtract the gross amount paid to you as an Accelerated Life Benefit from the amount of your group term life insurance under this plan. The remaining amount of your group term life insurance is permanently reduced by the gross amount paid to you.

Your Accelerated Life Benefit (Cont.)

By "group term life insurance" we mean any Employee Basic Group Term Life Insurance for which you are insured under this plan. "Group term life insurance" does not mean Accidental Death and Dismemberment Benefits, any insurance provided under this plan for covered persons other than you or any scheduled increase in the amount of any Employee Group Term Life Insurance that is due within the 6 month period after the date you apply for the Accelerated Life Benefit.

By "gross amount" we mean the amount of an Accelerated Life Benefit elected by you, before the discount and the processing fee are subtracted.

For the purposes of this provision, "terminal condition" means a medical condition that is expected to result in your death within 6 months.

You may use the Accelerated Life Benefit in any way you choose. But you may receive only one Accelerated Life Benefit during your lifetime. If you live longer than 6 months, or if you recover from the condition, the benefit does not have to be repaid. But the amount of this benefit is not restored to your remaining group term life insurance. And you may not receive another Accelerated Life Benefit if you have a relapse or develop another terminal condition.

Maximum Benefit Amount The amount of the Accelerated Life Benefit for which you may apply is based on the amount of group term life insurance for which you are insured on the day before you apply for the benefit. The minimum benefit amount is the lesser of: (a) \$10,000.00; or (b) 50% of the inforce amount. The maximum benefit amount is the lesser of: (a) \$250,000.00; or (b) 50% of the inforce amount.

Discount The amount for which you apply is discounted to the present value in 6 months from the date the benefit is paid, based on the maximum adjustable policy loan interest rate permitted in the state in which your employer is located.

A detailed statement of the method of computing the amount of the Accelerated Life Benefit is filed with each state insurance department. This statement is available from The Guardian upon request.

Processing Fee A fee of up to \$150.00 may also be required for the administrative cost of evaluating and processing your Accelerated Life Benefit. This fee is deducted from the amount of the Accelerated Life Benefit paid to you.

Payment of An Accelerated Life Benefit If we approve your application for an Accelerated Life Benefit, we pay the amount you have elected, less the discount and the processing fee. We pay the benefit to you in one lump sum. And what we pay is subject to all of the other terms of this plan.

How And When To Apply To receive the Accelerated Life Benefit, you must send us written proof from a licensed doctor who is operating within the scope of his or her license that your medical condition is expected to result in your death within 6 months of the date of the written medical proof. We must approve such proof in writing before the Accelerated Life Benefit will be paid.

Your Accelerated Life Benefit (Cont.)

We can have you examined by a doctor of our choice to verify the terminal condition. We'll pay the cost of such examination. We will not pay the Accelerated Life Benefit if our doctor does not verify the terminal condition.

If we approve you to receive an Accelerated Life Benefit, we give you a statement which shows: (a) the amount of the maximum Accelerated Life Benefit for which you are eligible; and (b) the amount by which your group term life insurance will be reduced if you elect to receive the maximum Accelerated Life Benefit; and (c) the amount of the processing fee.

Even if you are receiving an Extended Life Benefit under this plan, you can still apply for an Accelerated Life Benefit. However, once you convert your group term life insurance, the terms of the converted life policy will apply. Any amount to which you could otherwise convert is permanently reduced by the gross amount of the Accelerated Life Benefit paid to you.

Please read "Your Remaining Group Term Life Insurance" provision for restrictions that may apply.

**If You Are

**Your Remaining
Group Term Life
Insurance**

The remaining amount of group term life insurance for which you are covered after receiving an Accelerated Life Benefit payment is subject to any increases or cutbacks that would otherwise apply to your insurance. Applicable cutbacks are applied to the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

The premium cost of your remaining coverage is based on the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

You may be required to provide proof of insurability for increased amounts. If you are, we must approve that proof in writing before you are covered for the new amount.

Your Accelerated Life Benefit (Cont.)

The total amount of group term life insurance your beneficiary would Otherwise receive upon your death is reduced by the gross amount of the Accelerated Life Benefit paid to you.

If you die after electing the Accelerated Life Benefit, but before we send the benefit to you, your beneficiary will receive the amount of the group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

Restrictions We will not pay an Accelerated Life Benefit to you if you:

- are required by law to use the payment to meet the claims of creditors, whether or not you are in bankruptcy; or
- are required by court order to pay all or part of the benefit to another person; or
- are required by a government agency to use the payment to apply for, to receive or to maintain a governmental benefit or entitlement; or
- lose your coverage under the group plan for any reason after you elect the Accelerated Life Benefit but before we pay such benefit to you.

Your Extended Life Benefit With Waiver Of Premium

Important Notice This section applies to your basic life benefit. But, it does not apply to your accidental death and dismemberment benefits; nor to any of your dependent's insurance under this group plan. In order to continue dependent basic life insurance, you must convert your dependent coverage. To convert dependent coverage you must choose an individual permanent policy.

If You Are Disabled You are disabled if you meet the definition of total disability, as stated below. If you meet the requirements in the "How and When to Apply" provision, we'll extend your basic life insurance under this section without payment of premiums from you or the employer.

Total Disability or Totally Disabled means, due to sickness or injury, you are:

- (a) not able to perform any work for wages or profit; and
- (b) you are receiving regular doctor's care appropriate to the cause of disability.

How And When To Apply To apply for this extension, you must submit satisfactory written medical proof of your total disability. You must provide this proof within one year of the onset of that disability. Any claim filed after one year from the onset of total disability will be denied. We will deny the claim unless we receive written proof that: (a) you lacked the legal capacity to file the claim; or (b) it was not reasonably possible for you to file the claim.

Your Extended Life Benefit With Waiver Of Premium (Cont.)

Also, in order to be eligible for this extension, you must:

- (a) become totally disabled before you reach age 60 and while insured by the group plan; and
- (b) remain totally disabled for 09 continuous months.

You may apply for this benefit immediately upon the onset of disability.

Continued Eligibility For Extended Life Benefit

We may require periodic written proof that you remain totally disabled to maintain this extension. This written proof of your: (a) continued disability; and (b) doctor's care must be provided to us within 30 days of the date we make each such request.

We can require that you take part in a medical assessment, with a medical specialist of our choice. During the first two years of this extension, we may require this as often as we feel is reasonably necessary. But after two years, we can't have you examined more than once a year.

Until You've Been Approved For This Extended Life Benefit

Your life insurance under the group plan may end after you've become totally disabled, but before we've approved you for this extension. During this time period, you may either:

- (a) continue group premium payments, including any portion which would have been paid by the employer, until you are approved or declined for this extension; or
- (b) convert to an individual permanent or term policy. Please read the section labeled "Converting This Group Term Life Insurance" for details on how to convert.

However, you must convert if: (i) this group plan terminates; and (ii) you are totally disabled and eligible, but not yet approved, for this extended benefit. You must remain insured under such policy until you are approved by us for the extended benefit.

Converting does not stop you from claiming your rights under this section. But if you convert and we later approve you for this extended benefit, we'll cancel the converted policy as of our approval date. Once you are approved for this extended benefit, your group term life coverage will be reinstated. This will be done at no further cost to you or the employer.

When This Extension Begins

Once approved by us, your extended benefit will be effective on the later of:

- (a) 09 continuous months from the date active full-time service ends due to total disability; or
- (b) the date we approve you for this benefit.

When This Extension Ends Your extension will end on the earliest of:

- (a) the date you are no longer disabled;
- (b) the date we ask you to be examined by our doctor, and you refuse;
- (c) the date you do not give us the proof of disability we require;
- (d) the date you are no longer receiving regular doctor's care appropriate to the cause of disability; or
- (e) the day before the date you reach age 65.

If the extension ends, and you are not insured by the group plan again as an active full-time employee, you can convert as if your employment just ended. Read the section labeled "Converting This Group Term Life Insurance".

If You Die While Covered By This Extension If you die while covered by this extension we'll pay your beneficiary the amount for which you were covered as of your last day of active full-time work, subject to all reductions which would have applied had you stayed an active employee.

Proof Of Death We'll pay as soon as we receive

- (a) written proof of your death, that is acceptable to us; and
- (b) medical proof that you were continuously disabled until your death. This must be sent within one year of your death.

Dependent Term Life Insurance

The Benefit If one of your dependents dies while insured for this benefit, we pay the amount shown in the schedule. We pay this in a lump sum when we receive written proof of death. Send the proof to us as soon as possible.

We pay you, if you're living. If you're not, and the dependent was your child, we pay your spouse. If your spouse is not living, we pay the child's living brothers and sisters in equal shares. If there are none, we pay the child's estate. If the dependent was your spouse, we pay your spouse's estate.

Payment to a Minor or Incompetent If the beneficiary is a minor or not competent, we have the right to pay in monthly installments. We would pay the person who cares for and supports the beneficiary. We completely discharge our liability for any amounts paid this way.

Converting This Dependent Term Life Insurance

If Your Group Life Insurance Ends or You Stop Being Eligible Dependent term life insurance ends for all of your dependents when your group life insurance ends. Your insurance ends when: (a) your active full-time employment ends; (b) you stop being a member of a class of employees eligible for employee group life insurance; (c) your group life insurance is extended under the Extended Life Benefit provision; or (d) you die.

Dependent term life insurance also ends when you stop being a member of a class of employees eligible for dependent term life insurance.

If one of the above happens, each dependent who was insured may convert all or part of his or her insurance.

If This Plan Ends or Life Insurance is Dropped Dependent term life insurance also ends for all of your dependents when this plan ends. And it ends if either employee or dependent term life insurance is dropped from this plan for all employees or for your class.

If one of the above happens, and your dependents have been insured by a Guardian group plan for at least five years, they can convert. But we limit the amount each dependent can convert to the lesser of: (a) \$10,000.00; and (b) the amount of his or her insurance under this plan less any group life benefits for which he or she becomes eligible in the 31 days after this insurance ends.

If a Dependent Stops Being Eligible A dependent's term life insurance ends when he or she stops being an eligible dependent as defined by this plan. If a dependent stops being eligible, that dependent can convert all or part of his or her insurance.

The Converted Policy The dependent can convert to one of the individual life insurance policies we normally issue. That policy can't include disability benefits. And it can't be a term policy.

The premium for the converted policy will be based on: (a) the dependent's risk and rate class under this plan; and (b) the dependent's age when the converted policy takes effect. The converted policy takes effect at the end of the period allowed for conversion.

Write to us for details.

How and When to Convert To get a converted policy, the dependent must apply to us in writing and pay the required premium. He or she has 31 days after his or her group insurance ends to do this. We won't ask for proof that he or she is insurable.

If the dependent is a minor or not competent, the person who cares for and supports the dependent may apply for him or her.

Death During the Conversion Period If a dependent dies in the 31 days allowed for conversion, we pay the amount he or she could have converted, as stated above. We do this whether or not he or she applied for conversion.

Converting This Dependent Term Life Insurance (Cont.)

Notice of Conversion Right: If your dependent is entitled to obtain a converted policy under this section, full compliance with this provision for Notice of Conversion Right will be satisfied by written notice: (a) given to you by the employer; (b) mailed to you by the employer at your last known address; or (c) mailed to you by us at your last known address that is supplied to us by the employer.

The notice should be given at least 15 days before the end of the 31 day period allowed for conversion as described in "How and When to Convert." If the notice is not given at least 15 days before the end of such period, the dependent will have an additional period of 15 days from the date notice is given to apply for the converted policy and pay the required premium. But, in no event shall the additional period extend more than 60 days beyond the 31 day period allowed for conversion as described above.

Employee Coverage

Eligible Employees To be eligible for *employee* coverage you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

Other Conditions If you must pay all or part of the cost of *employee* coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we consider you to be a late entrant.

If you initially waived dental coverage under this *plan* because you were covered under another group *plan*, and you now elect to enroll in the dental coverage under this *plan*, the Penalty for Late Entrants provision will not apply to you with regard to dental coverage provided your coverage under the other *plan* ends due to one of the following events: (a) termination of your spouse's employment; (b) loss of eligibility under your spouse's *plan*; (c) divorce; (d) death of your spouse; or (e) termination of the other *plan*.

But you must enroll in the dental coverage under this *plan* within 30 days of the date that any of the events described above occur.

But, for the child to stay eligible, you must send us written proof that the child is handicapped and depends on you for most of his or her support and maintenance. You have 31 days from the date the child reaches the age limit to do this. We can ask for periodic proof that the child's condition continues. When Dependent Coverage Starts In order for your dependent coverage to begin you must already be insured for employee coverage or enroll for employee and dependent coverage at the same time. If you do this on or before your *eligibility date*, the dependent's coverage is scheduled to start on the later of the first of the month which coincides with or next follows your *eligibility date* and the date you become insured for employee coverage.

If you do this within the *enrollment period*, the coverage is scheduled to start on the later of the first of the month which coincides with or next follows the date you sign the enrollment form; and the date you become insured for employee coverage.

If you do this after the *enrollment period* ends, each of your *initial dependents* is a late entrant and is subject to any applicable late entrant penalties. When Dependent Coverage Ends Dependent coverage ends for all of your dependents when your coverage ends. But if you die while insured, we'll automatically continue dependent benefits for those of your dependents who were insured when you died. We'll do this for six months at no cost, provided: (a) the group plan remains in force; (b) the dependents remain *eligible dependents*; and (c) in the case of a spouse, the spouse does not remarry.

If a surviving dependent elects to continue his or her dependent benefits under this *plan's* "Federal Continuation Rights" provision, or under any other continuation provision of this *plan*, if any, this free continuation period will be provided as the first six months of such continuation. Premiums required to be paid by, or on behalf of a surviving dependent will be waived for the first six months of continuation, subject to restrictions (a), (b) and (c) above. After the first six months of continuation, the remainder of the continuation period, if any, will be subject to the premium requirements, and all of the terms of the "Federal Continuation Rights" or other continuation provisions.

Dependent coverage also ends for all of your dependents when you stop being a member of a class of *employees* eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all *employees* or for an *employee's* class.

If you are required to pay all or part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he or she stops being an *eligible dependent*. This happens to a child on the last day of the month in which the child attains this coverage's age limit, when he or she marries, or when a step-child is no longer dependent on you for support and maintenance. It happens to a spouse on the last day of the month in which a marriage ends in legal divorce or annulment.

Read this *plan* carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time.

DENTAL EXPENSE INSURANCE

This insurance will pay many of a *covered person's* dental expenses. *We* pay benefits for covered charges incurred by a *covered person*. What *we* pay and terms for payment are explained below.

CGP-3-DG2000

B498.0007

All Options

Covered Charges

Covered charges are reasonable and customary charges for the dental services named in this *plan's* List of Covered Dental Services. To be covered by this *plan*, a service must be: (a) necessary; (b) appropriate for a given condition; and (c) included in the List of Covered Dental Services.

We may use the professional review of a *dentist* to determine the appropriate benefit for a dental procedure or course of treatment.

By reasonable, *we* mean the charge is the *dentist's* usual charge for the service furnished. By customary, *we* mean the charge made for the given dental condition isn't more than the usual charge made by most other *dentists*. But, in no event will the covered charge be greater than the 90th percentile of the prevailing fee data for a particular service in a geographic area.

When certain comprehensive dental procedures are performed, other less extensive procedures may be performed prior to, at the same time or at a later date. For benefit purposes under this *plan*, these less extensive procedures are considered to be part of the more comprehensive procedure. Even if the *dentist* submits separate bills, the total benefit payable for all related charges will be limited to the maximum benefit payable for the more comprehensive procedure. For example, osseous surgery includes the procedure scaling and root planing. If the scaling and root planing is performed one or two weeks prior to the osseous surgery, *we* may only pay benefits for the osseous surgery.

We only pay benefits for covered charges incurred by a *covered person* while he or she is insured by this *plan*. A covered charge for a crown, bridge or cast restoration is incurred on the date the tooth is initially prepared. A covered charge for any other *dental prosthesis* is incurred on the date the first master impression is made. A covered charge for root canal treatment is incurred on the date the pulp chamber is opened. A covered charge for *orthodontic treatment* is incurred on the date the *active orthodontic appliance* is first placed. All other covered charges are incurred on the date the services are furnished. If a service is started while a *covered person* is insured, *we'll* only pay benefits for services which are completed within 31 days of the date his or her coverage under this *plan* ends.

CGP-3-DGY2K-CC

B498.0242

Alternate Treatment

If more than one type of service can be used to treat a dental condition, we have the right to base benefits on the least expensive service which is within the range of professionally accepted standards of dental practice as determined by *us*. For example, in the case of bilateral multiple adjacent teeth, or multiple missing teeth in both quadrants of an arch, the benefit will be based on a removable partial denture. In the case of a composite filling on a *posterior tooth*, the benefit will be based on the corresponding amalgam filling benefit.

Proof Of Claim

So that *we* may pay benefits accurately, the *covered person* or his or her *dentist* must provide *us* with information that is acceptable to *us*. This information may, at *our* discretion, consist of radiographs, study models, periodontal charting, narratives or other diagnostic materials that document *proof of claim* and support the necessity of the proposed treatment. If *we* don't receive the necessary information, *we* may pay no benefits, or minimum benefits. However, if *we* receive the necessary information within 15 months of the date of service, *we* will redetermine the *covered person's* benefits based on the new information.

CGP-3-DGY2K-AT

B498.0002

Pre-Treatment Review

When the expected cost of a proposed course of treatment is \$300.00 or more, the *covered person's dentist* should send *us* a treatment plan before he or she starts. This must be done on a form acceptable to *Guardian*. The treatment plan must include: (a) a list of the services to be done, using the American Dental Association Nomenclature and codes; (b) the itemized cost of each service; and (c) the estimated length of treatment. In order to evaluate the treatment plan, dental radiographs, study models and whatever else will document the necessity of the proposed course of treatment, must be sent to *us*.

A treatment plan should always be sent to *us* before orthodontic treatment starts.

We review the treatment plan and estimate what we will pay. We will send the estimate to the covered person and/or the covered person's dentist. If the treatment plan is not consistent with accepted standards of dental practice, or if one is not sent to *us*, we have the right to base our benefit payments on treatment appropriate to the covered person's condition using accepted standards of dental practice.

Pre-Treatment Review (Cont.)

The covered person and his or her dentist have the opportunity to have services or a treatment plan reviewed before treatment begins. Pre-treatment review is not a guarantee of what we will pay. It tells the covered person, and his or her dentist, in advance, what we would pay for the covered dental services listed in the treatment plan. But, payment is conditioned on: (a) the services being performed as proposed and while the covered person is insured; and (b) the deductible, payment rate and payment limits provisions, and all of the other terms of this plan.

Emergency treatment, oral examinations, evaluations, dental radiographs and teeth cleaning are part of a course of treatment, but may be done before the pre-treatment review is made.

We won't deny or reduce benefits if pre-treatment review is not done. But what we pay will be based on the availability and submission of proof of claim.

Rollover of Benefit Year Payment Limit for Group I, II and III Non-Orthodontic Services

A *covered person* may be eligible for a rollover of a portion of his or her unused *benefit year* payment limit for Group I, II and III Non-Orthodontic Services, as follows:

If a *covered person* submits at least one claim for covered charges during a *benefit year* and, in that *benefit year*, receives benefits that are in excess of any deductible or co-pay fees, and that, in total, do not exceed the *Rollover Threshold*, he or she may be entitled to a *Reward*.

Note: If all of the benefits that a *covered person* receives in a *benefit year* are for services provided by a *preferred provider*, he or she may be entitled to a greater *Reward* than if any of the benefits are for services of a *non-preferred provider*.

Rewards can accrue and are stored in the *covered person's Bank*. If a *covered person* reaches his or her *benefit year* payment limit for Group I, II and III Non-Orthodontic Services, we pay benefits up to the amount stored in the *covered person's Bank*. The amount of *Reward* stored in the *Bank* may not be greater than the *Bank Maximum*.

A *covered person's Bank* may be eliminated, and the accrued *Reward* lost, if he or she has a break in coverage of any length of time, for any reason.

The amounts of this *plan's Rollover Threshold, Reward, and Bank Maximum* are:

- *Rollover Threshold* \$500.00
- *Reward* (if all benefits are for services provided by a *preferred provider*) \$350.00
- *Reward* (if any benefits are for services provided by a *non-preferred provider*) \$250.00
- *Bank Maximum* \$1,000.00

If this *plan's* dental coverage first becomes effective in October, November or December, this rollover provision will not apply until January 1 of the first full *benefit year*. And, if the effective date of a *covered person's* dental coverage is in October, November or December, this rollover provision will not apply to the covered person until January 1 of the next full *benefit year*. In either case:

- only claims incurred on or after January 1 will count toward the *Rollover Threshold*; and
- *Rewards* will not be applied to a *covered person's Bank* until the *benefit year* that starts one year from the date the rollover provision first applies.

Rollover of Benefit Year Payment Limit for Group I, II and III Non-Orthodontic Services (Cont.)

If charges for any dental services are not payable for a *covered person* for a period set forth in the provision of this *plan* called Penalty for Late Entrants, this rollover provision will not apply to the *covered person* until the end of such period. And, if such period ends within the three months prior to the start of this plan's next *benefit year*, this rollover provision will not apply to the *covered person* until the next *benefit year*, and:

- only claims incurred on or after the start of the next *benefit year* will count toward the *Rollover Threshold*; and
- *Rewards* will not be applied to a *covered person's Bank* until the *benefit year* that starts one year from the date the rollover provision first applies.

Definitions of terms used in this provision:

"*Bank*" means the amount of a *covered person's* accrued *Reward* .

"*Bank Maximum*" means the maximum amount of *Reward* that a *covered person* can store in his or her *Bank*.

"*Reward*" means the dollar amount which may be added to a *covered person's Bank* when he or she receives benefits in a *benefit year* that do not exceed the *Rollover Threshold*.

How We Pay Benefits For Group IV Orthodontic Services

This *plan* provides benefits for Group IV orthodontic services only for covered dependent children who are less than 19 years old when the *active orthodontic appliance* is first placed.

We pay for Group IV covered charges at the applicable *payment rate*.

Using the *covered person's* original treatment *plan*, we calculate the total benefit we will pay. We divide the benefit into equal payments, which we will spread out over the shorter of: (a) the proposed length of treatment; or (b) two years.

The Benefit Provision - Qualifying For Benefits (Cont.)

We make the initial payment when the *active orthodontic* appliance is first placed. We make further payments at the end of each subsequent three month period, upon receipt of verification of ongoing treatment. But, treatment must continue and the *covered person* must remain covered by this *plan*. We limit what we pay for orthodontic services to the lifetime payment of \$1,000.00. What we pay is based on all of the terms of this *plan*.

We don't pay for orthodontic charges incurred by a *covered person* prior to being covered by this *plan*. We limit what we pay for *orthodontic treatment* started prior to a *covered person* being covered by this *plan* to charges determined to be incurred by the *covered person* while covered by this *plan*. Based on the original treatment *plan*, we determine the portion of charges incurred by the *covered person* prior to being covered by this *plan*, and deduct them from the total charges. What we pay is based on the remaining charges. We limit what we consider of the proposed treatment *plan* to the shorter of the proposed length of treatment, or two years from the date the *orthodontic treatment* started.

The benefits we pay for *orthodontic treatment* won't be charged against a *covered person's benefit year* payment limits that apply to all other services.

Once this happens, we pay benefits for covered charges incurred by any *covered person* in that *covered family*, at the applicable *payment rate* for the rest of that *benefit year*. The charges must be incurred while the person is insured. What we pay is based on this *plan's payment limits* and to all of the terms of this *plan*.

We don't pay for charges incurred after a *covered person's* insurance ends. But, subject to all of the other terms of this *plan*, we'll pay for the following if the procedure is finished in the 31 days after a *covered person's* insurance under this *plan* ends: (a) a bridge or cast restoration, if the tooth or teeth are prepared before the *covered person's* insurance ends; (b) any other *dental prosthesis*, if the master impression is made before the *covered person's* insurance ends; and (c) root canal treatment, if the pulp chamber is opened before the *covered person's* insurance ends.

Members save an average of 15% off the laser surgeon's usual charge. And, if the laser center is offering a temporary price reduction, the member will receive 5% off the promotional price if it is less than the usual discounted price.

No one will have to pay more than \$1,800 per eye for laser-assisted in-situ keratomileusis (LASIK), and \$1,500 per eye for photorefractive keratectomy (PRK), two of the most common procedures.

If a member or a member's dependent is interested in the discount program, he or she must schedule a screening and consultation with a VSP doctor to discuss whether vision laser surgery is an appropriate procedure.

If the member or dependent decides to proceed with the surgery, the doctor will refer him or her to a VSP laser surgeon for further evaluation.

The laser center's fee includes the fee for the initial screening and consultation, the surgery itself and all post-operative care.

If the doctor determines that the member or dependent is an appropriate candidate for the laser surgery, but he or she does not have the surgery performed, he or she must pay the fee for the screening and consultation directly to the VSP network doctor. If the doctor determines that the enrollee or dependent is not an appropriate candidate for laser surgery, no fee is charged for the consultation.

COORDINATION OF BENEFITS

Important Notice This section applies to all group health benefits under this plan; except prescription drug and vision coverage, if any. It does not apply to any death, dismemberment, or loss of income benefits that may be provided under this plan.

Purpose When a covered person has health care coverage under more than one plan, this section allows this plan to coordinate what it pays with what other plans pay. This is done so that the covered person does not collect more in benefits than he or she incurs in charges.

Definitions

Allowable Expense This term means any necessary, reasonable, and customary item of health care expense that is covered, at least in part, by any of the plans which cover the person. This includes: (a) deductibles; (b) coinsurance; and (c) copayments. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered an allowable expense and a benefit paid.

An expense or service that is not covered by any of the plans is **not** an allowable expense. Examples of other expenses or services that are **not** allowable expenses are:

- (1) If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is **not** an allowable expense. This does not apply if: (a) the stay in the private room is medically necessary in terms of generally accepted medical practice; or (b) one of the plans routinely provides coverage for private hospital rooms.
- (2) The amount a benefit is reduced by the primary plan because a person does not comply with the plan's provisions is **not** an allowable expense. Examples of these provisions are: (a) precertification of admissions and procedures; (b) continued stay reviews; and (c) preferred provider arrangements.
- (3) If a person is covered by two or more plans that compute their benefit payments on the basis of reasonable and customary charges, any amount in excess of the primary plan's reasonable and customary charges for a specific benefit is **not** an allowable expense.
- (4) If a person is covered by two or more plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the primary plan's negotiated fees for a specific benefit is **not** an allowable expense.

If a person is covered by one plan that computes its benefits or services on the basis of reasonable and customary charges and another plan that provides its benefits or services on the basis of negotiated fees, the primary plan's payment arrangements will be the allowable expense for all plans. However, if the provider has contracted with the secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the allowable expense used by the secondary plan to determine its benefit.

- Claim** This term means a request that benefits of a plan be provided or paid.
- Claim Determination Period** This term means a calendar year. It does not include any part of a year during which a person has no coverage under this plan, or before the date this section takes effect.
- Coordination Of Benefits** This term means a provision which determines an order in which plans pay their benefits, and which permits secondary plans to reduce their benefits so that the combined benefits of all plans do not exceed total allowable expenses.
- Custodial Parent** This term means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.
- Hospital Indemnity Benefits** This term means benefits that are not related to expenses incurred. This term does not include reimbursement-type benefits even if they are designed or administered to give the insured the right to elect indemnity-type benefits at the time of claim.
- Plan** This term means any of the following that provides benefits or services for health care or treatment: (1) group insurance and group subscriber contracts; (2) uninsured arrangements of group coverage; (3) group coverage through health maintenance organizations (HMOs) and other prepayment, group practice and individual practice plans; (4) amounts of group hospital indemnity benefits in excess of \$100.00 per day; (5) medical benefits under group or individual automobile contracts; and (6) governmental benefits, except Medicare, as permitted by law.
- This term does not include individual or family: (a) insurance contracts; (b) subscriber contracts; (c) coverage through HMOs; or (d) coverage under other prepayment, group practice and individual practice plans. This term also does not include: (i) amounts of group hospital indemnity benefits of \$100.00 or less per day; (ii) blanket insurance contracts; (iii) franchise insurance contracts; or (iv) Medicare, Medicaid, and coverage under other governmental plans, unless permitted by law.
- This term also does not include any plan that this plan supplements. Plans that this plan supplements are named in the benefit description.
- Each type of coverage listed above is treated separately. If a plan has two parts and coordination of benefits applies only to one of the two, each of the parts is treated separately.

Definitions (Cont.)

Primary Plan This term means a plan that pays first without regard that another plan may cover some expenses. A plan is a primary plan if either of the following is true: (1) the plan either has no order of benefit determination rules, or its rules differ from those explained in this section; or (2) all plans that cover the person use the order of benefit determination rules explained in this section, and under those rules the plan pays its benefits first.

Secondary Plan This term means a plan that is not a primary plan.

This Plan This term means the group health benefits, except prescription drug and vision coverage, if any, provided under this group plan.

Order Of Benefit Determination

The primary plan pays or provides its benefits as if the secondary plan or plans did not exist.

A plan may consider the benefits paid or provided by another plan to determine its benefits only when it is secondary to that other plan. If a person is covered by more than one secondary plan, the rules explained below decide the order in which secondary plan benefits are determined in relation to each other.

A plan that does not contain a coordination of benefits provision is always primary.

When all plans have coordination of benefits provisions, the rules to determine the order of payment are listed below. The first of the rules that applies is the rule to use.

Non-Dependent Or Dependent The plan that covers the person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is primary. The plan that covers the person as a dependent is secondary.

But, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan that covers the person as a dependent; and primary to the plan that covers the person other than as a dependent (for example, as a retiree); then the order of payment between the two plans is reversed. In that case, the plan that covers the person as an employee, member, subscriber, or retiree is secondary and the other plan is primary.

Child Covered Under More Than One Plan The order of benefit determination when a child is covered by more than one plan is:

Order Of Benefit Determination (Cont.)

- (1) If the parents are married, or are not separated (whether or not they ever have been married), or a court decree awards joint custody without specifying that one party must provide health care coverage, the plan of the parent whose birthday is earlier in the year is primary. If both parents have the same birthday, the plan that covered either of the parents longer is primary. If a plan does not have this birthday rule, then that plan's coordination of benefits provision will determine which plan is primary.
- (2) If the specific terms of a court decree state that one of the parents must provide health care coverage and the plan of the parent has actual knowledge of those terms, that plan is primary. This rule applies to claim determination periods that start after the plan is given notice of the court decree.
- (3) In the absence of a court decree, if the parents are not married, or are separated (whether or not they ever have been married), or are divorced, the order of benefit determination is: (a) the plan of the custodial parent; (b) the plan of the spouse of the custodial parent; and (c) the plan of the noncustodial parent.

Active Or Inactive Employee The plan that covers a person as an active employee, or as that person's dependent, is primary. An active employee is one who is neither laid off nor retired. The plan that covers a person as a laid off or retired employee, or as that person's dependent, is secondary. If a plan does not have this rule and as a result the plans do not agree on the order of benefit determination, this rule is ignored.

Continuation Coverage The plan that covers a person as an active employee, member, subscriber, or retired employee, or as that person's dependent, is primary. The plan that covers a person under a right of continuation provided by federal or state law is secondary. If a plan does not have this rule and as a result the plans do not agree on the order of benefit determination, this rule is ignored.

Length Of Coverage The plan that covered the person longer is primary.

Other If the above rules do not determine the primary plan, the allowable expenses will be shared equally between the plans that meet the definition of plan under this section. But, this plan will not pay more than it would have had it been the primary plan.

Effect On The Benefits Of This Plan

When This Plan Is Primary When this plan is primary, its benefits are determined before those of any other plan and without considering any other plan's benefits.

When This Plan Is Secondary When this plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all plans during a claim determination period are not more than 100% of total allowable expenses. When the benefits of this plan are reduced, each benefit is reduced in proportion. It is then charged against the applicable benefit limit of this plan.

If the primary plan is an HMO and an HMO member has elected to have health care services provided by a non-HMO provider, coordination of benefits will not apply between that plan and this plan.

Right To Receive And Release Needed Information

Certain facts about health care coverage and services are needed to apply these rules and to determine benefits payable under this plan and other plans. This plan may get the facts it needs from, or give them to, other organizations or persons to apply these rules and determine benefits payable under this plan and other plans which cover the person claiming benefits. This plan need not tell, or get the consent of, any person to do this. Each person claiming benefits under this plan must provide any facts it needs to apply these rules and determine benefits payable.

Facility Of Payment

A payment made under another plan may include an amount that should have been paid by this plan. If it does, this plan may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid by this plan. This plan will not have to pay that amount again.

As used here, the term "payment made" includes the reasonable cash value of any benefits provided in the form of services.

Right Of Recovery

If the amount of the payments made by this plan is more than it should have paid under this section, it may recover the excess: (a) from one or more of the persons it has paid or for whom it has paid; or (b) from any other person or organization that may be responsible for benefits or services provided for the covered person.

As used here, the term "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

STATEMENT OF ERISA RIGHTS

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. You should review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions By Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement Of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Statement of Erisa Rights (Cont.)

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Qualified Medical Child Support Order

Federal law requires that group health plans provide medical care coverage of a dependent child pursuant to a qualified medical child support order (QMCSO). A "qualified medical child support order" is a judgment or decree issued by a state court that requires a group medical plan to provide coverage to the named dependent child(ren) of an employee pursuant to a state domestic relations order. For the order to be qualified it must include:

- The name of the group health plan to which it applies.
- The name and last known address of the employee and the child(ren).
- A reasonable description of the type of coverage or benefits to be provided by the plan to the child(ren).
- The time period to which the order applies.

A dependent enrolled due to a QMCSO will not be considered a late enrollee in the plan.

Note: A QMCSO cannot require a group health plan to provide any type or form of benefit or option not otherwise available under the plan except to the extent necessary to meet medical child support laws described in Section 90 of the Social Security Act.

If you have questions about this statement, see the plan administrator.

Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA").

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit. A failure to cover an item or service: (a) due to the application of any utilization review; or (b) because the item or service is determined to be experimental or investigational, or not medically necessary or appropriate, is also considered an adverse determination.

"Group Health Benefits" means any dental, out-of-network point-of-service medical, major medical, vision care or prescription drug coverages which are a part of this plan.

"Pre-service claim" means a claim for a medical care benefit with respect to which the plan conditions receipt of the benefit, in whole or in part, on approval of the benefit in advance of receipt of care.

"Post-service claim" means a claim for payment for medical care that already has been provided.

"Urgent care claim" means a claim for medical care or treatment where making a non-urgent care decision: (a) could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function, as determined by an individual acting on behalf of the plan applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine; or (b) in the opinion of a physician with knowledge of the claimant's medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care.

Note: Any claim that a physician with knowledge of the claimant's medical condition determines is a claim involving urgent care will be treated as an urgent care claim for purposes of this section.

Timing For Initial Benefit Determination The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Group Health Benefits Claims Procedure (Cont.)

Urgent Care Claims. Guardian will make a benefit determination within 72 hours after receipt of an urgent care claim.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 24 hours after receipt of the claim. The claimant will be given not less than 48 hours to provide the specified information.

Guardian will notify the claimant of the benefit determination as soon as possible but not later than the earlier of:

- the date the requested information is received; or
- the end of the period given to the claimant to provide the specified additional information.

The required notice may be provided to the claimant orally within the required time frame provided that a written or electronic notification is furnished to the claimant not later than 3 days after the oral notification.

Pre-Service Claims. Guardian will provide a benefit determination not later than 15 days after receipt of a pre-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 5 days after receipt of the claim. A notification of a failure to follow proper procedures for pre-service claims may be oral, unless a written notification is requested by the claimant.

The time period for providing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 15-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Post-Service Claims. Guardian will provide a benefit determination not later than 30 days after receipt of a post-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Group Health Benefits Claims Procedure (Cont.)

Concurrent Care Decisions. A reduction or termination of an approved ongoing course of treatment (other than by plan amendment or termination) will be regarded as an adverse benefit determination. This is true whether the treatment is to be provided(a) over a period of time; (b) for a certain number of treatments; or (c) without a finite end date. Guardian will notify a claimant at a time sufficiently in advance of the reduction or termination to allow the claimant to appeal.

In the case of a request by a claimant to extend an ongoing course of treatment involving urgent care, Guardian will make a benefit determination as soon as possible but no later than 24 hours after receipt of the claim.

Adverse Benefit Determination

If a claim is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- reference to the specific plan provision(s) on which the determination is based;
- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
- a description of the plan's claim review procedures and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination;
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request;
- in the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request; and
- in the case of an urgent care adverse determination, a description of the expedited review process.

Appeal of Adverse Benefit Determinations

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

Life And Accidental Death And Dismemberment Insurance Claims Procedure

Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the *plan* with respect to claims.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA"):

- (a) If a claim is wholly or partially denied, the claimant will be notified of the decision within 90 days after Guardian received the claim.
- (b) If special circumstances require an extension of time for processing the claim, written notice of the extension shall be furnished to the claimant prior to the termination of the initial 90-day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which The Guardian expects to render the final decision.
- (c) If a claim is denied, Guardian will provide a notice that will set forth:
 - (1) the specific reason(s) the claim was denied;
 - (2) specific references to the pertinent *plan* provision on which the denial is based;
 - (3) a description of any additional material or information needed to make the claim valid, and an explanation of why the material or information is needed;
 - (4) an explanation of the *plan's* claim review procedure.

A claimant must file a request for review of a denied claim within 60 days after receipt of written notification of denial of a claim.

- (d) Guardian will notify the claimant of its decision within 60 days of receipt of the request for review. If special circumstances require an extension of time for processing, The Guardian will render a decision as soon as possible, but no later than 120 days after receiving the request. The Guardian will notify the claimant about the extension.

If you apply for an extension of life insurance benefits due to total disability under an Extended Life Benefit under this plan, these claim procedures will apply to such request:

Life And Accidental Death And Dismemberment Insurance Claims Procedure (Cont.)

Timing For Initial Benefit Determination Guardian will make a determination of whether you meet the plan's standard for total disability not later than 45 days after the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies you before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies you, the time period for making a benefit determination may be extended for an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision, and the additional information needed to resolve those issues.

If you fail to provide all information needed to make a benefit determination, Guardian will notify you of the specific information that is needed as soon as possible but no later than 45 days after receipt of your application for an extension of benefits.

If Guardian extends the time period for making a benefit determination due to your failure to submit information necessary to make the determination, you will be given at least 45 days to provide the requested information. The extension period will begin on the date on which you respond to the request for additional information.

If an application for an extension of benefits is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- reference to the specific *plan* provision(s) on which the determination is based;
- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
- a description of the plan's claim review procedures and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request.

Appeals of Adverse Determinations If an application is denied, you will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify you of its decision regarding review of an appeal as follows:

Guardian will notify you of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.
