

## ACCIDENT ADVANTAGE

### Accidents happen. Help make sure your employees are prepared.

Peace of mind doesn't happen by accident. It occurs when your employees have a plan that helps protect them in the event of the unexpected — such as a fall on the front steps or when a child gets hurt at soccer. But when an injury does occur, you can help them stay in control of the costs with Aflac Accident Advantage.

Now they can focus on recovery instead of bills—at no direct cost to your business.

Even if your employees have medical insurance, they may still have out-of-pocket expenses such as deductibles, co-pays and other costs. Aflac Accident Advantage pays cash benefits directly to them<sup>1</sup> that they can use for any expense, from groceries to bills. Best of all, it comes from Aflac, a name families have trusted for more than 60 years.

#### In addition to delivering cash benefits, Aflac offers:

- **One Day Pay**™, only from Aflac<sup>2</sup>
- **Cash benefits** paid directly to your employees to use as they see fit
- **Portable** – Employees can take the plan with them wherever they go
- **A wellness benefit** they can use for routine, preventative care
