## VISION INSURANCE: PROCEDURES FOR VISION CLAIMS

If You reside in Texas, note the following Procedures for Vision Claims will be followed:

### Routine Questions on Vision Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-855-METEYE1.

### Claim Denial Appeals

If a claim is denied in whole or in part, under the terms of this certificate, a request may be submitted to Us by a Covered Person or a Covered Person's authorized representative for a full review of the denial. A Covered Person may designate any person, including their provider, as their authorized representative. References in this section to "Covered Person" include the Covered Person's authorized representative, where applicable.

**Initial Appeal.** All requests for review must be made within one hundred eighty (180) calendar days following denial of a claim. A Covered Person may review, during normal business hours, any documents used by Us pertinent to the denial. A Covered Person may also submit Written comments or supporting documentation concerning the claim to assist in Our review. Our response to the initial appeal, including specific reasons for the decision, shall be communicated to the Covered Person within thirty (30) calendar days after receipt of the request for the appeal.

**Second Level Appeal.** If a Covered Person disagrees with the response to the initial appeal of the denied claim, the Covered Person has the right to a second level appeal. A request for a second level appeal must be submitted to Us within sixty (60) calendar days after receipt of Our response to the initial appeal. We shall communicate Our final determination to the Covered Person within thirty (30) calendar days from receipt of the request, or as required by any applicable state or federal laws or regulations. Our communication to the Covered Person shall include the specific reasons for the determination.

**Other Remedies.** When a Covered Person has completed the appeals stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Additional information is available from the U.S. Department of Labor or the insurance regulatory agency for the Covered Persons' state of residency. Additionally, under the provisions of ERISA (Section 502(a)(1)(B) 29 U.S.C. 1132(a)(1)(B)), the Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed. ERISA remedies may apply in those instances where the claims were not approved in whole or in part as the result of appeals under this Policy and the Covered Person disagrees with the outcome of such appeals.

**Time of Action.** No action in law or in equity shall be brought to recover on this Policy prior to the Covered Person exhausting his/her rights under this Policy and/or prior to the expiration of sixty (60) calendar days after the claim and any applicable documentation has been filed with Us. No such action shall be brought after the expiration of any applicable statute of limitations, in accordance with the terms of this Policy. No such action shall be brought after the expiration of three (3) years from the last date that the claim and any applicable invoices were submitted to Us, and no such action shall be brought at all unless brought within three (3) years from the expiration of the time within which such materials are required to be submitted in accordance with the terms of this Policy.

**Insurance Fraud:** Any Covered Person who intends to defraud, knowingly facilitates a fraud, submits a claim containing false or deceptive information, or who commits any other similar act as defined by applicable state or federal law, is guilty of insurance fraud. Such an act is grounds for immediate termination of the coverage under this Policy of the Covered Person committing such fraud.

## NOTICE FOR RESIDENTS OF THE STATE OF CALIFORNIA

California law provides that for vision insurance, domestic partners of California's residents must be treated the same as spouses. If the certificate does not already have a definition of domestic partner, then the following definition applies:

**"Domestic Partner** means each of two people, one of whom is an employee of the Employer, a resident of California and who have registered as domestic partners or members of a civil union with the California or another government recognized by California as having similar requirements.

For purposes of determining who may become a Covered Person, the term does not include any person who:

- is in the military of any country or subdivision of a country;
- is insured under the Group Policy as an employee."

If the certificate already has a definition of domestic partner, that definition will apply to California residents, as long as it recognizes as a domestic partner any person registered as the employee's domestic partner with the California government or another government recognized by California as having similar requirements.

Wherever the term Spouse appears, except in the definition of Spouse, it shall be replaced by Spouse or Domestic Partner.

Wherever the term step-child appears, it is replaced by step-child or child of Your Domestic Partner.

## NOTICE FOR RESIDENTS OF UTAH

### Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - \$500,000 in death benefits
  - \$200,000 in cash surrender or withdrawal values
- Health Insurance
  - \$500,000 in hospital, medical and surgical insurance benefits
  - \$500,000 in long-term care insurance benefits
  - \$500,000 in disability income insurance benefits
  - \$500,000 in other types of health insurance benefits
- Annuities
  - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at [www.utlifega.org](http://www.utlifega.org) or contact:

## CIVIL UNION NOTICE FOR RESIDENTS OF VERMONT

Vermont law provides that the following definitions apply to your certificate:

- Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a Civil Union established according to Vermont law.
- Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union established according to Vermont law.
- Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a Civil Union established according to Vermont law.
- "Dependent" includes a spouse, a party to a Civil Union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- "Child" includes a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- "Civil Union" means a civil union established pursuant to Act 91 of the 2000 Vermont Legislative Session, entitled "Act Relating to Civil Unions".

All references in this notice to Civil Unions are limited to Civil Unions in which the parties are residents of Vermont.

If dependent insurance for a spouse and/or child is not provided under your certificate, such insurance is not added by virtue of this notice.

For purposes of dependent insurance, any person who meets the definition of "dependent" as set forth in this notice is required to meet all other applicable requirements in order to qualify for such insurance.

This notice does not limit any definitions or terms included in your certificate. It broadens definitions and terms only to the extent required by Vermont law.

### **DISCLOSURE:**

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to life and health insurance that are available to married persons under federal law may not be available to parties to a Civil Union. For example, a federal law, the Employee Retirement Income Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a Civil Union in an ERISA employee benefit plan. However, governmental employers (not federal government) are required to provide life and health benefits to the dependents of a party to a Civil Union if the public employer provides such benefits to dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of insurance premiums. As a result, parties to a Civil Union and their families may or may not have access to certain benefits under this notice and the certificate to which it is attached that derive from federal law. You are advised to seek expert advice to determine your rights under this notice and the certificate to which it is attached.

ERISA remedies may apply in those instances where the claims were not approved in whole or in part as the result of appeals under this Policy and the Covered Person disagrees with the outcome of such appeals.

**Time of Action.** No action in law or in equity shall be brought to recover on this Policy prior to the Covered Person exhausting his/her rights under this Policy and/or prior to the expiration of sixty (60) calendar days after the claim and any applicable documentation has been filed with Us. ## **CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT**

### **FOR MENTALLY OR PHYSICALLY HANDICAPPED CHILDREN**

Insurance for a Dependent Child may be continued past the age limit if the child is incapable of self-sustaining employment because of a mental or physical handicap as defined by applicable law. Proof of such handicap must be sent to Us within 31 days after the date the Child attains the age limit and at reasonable intervals after such date.

Subject to the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS, insurance will continue while such Child:

- remains incapable of self-sustaining employment because of a mental or physical handicap; and
- continues to qualify as a Child, except for the age limit.

### **FOR FAMILY AND MEDICAL LEAVE**

Certain leaves of absence may qualify for continuation of insurance under the Family and Medical Leave Act of 1993 (FMLA), or other legally mandated leave of absence or similar laws. Please contact the Employer for information regarding such legally mandated leave of absence laws.

### **COBRA CONTINUATION FOR VISION INSURANCE**

**The following applies to employers with 20 or more employees that are not church or government plans:**

If Vision Insurance for You or a Dependent ends, You or Your Dependent may qualify for continuation of such insurance under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA). Please refer to the COBRA section of Your summary plan description or contact the Employer for information regarding continuation of insurance under COBRA.

### **AT THE EMPLOYER'S OPTION**

The Employer has elected to continue insurance by paying premiums for employees who cease Active Work in an eligible class for any of the reasons specified below. If Your insurance is continued, insurance for Your Dependents may also be continued. You will be notified by the Employer how much You will be required to contribute.

Insurance will continue for the following periods:

1. for the period You cease Active Work in an eligible class due to layoff up to 2 months.
2. for the period You cease Active Work in an eligible class due to injury or sickness up to 9 months.
3. for the period You cease Active Work in an eligible class due to any other Employer approved leave of absence up to 2 months.

At the end of any of the continuation periods listed above, Your insurance will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be insured under the Group Policy;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the DATE YOUR INSURANCE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOU.

If Your insurance ends, Your Dependents' insurance will also end in accordance with the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS.

## **VISION INSURANCE**

Benefits are available for Covered Services and Materials provided by either In-Network Vision Providers or Out-of-Network Vision Providers. However, You may be able to reduce Your out-of-pocket costs by using In-Network Vision Providers because Out-of-Network Vision Providers have not entered into an agreement to limit their charges. You are always free to receive services from any Vision Provider. You do not need any authorization from Us before seeing a Vision Provider.

In-Network Vision Providers have agreed to provide Covered Services and Materials as listed in the SCHEDULE OF BENEFITS.

If You or a Dependent incur a charge for Covered Services and Materials from an Out-of-Network Vision Provider, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

The benefits available under this Vision Insurance are set forth on the SCHEDULE OF BENEFITS. In addition to the Co-Payment, if applicable, You may be responsible for:

- the cost of any services or materials that are not Covered Services and Materials; and
- the cost of any service or material that is in excess of the Maximum Benefit Allowance listed on the SCHEDULE OF BENEFITS.

We do not provide vision services. Whether or not benefits are available for a particular service does not mean You should or should not receive the service. You and Your Vision Provider have the right and are responsible at all times for choosing the course of treatment and services to be performed.

When requesting Covered Services and Materials from an In-Network Vision Provider, We recommend that You confirm that the Vision Provider is currently an In-Network Vision Provider at the time that the Covered Services and Materials are provided.

You can obtain a customized listing of MetLife's In-Network Vision Providers either by calling 1-855-METEYE1 or by visiting Our website at [www.metlife.com/mybenefits](http://www.metlife.com/mybenefits).

### **PLAN BENEFITS**

We will pay benefits for charges incurred by You or a Dependent for Covered Services and Materials as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

If You receive Covered Services and Materials from an In-Network Vision Provider, We will pay the provider directly for all covered benefits.

If You or a Dependent receive Covered Services and Materials from an Out-of-Network Vision Provider, and You assign payment of Vision Insurance benefits to Your or Your Dependent's Vision Provider, We will pay benefits directly to the Vision Provider. Otherwise, We will pay Vision Insurance benefits to You.

#### **In-Network**

If Covered Services and Materials are provided by an In-Network Vision Provider, We will base the benefit on the Plan Benefits listed on the SCHEDULE OF BENEFITS.

If an In-Network Vision Provider provides Covered Services and Materials, You will be responsible for paying:

- the Co-Payment, if applicable; and
- the cost of any service or material that is in excess of the Plan Benefits listed on the SCHEDULE OF BENEFITS.

#### **Out-of-Network**

If Covered Services and Materials are provided by an Out-of-Network Vision Provider, We will base the benefit on the Plan Benefits listed on the SCHEDULE OF BENEFITS, subject to the Maximum Benefit Allowance.

## **VISION INSURANCE (continued)**

Out-of-Network Vision Providers may charge You more than the Maximum Benefit Allowance. If an Out-of-Network Vision Provider provides Covered Services and Materials, You will be responsible for paying any amount in excess of the Maximum Benefit Allowance charged by the Out-of-Network Vision Provider.

### **Necessary Contact Lenses**

19. Services and materials obtained while outside the United States, except for emergency vision care.
20. Services, procedures, or materials for which a charge would not have been made in the absence of insurance.

## VISION INSURANCE: COORDINATION OF BENEFITS

When You or a Dependent incur charges for Covered Services and Materials, there may be other Plans, as defined below, that also provide benefits for those same charges. In that case, We may reduce what We pay based on what the other Plans pay. This Coordination of Benefits section explains how and when We do this.

### DEFINITIONS

In this section, the terms set forth below have the following meanings:

**Allowable Expense** means a necessary vision expense for which both of the following are true:

- a Covered Person must pay it, and
- it is at least partly covered by one or more of the Plans that provide benefits to the Covered Person.

If a Plan provides fixed benefits for specified events or conditions (instead of benefits based on expenses incurred) such benefits are Allowable Expenses.

If a Plan provides benefits in the form of services, We treat the reasonable cash value of each service performed as both an Allowable Expense and a benefit paid by that Plan.

#### **The term does not include:**

- expenses for services performed because of a Job-Related Injury or Sickness;
- any amount of expenses in excess of the higher reasonable and customary fee for a service, if two or more Plans compute their benefit payments on the basis of reasonable and customary fees;
- any amount of expenses in excess of the higher negotiated fee for a service, if two or more Plans compute their benefit payments on the basis of negotiated fees; and
- any amount of benefits that a Primary Plan does not pay because the covered person fails to comply with the Primary Plan's managed care or utilization review provisions, these include provisions requiring:
  - second surgical opinions;
  - pre-certification of services;
  - use of providers in a Plan's network of providers; or
  - any other similar provisions.

If You or a Dependent are also covered under an HMO plan, We will not use this provision to refuse to pay benefits because an HMO member has elected to have vision services provided by a non-HMO provider and the HMO's contract does not require the HMO to pay for providing those services.

**Claim Determination Period** means a calendar year or plan year. A Claim Determination Period for any Covered Person will not include periods of time during which that person is not covered under This Plan.

**Custodial Parent** means a Parent awarded custody, other than joint custody, by a court decree. In the absence of a court decree, it means the Parent with whom the child resides more than half of the Year without regard to any temporary visitation.

**HMO** means a Health Maintenance Organization or Vision Health Maintenance Organization.

**Job-Related Injury or Sickness** means any injury or sickness:

- for which You are entitled to benefits under a workers' compensation or similar law, or any arrangement that provides for similar compensation; or
- arising out of employment for wage or profit.

**Parent** means a person who covers a child as a dependent under a Plan.

## VISION INSURANCE: COORDINATION OF BENEFITS (continued)

**Plan** means any of the following if it provides benefits or services for an Allowable Expense:

- a group insurance plan;
- an HMO;
- uninsured arrangements of group or group type coverage;
- a group practice plan;
- a group service plan;
- a group prepayment plan;
- any other plan that covers people as a group;
- any other coverage required or provided by any law or any governmental program, except Medicaid.

**The term does not include any of the following:**

- individual or family insurance or subscriber contracts;
- individual or family coverage through closed panel Plans or other prepayment, group practice or individual practice Plans;
- hospital indemnity coverage;
- disability income protection coverage;
- accident only coverage;
- specified disease or specified accident coverage;
- nursing home or long term care coverage; or
- any government program or coverage if, by state or Federal law, its benefits are excess to those of any private insurance plan or other non-government plan.

The provisions of This Plan which limit benefits based on benefits or services provided under Plans which the employer, Policyholder (or an affiliate) contributes to or sponsors will not be affected by these Coordination of Benefits provisions.

Each policy, contract or other arrangement for benefits is a separate Plan. If part of a Plan reserves the right to reduce what it pays based on benefits or services provided by other Plans, that part will be treated separately from any parts which do not.

**This Plan** means the vision benefits described in this certificate, except for any provisions in this certificate that limit insurance based on benefits for services provided under plans which the Policyholder (or an affiliate) contributes to or sponsors.

**Primary Plan** means a Plan that pays its benefits first under the “Rules to Decide Which Plan Is Primary” section. A Primary Plan pays benefits as if the Secondary Plans do not exist.

**Secondary Plan** means a Plan that is not a Primary Plan. A Secondary Plan may reduce its benefits by amounts payable by the Primary Plan. If there are more than two Plans that provide coverage, a Plan may be Primary to some plans, and Secondary to others.

### RULES TO DECIDE WHICH PLAN IS PRIMARY

When more than one Plan covers the person for whom Allowable Expenses were incurred, We determine which plan is primary by applying the rules in this section.

## VISION INSURANCE: COORDINATION OF BENEFITS (continued)

When there is a basis for claim under This Plan and another Plan, This Plan is Secondary unless:

- the other Plan has rules coordinating its benefits with those of This Plan; and
- this Plan is primary under This Plan's rules.

The first rule below which will allow Us to determine which Plan is Primary is the rule that We will use.

**Dependent or Non-Dependent:** A Plan that covers a person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is Primary and shall pay its benefits before a Plan that covers the person as a dependent; except that if the person is a Medicare beneficiary and, as a result of federal law or regulations, Medicare is:

- Secondary to the Plan covering the person as a dependent; and
- Primary to the Plan covering the person as other than a dependent (e.g., a retired employee),

then the order of benefits between the two Plans is reversed and the Plan that covers the person as a dependent is Primary.

**Child Covered Under More Than One Plan – Court Decree:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, and the specific terms of a court decree state that one of the Parents must provide health coverage or pay for the Child's health care expenses, that Parent's Plan is Primary if the Plan has actual knowledge of those terms. This rule applies to Claim Determination Periods that start after the Plan is given notice of the court decree.

**Child Covered Under More Than One Plan – The Birthday Rule:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, the Primary Plan is the Plan of the Parent whose birthday falls earlier in the Year if:

- the Parents are married; or
- the Parents are not separated (whether or not they have ever married); or
- a court decree awards joint custody without specifying which Parent must provide health coverage.

If both Parents have the same birthday, the Plan that covered either of the Parents longer is the Primary Plan.

However, if the other Plan does not have this rule, but instead has a rule based on the gender of the parent, and if as a result the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

**Child Covered Under More than One Plan – Custodial Parent:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, if the Parents are not married, or are separated (whether or not they ever married), or are divorced, the Primary Plan is:

- the Plan of the Custodial Parent; then
- the Plan of the spouse of the Custodial Parent; then
- the Plan of the non-custodial Parent; and then
- the Plan of the spouse of the non-custodial Parent.

**Active or Inactive Employee:** A Plan that covers a person as an employee who is neither laid off nor retired is Primary to a Plan that covers the person as a laid-off or retired employee (or as that person's Dependent). If the other Plan does not have this rule and, if as a result, the Plans do not agree on the order of benefits, this rule is ignored.

## **VISION INSURANCE: COORDINATION OF BENEFITS (continued)**

**Continuation Coverage:** The Plan that covers a person as an active employee, member or subscriber (or as that employee's Dependent) is Primary to a Plan that covers that person under a right of continuation pursuant to federal law (e.g., COBRA) or state law. If the Plan that covers the person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule shall not apply.

**Longer/Shorter Time Covered:** If none of the above rules determine which Plan is Primary, the Plan that has covered the person for the longer time shall be Primary to a Plan that has covered the person for a shorter time.

**No Rules Apply:** If none of the above rules determine which Plan is Primary, the Allowable Expenses shall be shared equally between all the Plans. In no event will This Plan pay more than it would if it were Primary.

### **EFFECT ON BENEFITS OF THIS PLAN**

If This Plan is Secondary, when the total Allowable Expenses incurred by a covered person in any Claim Determination Period are less than the sum of:

- the benefits that would be payable under This Plan without applying this Coordination of Benefits provision; and
- the benefits that would be payable under all other Plans without applying Coordination of Benefits or similar provisions;

then We will reduce the benefits that would otherwise be payable under This Plan. The sum of these reduced benefits plus all benefits payable for such Allowable Expenses under all other Plans will not exceed the total of the Allowable Expenses. Benefits payable under all other Plans include all benefits that would be payable if the proper claims had been made on time.

### **FACILITY OF PAYMENT**

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, We may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes benefits provided in the form of services, in which case We may pay the reasonable cash value of the benefits provided in the form of services.

### **RIGHT OF RECOVERY**

If the amount We pay is more than We should have paid under this Coordination of Benefits provision, We may recover the excess from one or more of:

- the person We have paid or for whom We have paid;
- insurance companies; or
- other organizations.

The amount of the payment includes the reasonable cash value of any benefits provided in the form of services.

## **VISION INSURANCE: FILING A CLAIM**

### **CLAIMS FOR VISION INSURANCE**

If you select an Out-of-Network Vision Provider, You may provide full payment to the Out-of-Network Vision Provider at the time of service and submit the invoice including an itemized statement of charges with Your claim form, or You may be able to assign the claim to the Out-of-Network Vision Provider. If the Out-of-Network Vision Provider accepts the assignment, the provider will submit the claim on your behalf. You will be responsible for any charges not covered by the Plan.

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-855-METEYE1.

### Claim Denial Appeals

If a claim is denied in whole or in part, under the terms of this certificate, a request may be submitted to Us by a Covered Person or a Covered Person's authorized representative for a full review of the denial. A Covered Person may designate any person, including their provider, as their authorized representative. References in this section to "Covered Person" include the Covered Person's authorized representative, where applicable.

**Initial Appeal.** All requests for review must be made within one hundred eighty (180) calendar days following denial of a claim. A Covered Person may review, during normal business hours, any documents used by Us pertinent to the denial. A Covered Person may also submit Written comments or supporting documentation concerning the claim to assist in Our review. Our response to the initial appeal, including specific reasons for the decision, shall be communicated to the Covered Person within thirty (30) calendar days after receipt of the request for the appeal.

**Second Level Appeal.** If a Covered Person disagrees with the response to the initial appeal of the denied claim, the Covered Person has the right to a second level appeal. A request for a second level appeal must be submitted to Us within sixty (60) calendar days after receipt of Our response to the initial appeal. We shall communicate Our final determination to the Covered Person within thirty (30) calendar days from receipt of the request, or as required by any applicable state or federal laws or regulations. Our communication to the Covered Person shall include the specific reasons for the determination.

**Other Remedies.** When a Covered Person has completed the appeals stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Additional information is available from the U.S. Department of Labor or the insurance regulatory agency for the Covered Persons' state of residency. Additionally, under the provisions of ERISA (Section 502(a)(1)(B) 29 U.S.C. 1132(a)(1)(B)), the Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed. ERISA remedies may apply in those instances where the claims were not approved in whole or in part as the result of appeals under this Policy and the Covered Person disagrees with the outcome of such appeals.

**Time of Action.** No action in law or in equity shall be brought to recover on this Policy prior to the Covered Person exhausting his/her rights under this Policy and/or prior to the expiration of sixty (60) calendar days after the claim and any applicable documentation has been filed with Us. No such action shall be brought after the expiration of any applicable statute of limitations, in accordance with the terms of this Policy. No such action shall be brought after the expiration of three (3) years from the last date that the claim and any applicable invoices were submitted to Us, and no such action shall be brought at all unless brought within three (3) years from the expiration of the time within which such materials are required to be submitted in accordance with the terms of this Policy.

**Insurance Fraud:** Any Covered Person who intends to defraud, knowingly facilitates a fraud, submits a claim containing false or deceptive information, or who commits any other similar act as defined by applicable state or federal law, is guilty of insurance fraud. Such an act is grounds for immediate termination of the coverage under this Policy of the Covered Person committing such fraud.

### ELIGIBILITY FOR PARTICIPATION; DESCRIPTION OR SUMMARY OF BENEFITS

Your MetLife certificate describes the eligibility requirements for insurance provided by MetLife under the Plan. It also includes a detailed description of the insurance provided by MetLife under the Plan.

**The following applies to employers with 20 or more employees that are not church or government plans:**

**NOTICE OF YOUR RIGHT AND YOUR DEPENDENTS' RIGHT TO COBRA CONTINUATION COVERAGE**

COBRA is a federal law that requires most group health plans to give their employees and their dependents the opportunity to continue coverage when coverage is terminated due to certain specific events. If your employment terminates for any reason other than your gross misconduct, or if your hours worked are reduced so that your coverage terminates, you and your covered dependents may be able to continue coverage under This Plan for a period of up to 18 months. If it is determined under the terms of the Social Security Act that You or your covered dependent is disabled within the first 60 days of COBRA coverage, you and your covered dependents may be able to continue your vision coverage under This Plan for an additional 11 months after the expiration of the 18 month period. In addition, if you should die, become divorced or legally separated, or become eligible for Medicare, your covered dependents may be able to continue coverage under This Plan for up to 36 months. Also, your covered children may be able to continue coverage under This Plan for up to 36 months after they no longer qualify as covered dependents under the terms of This Plan. Group health plans for employers with fewer than 20 employees, church plans, and plans established and maintained by the federal government are not subject to COBRA continuation requirements.

During the continuation period, a child of yours that is (1) born; (2) adopted by you; or (3) placed with you for adoption, will be treated as if the child were a covered dependent at the time coverage was lost due to an event described above.

This continuation will terminate on the earliest of:

- a. the end of the 18, 29 or 36 month continuation period, as the case may be;
- b. the date of expiration of the last period for which the required payment was made;
- c. the date, after you or your covered dependent elects to continue coverage, that you or your covered dependent first becomes covered under another group health plan as long as the new plan does not contain any exclusion or limitation with respect to your or your covered dependent's preexisting condition;
- d. the date your employer ceases to provide any group health plan for its employees.

Notice will be given when you or your covered dependent becomes entitled to continue coverage under This Plan. You or your covered dependent will then have 60 days to elect to continue coverage. If you or your covered dependent do not notify your Employer within the 60-day election period, you will lose the option to elect continuation coverage.

Each person who is eligible for COBRA coverage is entitled to make a separate election of COBRA coverage. Thus, a covered spouse (as defined by federal law) or dependent child (or parent on their behalf) is entitled to elect COBRA coverage even if the covered Employee does not make that election. However, covered Employees may elect COBRA coverage on behalf of their covered dependents. Any person who elects to continue coverage under This Plan must pay the full cost of that coverage (including both the share you now pay and the share your Employer now pays), plus any additional amounts permitted by law. Your payments for continued coverage must be made on the first day of each month in advance.

If you do not elect COBRA coverage, your vision coverage will end. However, if you initially waive COBRA continuation coverage before the end of the 60-day election period, you may change your election by sending the completed election form to the Plan Administrator and postmarking it no later than the last day of the 60-day election period.

## **If You Elect Cobra**

If you choose COBRA coverage and pay the required premiums, you are entitled to coverage which, as of the time coverage is being provided, is identical to the coverage provided by the Employer to similarly situated active Employees, spouses or dependent children. This means that if the coverage for similarly situated Employees spouses or dependent children changes, coverage will change for those who elected COBRA coverage.

## **Duration Of Cobra Coverage**

The law requires that you be given the opportunity to maintain COBRA coverage for 36 months from the date coverage ends as a result of the qualifying event unless you lost coverage because of the covered Employee's termination of employment or reduction in hours. In that case, the required COBRA coverage period is 18 months from the date you lose coverage as a result of the termination of employment or reduction in hours. However, the 18-month coverage period may be extended under the following circumstances:

**Disability.** If any person entitled to COBRA coverage (the covered Employee, covered spouse or covered dependent child) is determined by the Social Security Administration to have been disabled at any time during the first 60 days of COBRA coverage period and the disability lasts at least until the end of the 18 month period of continuation coverage, then all such persons entitled to elect COBRA coverage may be able to continue coverage for up to 29 months, rather than 18 months.

In order to be eligible for the additional 11 months of COBRA coverage, the covered Employee, covered spouse or covered dependent child must notify the Employer's COBRA Administrator within 60 days of the **latest** of: (1) the Social Security Administration's determination of disability; (2) the date of the qualifying event; (3) the date on which the covered Employee's coverage initially was or will be lost; or (4) the date a person entitled to COBRA coverage is informed of this obligation by being provided the initial COBRA notice for the applicable group health plan. Written notice to the COBRA Administrator must be received before the end of the initial 18-month coverage period. A copy of the Social Security Administration's determination must be provided to the COBRA Administrator. **If these procedures are not followed, there will be no disability extension of COBRA.**

During the additional 11 months of coverage, your cost for that coverage will be approximately 50% higher than it was during the preceding 18 months.

The additional 11 months of coverage provided on account of a disability will end as of the earlier of:

- The first day of the month beginning more than 30 days after a final determination by the Social Security Administration that the disability no longer exists; or
- The last day of the 29th month of total coverage.

A person entitled to COBRA coverage must notify the COBRA Administrator within 30 days if the Social Security Administration determines that the disabled person is no longer disabled. This Plan reserves the right to retroactively cancel COBRA coverage, and will require reimbursement of all benefits paid for claims incurred after coverage terminates.

**Subsequent Qualifying Events.** If, during the 18-month period of COBRA coverage (or within the 29-month maximum coverage period in the case of a disability extension), the covered Employee and the spouse divorce, the covered Employee dies, the covered Employee becomes entitled to Medicare, or a dependent ceases to be an eligible dependent under the terms of This Plan, then the covered spouse and/or covered dependent child(ren) (as applicable) may be able to extend COBRA coverage for up to 36 months from the date of the termination of employment or reduction in hours.

A person entitled to COBRA coverage must notify the Employer's COBRA Administrator of the subsequent event no later than 60 days after its occurrence. If such notification is not given, the covered spouse and/or covered dependent child will not be entitled to the additional COBRA coverage.

### **Premiums For Cobra Coverage**

A person entitled to COBRA coverage is entirely responsible for paying the premiums for COBRA coverage. The required payment for each continuation coverage period for each option will be described in the notice that is sent when an individual experiences a qualifying event.

### **Initial Premium Payment**

If continuation of coverage is elected, payment for continuation coverage must be made no later than 45 days after the date of such election. (This is the date the election notice is post-marked, if mailed.) If the first payment for continuation coverage is not made in full by the 45th day after the date of election, continuation coverage under This Plan will end. A person entitled to COBRA coverage is responsible for making sure that the amount of the first payment is correct.

After the first payment for continuation coverage, the amount due for each coverage period for each qualified beneficiary will be provided when coverage is elected.

### **PLAN TERMINATION OR CHANGES**

Written notice of termination must be given to the Employer at least 31 days prior to the date such insurance will be terminated.

Premiums are due and payable on the first day of each month for which insurance coverage is to be provided. If a payment is not received within 31 days after the due date, coverage will terminate as follows:

- a. with respect to coverages other than Life Insurance and Accidental Death or Dismemberment Insurance - on the earlier of the 31st day following the due date and the date requested in writing by the Employer, provided such request is made before such 31st day; and
- b. with respect to Life Insurance and Accidental Death or Dismemberment Insurance -- on the later of the 31st day following the due date and the date MetLife's written notice of termination is received by the Employer.

The Employer is liable to MetLife for payment of the pro-rata premium which accrues while any coverage remains in force.

The group policy sets forth those situations in which the Employer and/or MetLife have the right to end the policy.

The Employer reserves the right to change or terminate the Plan at any time. Therefore, there is no guarantee that you will be eligible for the benefits described herein for the duration of your employment. Any such action will be taken only after careful consideration.

Your consent or the consent of your beneficiary is not required to terminate, modify, amend, or change the Plan.

In the event Your coverage ends in accord with the Date Your Insurance Ends provision of Your certificate, you may still be eligible to receive benefits. The circumstances under which benefits are available are described in Your MetLife certificate.

## **Claim Denial Appeals**

If a claim is denied in whole or in part, under the terms of this certificate, a request may be submitted to Us by a Covered Person or a Covered Person's authorized representative for a full review of the denial. A Covered Person may designate any person, including their provider, as their authorized representative. References in this section to "Covered Person" include the Covered Person's authorized representative, where applicable.

**Initial Appeal.** All requests for review must be made within one hundred eighty (180) calendar days following denial of a claim. A Covered Person may review, during normal business hours, any documents used by Us pertinent to the denial. A Covered Person may also submit Written comments or supporting documentation concerning the claim to assist in Our review. Our response to the initial appeal, including specific reasons for the decision, shall be communicated to the Covered Person within thirty (30) calendar days after receipt of the request for the appeal.

**Second Level Appeal.** If a Covered Person disagrees with the response to the initial appeal of the denied claim, the Covered Person has the right to a second level appeal. A request for a second level appeal must be submitted to Us within sixty (60) calendar days after receipt of Our response to the initial appeal. We shall communicate Our final determination to the Covered Person within thirty (30) calendar days from receipt of the request, or as required by any applicable state or federal laws or regulations. Our communication to the Covered Person shall include the specific reasons for the determination.

**Other Remedies.** When a Covered Person has completed the appeals stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Additional information is available from the U.S. Department of Labor or the insurance regulatory agency for the Covered Persons' state of residency. Additionally, under the provisions of ERISA (Section 502(a)(1)(B) 29 U.S.C. 1132(a)(1)(B)), the Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed. ERISA remedies may apply in those instances where the claims were not approved in whole or in part as the result of appeals under this Policy and the Covered Person disagrees with the outcome of such appeals.

**Time of Action.** No action in law or in equity shall be brought to recover on this Policy prior to the expiration of sixty (60) calendar days after the claim and any applicable documentation has been filed with Us. No such action shall be brought after the expiration of any applicable statute of limitations from the time Written Proof of loss is required to be given.

**Insurance Fraud:** Any Covered Person who intends to defraud, knowingly facilitates a fraud, submits a claim containing false or deceptive information, or who commits any other similar act as defined by applicable state or federal law, is guilty of insurance fraud. Such an act is grounds for immediate termination of the coverage under this Policy of the Covered Person committing such fraud.

#### **Discretionary Authority of Plan Administrator and Other Plan Fiduciaries**

In carrying out their respective responsibilities under the Plan, the Plan administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

#### **STATEMENT OF ERISA RIGHTS**

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

##### **Receive Information About Your Plan and Benefits**

Examine, without charge, at the Plan administrator's office and at other specified locations, all Plan documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the Plan administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan administrator is required by law to furnish each participant with a copy of this summary annual report.

## **Continue Group Vision Plan Insurance**

Continue vision insurance for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

## **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

## **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

## **Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan administrator, you should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.

## **FUTURE OF THE PLAN**

It is hoped that This Plan will be continued indefinitely, but Bates Batteries reserves the right to change or terminate the Plan in the future. Any such action would be taken only after careful consideration.

## **Uniformed Services Employment And Reemployment Rights Act**

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

### **Continuation of Group Vision Insurance:**

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your vision insurance coverage under your employer’s group vision insurance policy ends, you may elect to continue vision insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for vision insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total Vision insurance premium, including any amount that your employer was paying before the leave began.

You and your covered dependents insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have Vision insurance coverage under your employer’s group vision insurance policy pursuant to USERRA. Contact your employer for more information.
