## Dental Claims Provisions

---

Your right to make a claim for any dental benefits provided by this *plan*, is governed as follows:

**Notice** You must send us written notice of an *injury* or *sickness* for which a claim is being made within 20 days of the date the *injury* occurs or the *sickness* starts. This notice should include your name and *plan* number. If the claim is being made by one of your covered dependents, his or her name should also be noted.

**Proof Of Loss** We'll furnish you with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the *injury* or *sickness* that is the basis of the claim as proof of loss. You must detail the nature and extent of the loss for which the claim is being made. You must send us written proof within 90 days of the loss.

**Late Notice Of Proof** We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible.

**Payment Of Benefits** We'll pay all dental benefits to which you're entitled as soon as we receive written proof of loss.

We pay all dental benefits to you, if you're living. If you're not living, we have the right to pay all dental benefits to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; (e) your brothers and sisters; and (f) any unpaid provider of health care services.

When you file proof of loss, you may direct us, in writing, to pay dental benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell you that a particular provider must provide such care. And you may not assign your right to take legal action under this *plan* to such provider.

**Limitations Of Actions** You can't bring a legal action against this *plan* until 60 days from the date you file proof of loss. And you can't bring legal action against this *plan* after six years from the date proof of loss is required to be filed.

**Workers' Compensation** The dental benefits provided by this *plan* are not in place of, and do not affect requirements for coverage by Workers' Compensation.

**An Important Notice About Continuation Rights**

## YOUR CONTINUATION RIGHTS

---

---

### Federal Continuation Rights

---

**Important Notice** This notice contains important information about the right to continue group dental coverage. In addition to the continuation rights described below, other health coverage alternatives may be available through states' Health Insurance Marketplaces. Please read the information contained in this notice very carefully.

This section applies only to any dental, out-of-network point-of-service medical, major medical, prescription drug or vision coverages which are part of this plan. In this section, these coverages are referred to as "group health benefits."

This section does not apply to any coverages which apply to loss of life, or to loss of income due to disability. These coverages can not be continued under this section.

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this plan as: (a) an active, covered employee; (b) the spouse of an active covered employee; or (c) the dependent child of an active, covered employee. A child born to, or adopted by, the covered employee during a continuation period is also a qualified continuee. Any other person who becomes covered under this plan during a continuation provided by this section is not a qualified continuee.

**Conversion** Continuing the group health benefits does not stop a qualified continuee from converting some of these benefits when continuation ends. But, conversion will be based on any applicable conversion privilege provisions of this plan in force at the time the continuation ends.

**If Your Group Health Benefits End** If your group health benefits end due to your termination of employment or reduction of work hours, you may elect to continue such benefits for up to 18 months, if you were not terminated due to gross misconduct.

The continuation: (a) may cover you or any other qualified continuee; and (b) is subject to "When Continuation Ends".

**Extra Continuation for Disabled Qualified Continuees** If a qualified continuee is determined to be disabled under Title II or Title XVI of the Social Security Act on or during the first 60 days after the date his or her group health benefits would otherwise end due to your termination of employment or reduction of work hours, and such disability lasts at least until the end of the 18 month period of continuation coverage, he or she or any member of that person's family who is a qualified continuee may elect to extend his or her 18 month continuation period explained above for up to an extra 11 months.

## Federal Continuation Rights (Cont.)

---

To elect the extra 11 months of continuation, a qualified continuee must give your employer written proof of Social Security's determination of the disabled qualified continuee's disability as described in "The Qualified Continuee's Responsibilities". If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify your employer within 30 days of such determination, and continuation will end, as explained in "When Continuation Ends."

This extra 11 month continuation is subject to "When Continuation Ends".

An additional 50% of the total premium charge also may be required from all qualified continuees who are members of the disabled qualified continuee's family by your employer during this extra 11 month continuation period, provided the disabled qualified continuee has extended coverage.

**If Your Marriage Ends** If your marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

**If a Dependent Child Loses Eligibility** If a dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this plan, other than your coverage ending, he or she may elect to continue such benefits. However, such dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to "When Continuation Ends".

**Concurrent Continuations** If a dependent elects to continue his or her group health benefits due to your termination of employment or reduction of work hours, the dependent may elect to extend his or her 18 month or 29 month continuation period to up to 36 months, if during the 18 month or 29 month continuation period, the dependent becomes eligible for 36 months of continuation due to any of the reasons stated above.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

## Federal Continuation Rights (Cont.)

---

**Special Medicare Rule** If you become entitled to Medicare before a termination of employment or reduction of work hours, a special rule applies for a dependent. The continuation period for a dependent, after your later termination of employment or reduction of work hours, will be the longer of: (a) 18 months (29 months if there is a disability extension) from your termination of employment or reduction of work hours; or (b) 36 months from the date of your earlier entitlement to Medicare. If Medicare entitlement occurs more than 18 months before termination of employment or reduction of work hours, this special Medicare rule does not apply.

**The Qualified Continuee's Responsibilities** A person eligible for continuation under this section must notify your employer, in writing, of: (a) your legal divorce or legal separation from your spouse; (b) the loss of dependent eligibility, as defined in this plan, of an insured dependent child; (c) a second event that would qualify a person for continuation coverage after a qualified continuee has become entitled to continuation with a maximum of 18 or 29 months; (d) a determination by the Social Security Administration that a qualified continuee entitled to receive continuation with a maximum of 18 months has become disabled during the first 60 days of such continuation; and (e) a determination by the Social Security Administration that a qualified continuee is no longer disabled.

Notice of an event that would qualify a person for continuation under this section must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date on which an event that would qualify a person for continuation under this section occurs; (b) the date on which the qualified continuee loses (or would lose) coverage under this plan as a result of the event; or (c) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice.

Notice of a disability determination must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date of the Social Security Administration determination; (b) the date of the event that would qualify a person for continuation; (c) the date the qualified continuee loses or would lose coverage; or (d) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice. But such notice must be given before the end of the first 18 months of continuation coverage.

## All Options

**Your Employer's Responsibilities** A qualified continuee must be notified, in writing, of: (a) his or her right to continue this plan's group health benefits; (b) the premium he or she must pay to continue such benefits; and (c) the times and manner in which such payments must be made.

Your employer must give notice of the following qualifying events to the plan administrator within 30 days of the event: (a) your death; (b) termination of employment (other than for gross misconduct) or reduction in hours of employment; (c) Medicare entitlement; or (d) if you are a retired employee, a bankruptcy proceeding under Title 11 of the United States Code with respect to the employer. Upon receipt of notice of a qualifying event from your employer or from a qualified continuee, the plan administrator must notify a qualified continuee of the right to continue this plan's group health benefits no later than 14 days after receipt of notice.

If your employer is also the plan administrator, in the case of a qualifying event for which an employer must give notice to a plan administrator, your employer must provide notice to a qualified continuee of the right to continue this plan's group health benefits within 44 days of the qualifying event.

If your employer determines that an individual is not eligible for continued group health benefits under this plan, they must notify the individual with an explanation of why such coverage is not available. This notice must be provided within the time frame described above.

If a qualified continuee's continued group health benefits under this plan are cancelled prior to the maximum continuation period, your employer must notify the qualified continuee as soon as practical following determination that the continued group health benefits shall terminate.

**Your Employer's Liability** Your employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of, us, if: (a) he or she fails to remit a qualified continuee's timely premium payment to us on time, thereby causing the qualified continuee's continued group health benefits to end; or (b) he or she fails to notify the qualified continuee of his or her continuation rights, as described above.

**Election of Continuation** To continue his or her group health benefits, the qualified continuee must give your employer written notice that he or she elects to continue. This must be done by the later of: (a) 60 days from the date a qualified continuee receives notice of his or her continuation rights from your employer as described above; or (b) the date coverage would otherwise end. And the qualified continuee must pay his or her first premium in a timely manner.

The subsequent premiums must be paid to your employer, by the qualified continuee, in advance, at the times and in the manner specified by your employer. No further notice of when premiums are due will be given.

The premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed insured under the group plan on a regular basis. It includes any amount that would have been paid by your employer. Except as explained in "Extra Continuation for Disabled Qualified Continuees", an additional charge of two percent of the total premium charge may also be required by your employer.

## Federal Continuation Rights (Cont.)

---

If the qualified continuee fails to give your employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

**Grace in Payment of Premiums** A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified due date. If timely payment is made to the plan in an amount that is not significantly less than the amount the plan requires to be paid for the period of coverage, then the amount paid is deemed to satisfy the requirement for the premium that must be paid; unless your employer notifies the qualified continuee of the amount of the deficiency and grants an additional 30 days for payment of the deficiency to be made. Payment is calculated to be made on the date on which it is sent to your employer.

**When Continuation Ends** A qualified continuee's continued group health benefits end on the first of the following:

- (1) with respect to continuation upon your termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
- (2) with respect to a qualified continuee who has an additional 11 months of continuation due to disability, the earlier of: (a) the end of the 29 month period which starts on the date the group health benefits would otherwise end; or (b) the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that the disabled qualified continuee is no longer disabled under Title II or Title XVI of the Social Security Act;
- (3) with respect to continuation upon your death, your legal divorce, or legal separation, or the end of an insured dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
- (4) the date the employer ceases to provide any group health plan to any employee;
- (5) the end of the period for which the last premium payment is made;
- (6) the date, after the date of election, he or she becomes covered under any other group health plan which does not contain any pre-existing condition exclusion or limitation affecting him or her; or
- (7) the date, after the date of election, he or she becomes entitled to Medicare.

## Uniformed Services Continuation Rights

If you enter or return from military service, you may have special rights under this *plan* as a result of the Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA").

If your group health benefits under this *plan* would otherwise end because you enter into active military service, this *plan* will allow you, or your dependents, to continue such coverage in accord with the provisions of USERRA. As used here, "group health benefits" means any dental, out-of-network point-of service medical, major medical, prescription drug or vision coverages which are part of this *plan*.

Coverage under this plan may be continued while you are in the military for up to a maximum period of 24 months beginning on the date of absence from work. Continued coverage will end if you fail to return to work in a timely manner after military service ends as provided under USERRA. You should contact your employer for details about this continuation provision including required premium payments.

**Eligible Employees** To be eligible for *employee* coverage you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

If you initially waived dental coverage under this *plan* because you were covered under another group *plan*, and you now elect to enroll in the dental coverage under this *plan*, the Penalty for Late Entrants provision will not apply to you with regard to dental coverage provided your coverage under the other *plan* ends due to one of the following events: (a) termination of your spouse's employment; (b) loss of eligibility under your spouse's *plan*; (c) divorce; (d) death of your spouse; or (e) termination of the other *plan*.

**When Dependent Coverage Starts** In order for your dependent coverage to begin you must already be insured for employee coverage or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll your *initial dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, the dependent's coverage is scheduled to start on the later of the first of the month which coincides with or next follows your *eligibility date* and the date you become insured for employee coverage.

If you do this within the *enrollment period*, the coverage is scheduled to start on the date you become insured for employee coverage.

If you do this after the *enrollment period* ends, each of your *initial dependents* is a late entrant and is subject to any applicable late entrant penalties. The dependent's coverage is scheduled to start on the first of the month which coincides with or next follows the date you sign the enrollment form.

Once you have dependent coverage for your *initial dependents*, you must notify us when you acquire any new dependents and agree to make any additional payments required for their coverage.

**When Dependent Coverage Ends** Dependent coverage ends for all of your dependents when your coverage ends. But if you die while insured, we'll automatically continue dependent benefits for those of your dependents who were insured when you died. We'll do this for six months at no cost, provided: (a) the group plan remains in force; (b) the dependents remain *eligible dependents*; and (c) in the case of a spouse, the spouse does not remarry.

If a surviving dependent elects to continue his or her dependent benefits under this *plan's* "Federal Continuation Rights" provision, or under any other continuation provision of this *plan*, if any, this free continuation period will be provided as the first six months of such continuation. Premiums required to be paid by, or on behalf of a surviving dependent will be waived for the first six months of continuation, subject to restrictions (a), (b) and (c) above. After the first six months of continuation, the remainder of the continuation period, if any, will be subject to the premium requirements, and all of the terms of the "Federal Continuation Rights" or other continuation provisions.

Dependent coverage also ends for all of your dependents when you stop being a member of a class of *employees* eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all *employees* or for an *employee's* class.

If you are required to pay all or part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he or she stops being an *eligible dependent*. This happens to a child on the last day of the month in which the child attains this coverage's age limit. It happens to a spouse on the last day of the month in which a marriage ends in legal divorce or annulment.

Read this *plan* carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time.

**CERTIFICATE AMENDMENT**

---

This rider amends the "Dependent Coverage" provisions as follows:

An employee's domestic partner will be eligible for dental coverage under this plan. Coverage will be provided subject to all the terms of this plan and to the following limitations:

To qualify for such coverage, both the employee and his or her domestic partner must:

- be 18 years of age or older;
- be unmarried, constitute each other's sole domestic partner and not have had another domestic partner in the last 12 months;
- share the same permanent address for at least 12 consecutive months and intend to do so indefinitely;
- share joint financial responsibility for basic living expenses including food, shelter and medical expenses;
- not be related by blood to a degree that would prohibit marriage in the employee's state of residence; and
- be financially interdependent which must be demonstrated by at least four of the following:
  - a. ownership of a joint bank account;
  - b. ownership of a joint credit account;
  - c. evidence of a joint mortgage or lease;
  - d. evidence of joint obligation on a loan;
  - e. joint ownership of a residence;
  - f. evidence of common household expenses such as utilities or telephone;
  - g. execution of wills naming each other as executor and/or beneficiary;
  - h. granting each other durable powers of attorney;
  - i. granting each other health care powers of attorney;
  - j. designation of each other as beneficiary under a retirement benefit account; or
  - k. evidence of other joint financial responsibility.

The employee must complete a "Declaration of Domestic Partnership" attesting to the relationship.

The domestic partner's dependent children will be eligible for coverage under this plan on the same basis as if the children were the employee's dependent children.

## Certificate Amendment (Cont.)

---

Coverage for the domestic partner and his or her dependent children ends when the domestic partner no longer meets the qualifications of a domestic partner as indicated above. Upon termination of a domestic partnership, a "Statement of Termination" must be completed and filed with the employer. Once the employee submits a "Statement of Termination," he or she may not enroll another domestic partner for a period of 12 months from the date of the previous termination.

And, the domestic partner and his or her children will be not eligible for survivor benefits upon the employee's death as explained under the "When Dependent Coverage Ends" section.

This rider is part of this plan. Except as stated in this rider, nothing contained in this rider changes or affects any other terms of this plan.

## DENTAL EXPENSE INSURANCE

---

This insurance will pay many of a *covered person's* dental expenses. We pay benefits for covered charges incurred by a *covered person*. What we pay and terms for payment are explained below.

CGP-3-DG2000

B498.0007

### DentalGuard Preferred - This Plan's Dental Preferred Provider Organization

---

This *plan* is designed to provide high quality dental care while controlling the cost of such care. To do this, the *plan* encourages a *covered person* to seek dental care from *dentists* and dental care facilities that are under contract with *Guardian's dental preferred provider organization (PPO)*, which is called DentalGuard Preferred.

The dental PPO is made up of *preferred providers* in a covered person's geographic area. Use of the dental PPO is voluntary. A *covered person* may receive dental treatment from any dental provider he or she chooses. And he or she is free to change providers anytime.

This *plan* usually pays a higher level of benefits for covered treatment furnished by a *preferred provider*. Conversely, it usually pays less for covered treatment furnished by a *non-preferred provider*.

But, this *plan's* deductible amounts differ based upon whether a *covered person* uses the services of a *preferred provider* or a *non-preferred provider*. A *covered person* will usually be left with less out-of-pocket expense when a *preferred provider* is used.

When an *employee* enrolls in this *plan*, he or she and his or her dependents receive a dental plan ID card and information about current *preferred providers*.

A *covered person* must present his or her ID card when he or she uses a *preferred provider*. Most *preferred providers* prepare necessary claim forms for the *covered person*, and submit the forms to *us*. We send the *covered person* an explanation of this *plan's* benefit payments, but any benefit payable by us is sent directly to the *preferred provider*.

What we pay is based on all of the terms of this *plan*. Please read this *plan* carefully for specific benefit levels, deductibles, *payment rates* and *payment limits*.

A *covered person* may call the Guardian at the number shown on his or her ID card should he or she have any questions about this *plan*.

CGP-3-DGY2K-PPO

## Covered Charges

---

If a *covered person* uses the services of a *preferred provider*, covered charges are the charges listed in the fee schedule the *preferred provider* has agreed to accept as payment in full, for the dental services listed in this *plan's* List of Covered Dental Services.

If a *covered person* uses the services of a *non-preferred provider*, covered charges are reasonable and customary charges for the dental services listed in this *plan's* List of Covered Dental Services.

To be covered by this *plan*, a service must be: (a) necessary; (b) appropriate for a given condition; and (c) included in the List of Covered Dental Services.

We may use the professional review of a *dentist* to determine the appropriate benefit for a dental procedure or course of treatment.

By reasonable, we mean the charge is the *dentist's* usual charge for the service furnished. By customary, we mean the charge made for the given dental condition isn't more than the usual charge made by most other *dentists*. But, in no event will the covered charge be greater than the 90th percentile of the prevailing fee data for a particular service in a geographic area.

When certain comprehensive dental procedures are performed, other less extensive procedures may be performed prior to, at the same time or at a later date. For benefit purposes under this *plan*, these less extensive procedures are considered to be part of the more comprehensive procedure. Even if the *dentist* submits separate bills, the total benefit payable for all related charges will be limited to the maximum benefit payable for the more comprehensive procedure. For example, osseous surgery includes the procedure scaling and root planing. If the scaling and root planing is performed one or two weeks prior to the osseous surgery, we may only pay benefits for the osseous surgery.

We only pay benefits for covered charges incurred by a *covered person* while he or she is insured by this *plan*. A covered charge for a crown, bridge or cast restoration is incurred on the date the tooth is initially prepared. A covered charge for any other *dental prosthesis* is incurred on the date the first master impression is made. A covered charge for root canal treatment is incurred on the date the pulp chamber is opened. A covered charge for *orthodontic treatment* is incurred on the date the *active orthodontic appliance* is first placed. All other covered charges are incurred on the date the services are furnished. If a service is started while a *covered person* is insured, we'll only pay benefits for services which are completed within 31 days of the date his or her coverage under this *plan* ends.

### Alternate Treatment

If more than one type of service can be used to treat a dental condition, we have the right to base benefits on the least expensive service which is within the range of professionally accepted standards of dental practice as determined by *us*. For example, in the case of bilateral multiple adjacent teeth, or multiple missing teeth in both quadrants of an arch, the benefit will be based on a removable partial denture. In the case of a composite filling on a *posterior tooth*, the benefit will be based on the corresponding amalgam filling benefit.

---

### Proof Of Claim

So that *we* may pay benefits accurately, the *covered person* or his or her *dentist* must provide *us* with information that is acceptable to *us*. This information may, at *our* discretion, consist of radiographs, study models, periodontal charting, narratives or other diagnostic materials that document *proof of claim* and support the necessity of the proposed treatment. If *we* don't receive the necessary information, *we* may pay no benefits, or minimum benefits. However, if *we* receive the necessary information within 15 months of the date of service, *we* will redetermine the *covered person's* benefits based on the new information.

### Pre-Treatment Review

When the expected cost of a proposed course of treatment is \$300.00 or more, the *covered person's dentist* should send *us* a treatment plan before he or she starts. This must be done on a form acceptable to *Guardian*. The treatment plan must include: (a) a list of the services to be done, using the American Dental Association Nomenclature and codes; (b) the itemized cost of each service; and (c) the estimated length of treatment. In order to evaluate the treatment plan, dental radiographs, study models and whatever else will document the necessity of the proposed course of treatment, must be sent to *us*.

A treatment plan should always be sent to *us* before orthodontic treatment starts.

We review the treatment plan and estimate what we will pay. We will send the estimate to the covered person and/or the covered person's dentist. If the treatment plan is not consistent with accepted standards of dental practice, or if one is not sent to *us*, we have the right to base our benefit payments on treatment appropriate to the covered person's condition using accepted standards of dental practice.

## Pre-Treatment Review (Cont.)

---

The covered person and his or her dentist have the opportunity to have services or a treatment plan reviewed before treatment begins. Pre-treatment review is not a guarantee of what we will pay. It tells the covered person, and his or her dentist, in advance, what we would pay for the covered dental services listed in the treatment plan. But, payment is conditioned on: (a) the services being performed as proposed and while the covered person is insured; and (b) the deductible, payment rate and payment limits provisions, and all of the other terms of this plan.

Emergency treatment, oral examinations, evaluations, dental radiographs and teeth cleaning are part of a course of treatment, but may be done before the pre-treatment review is made.

We won't deny or reduce benefits if pre-treatment review is not done. But what we pay will be based on the availability and submission of proof of claim.

## Benefits From Other Sources

---

Other plans may furnish benefits similar to the benefits provided by this *plan*. For instance, you may be covered by this *plan* and a similar plan through your spouse's employer. You may also be covered by this *plan* and a medical plan. In such instances, we coordinate *our* benefits with the benefits from that other plan. *We* do this so that no one gets more in benefits than the charges he or she incurs. Read "Coordination of Benefits" to see how this works.

- All Group III Services.

During the first 24 months a late entrant is covered by this *plan*, we won't pay for the following services:

## The Benefit Provision - Qualifying For Benefits (Cont.)

---

Charges for the services we don't cover under this provision are not considered to be covered charges under this *plan*, and therefore can't be used to meet this *plan's* deductibles.

We don't apply a late entrant penalty to covered charges incurred for services needed solely due to an *injury* suffered by a *covered person* while insured by this *plan*.

A late entrant is a person who: (a) becomes covered by this dental *plan* more than 31 days after he or she is eligible; or (b) becomes covered again, after his or her coverage lapsed because he or she did not make required payments.

#### How We Pay Benefits For Group I, II And III Non-Orthodontic Services

There is no deductible for Group I services and for Group II and III services provided by a *preferred provider*. We pay for all Group I and for Group II and III PPO covered charges at the applicable *payment rate*.

A *benefit year* deductible of \$50.00 applies to Group II and III services provided by a *non-preferred provider*. Each *covered person* must have covered charges from these service groups which exceed the applicable deductible before we pay him or her any benefits for such charges. These charges must be incurred while the *covered person* is insured.

Once a *covered person* meets the deductible, we pay for his or her Group II and III Non-PPO covered charges above that amount at the applicable *payment rate* for the rest of that *benefit year*.

### **Rollover of Benefit Year Payment Limit for Group I, II and III Non-Orthodontic Services**

---

A *covered person* may be eligible for a rollover of a portion of his or her unused *benefit year* payment limit for Group I, II and III Non-Orthodontic Services, as follows:

If a *covered person* submits at least one claim for covered charges during a *benefit year* and, in that *benefit year*, receives benefits that are in excess of any deductible or co-pay fees, and that, in total, do not exceed the *Rollover Threshold*, he or she may be entitled to a *Reward*.

Note: If all of the benefits that a *covered person* receives in a *benefit year* are for services provided by a *preferred provider*, he or she may be entitled to a greater *Reward* than if any of the benefits are for services of a *non-preferred provider*.

*Rewards* can accrue and are stored in the *covered person's Bank*. If a *covered person* reaches his or her *benefit year* payment limit for Group I, II and III Non-Orthodontic Services, we pay benefits up to the amount stored in the *covered person's Bank*. The amount of *Reward* stored in the *Bank* may not be greater than the *Bank Maximum*.

A *covered person's Bank* may be eliminated, and the accrued *Reward* lost, if he or she has a break in coverage of any length of time, for any reason.

The amounts of this *plan's Rollover Threshold, Reward, and Bank Maximum* are:

- *Rollover Threshold* . . . . . \$500.00
- *Reward* (if all benefits are for services provided by a *preferred provider*) . . . . . \$350.00
- *Reward* (if any benefits are for services provided by a *non-preferred provider*) . . . . . \$250.00
- *Bank Maximum* . . . . . \$1,000.00

If this *plan's* dental coverage first becomes effective in October, November or December, this rollover provision will not apply until January 1 of the first full *benefit year*. And, if the effective date of a *covered person's* dental coverage is in October, November or December, this rollover provision will not apply to the covered person until January 1 of the next full *benefit year*. In either case:

- only claims incurred on or after January 1 will count toward the *Rollover Threshold*; and
- *Rewards* will not be applied to a *covered person's Bank* until the *benefit year* that starts one year from the date the rollover provision first applies.

## Rollover of Benefit Year Payment Limit for Group I, II and III Non-Orthodontic Services (Cont.)

---

If charges for any dental services are not payable for a *covered person* for a period set forth in the provision of this *plan* called Penalty for Late Entrants, this rollover provision will not apply to the *covered person* until the end of such period. And, if such period ends within the three months prior to the start of this *plan's* next *benefit year*, this rollover provision will not apply to the *covered person* until the next *benefit year*, and:

- only claims incurred on or after the start of the next *benefit year* will count toward the *Rollover Threshold*; and
- *Rewards* will not be applied to a *covered person's* *Bank* until the *benefit year* that starts one year from the date the rollover provision first applies.

Definitions of terms used in this provision:

"*Bank*" means the amount of a *covered person's* accrued *Reward* .

"*Bank Maximum*" means the maximum amount of *Reward* that a *covered person* can store in his or her *Bank*.

"*Reward*" means the dollar amount which may be added to a *covered person's* *Bank* when he or she receives benefits in a *benefit year* that do not exceed the *Rollover Threshold*.

"*Rollover Threshold*" means the maximum amount of benefits that a *covered person* can receive during a *benefit year* and still be entitled to receive a *Reward*.

#### How We Pay Benefits For Group IV Orthodontic Services

This *plan* provides benefits for Group IV orthodontic services only for covered dependent children who are less than 19 years old when the *active orthodontic appliance* is first placed.

We pay for Group IV covered charges at the applicable *payment rate*. There may be different *payment rates* which apply to covered charges for services from a *preferred provider* and a *non-preferred provider*.

Using the *covered person's* original treatment *plan*, we calculate the total benefit we will pay. We divide the benefit into equal payments, which we will spread out over the shorter of: (a) the proposed length of treatment; or (b) two years.

We make the initial payment when the *active orthodontic appliance* is first placed. We make further payments at the end of each subsequent three month period, upon receipt of verification of ongoing treatment. But, treatment must continue and the *covered person* must remain covered by this *plan*. We limit what we pay for orthodontic services to the lifetime payment of \$1,000.00. What we pay is based on all of the terms of this *plan*.

## The Benefit Provision - Qualifying For Benefits (Cont.)

---

We don't pay for orthodontic charges incurred by a *covered person* prior to being covered by this *plan*. We limit what we pay for *orthodontic treatment* started prior to a *covered person* being covered by this *plan* to charges determined to be incurred by the *covered person* while covered by this *plan*. Based on the original treatment *plan*, we determine the portion of charges incurred by the *covered person* prior to being covered by this *plan*, and deduct them from the total charges. What we pay is based on the remaining charges. We limit what we consider of the proposed treatment *plan* to the shorter of the proposed length of treatment, or two years from the date the *orthodontic treatment* started.

The benefits we pay for *orthodontic treatment* won't be charged against a *covered person's benefit year* payment limits that apply to all other services.

The negotiated discounted fees for orthodontics performed by a *preferred provider* include: (a) treatment *plan* and records, including initial, interim and final records; (b) orthodontic retention, including any and all necessary fixed and removable *appliances* and related visits; and (c) limited, interceptive and comprehensive *orthodontic treatment*, with associated: (i) fabrication and insertion of any and all fixed *appliances*; and (ii) periodic visits.

There is a separate negotiated discounted fee for *orthodontic treatment* which extends beyond 24 consecutive months.

The negotiated discounted fee for orthodontics performed by a *preferred provider* does not include: (a) any incremental charges for orthodontic *appliances* made with clear, ceramic, white lingual brackets or other optional material; (b) procedures, *appliances* or devices to guide minor tooth movement or to correct harmful habits; (c) retreatment of orthodontic cases, or changes in *orthodontic treatment* necessitated by any kind of accident; (d) replacement or repair of orthodontic *appliances* damaged due to the neglect of the patient; (e) orthognathic surgery and associated incremental charges; (f) extractions performed solely to facilitate *orthodontic treatment*; and (g) *orthodontic treatment* started before the member was eligible for orthodontic benefits under this *plan*.

Whether or not a charge is based on a discounted fee, it will be counted toward a *covered person's* orthodontic lifetime payment limit under this *plan*.

**CERTIFICATE AMENDMENT**

---

Effective on the latter of (i) the original effective date of the Policy; or (ii) the effective date of any applicable amendment requested by the Policyholder and approved by the Insurance Company, this rider amends the Dental Expense Insurance provisions of the Group Policy as follows:

The Alternate Treatment provision is changed to read as follows when titanium or high noble metal (gold) is used in a *dental prosthesis*.

If more than one type of service can be used to treat a dental condition, we have the right to base benefits on the least expensive service which is within the range of professionally accepted standards of dental practice as determined by us. For example, in the case of bilateral multiple adjacent missing teeth, or multiple missing teeth in both quadrants of an arch the benefit will be based on a removable partial denture. In the case of titanium or high noble metal (gold) used in a *dental prosthesis*, the benefit will be based on the noble metal benefit. In the case of a composite filling on a posterior tooth, the benefit will be based on the corresponding covered amalgam filling benefit.

This rider is part of the Policy. Except as stated in this rider, nothing contained in this rider changes or affects any other terms of this Policy.

## COORDINATION OF BENEFITS

---

**Important Notice** This section applies to all group health benefits under this plan; except prescription drug coverage, if any. It does not apply to any death, dismemberment, or loss of income benefits that may be provided under this plan.

**Purpose** When a covered person has health care coverage under more than one plan, this section allows this plan to coordinate what it pays with what other plans pay. This is done so that the covered person does not collect more in benefits than he or she incurs in charges.

---

### Definitions

**Allowable Expense** This term means any necessary, reasonable, and customary item of health care expense that is covered, at least in part, by any of the plans which cover the person. This includes: (a) deductibles; (b) coinsurance; and (c) copayments. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered an allowable expense and a benefit paid.

An expense or service that is not covered by any of the plans is **not** an allowable expense. Examples of other expenses or services that are **not** allowable expenses are:

- (1) If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is **not** an allowable expense. This does not apply if: (a) the stay in the private room is medically necessary in terms of generally accepted medical practice; or (b) one of the plans routinely provides coverage for private hospital rooms.
- (2) The amount a benefit is reduced by the primary plan because a person does not comply with the plan's provisions is **not** an allowable expense. Examples of these provisions are: (a) precertification of admissions and procedures; (b) continued stay reviews; and (c) preferred provider arrangements.
- (3) If a person is covered by two or more plans that compute their benefit payments on the basis of reasonable and customary charges, any amount in excess of the primary plan's reasonable and customary charges for a specific benefit is **not** an allowable expense.
- (4) If a person is covered by two or more plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the primary plan's negotiated fees for a specific benefit is **not** an allowable expense.

If a person is covered by one plan that computes its benefits or services on the basis of reasonable and customary charges and another plan that provides its benefits or services on the basis of negotiated fees, the primary plan's payment arrangements will be the allowable expense for all plans. However, if the provider has contracted with the secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the allowable expense used by the secondary plan to determine its benefit.

- Claim** This term means a request that benefits of a plan be provided or paid.
- Claim Determination Period** This term means a calendar year. It does not include any part of a year during which a person has no coverage under this plan, or before the date this section takes effect.
- Coordination Of Benefits** This term means a provision which determines an order in which plans pay their benefits, and which permits secondary plans to reduce their benefits so that the combined benefits of all plans do not exceed total allowable expenses.
- Custodial Parent** This term means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.
- Hospital Indemnity Benefits** This term means benefits that are not related to expenses incurred. This term does not include reimbursement-type benefits even if they are designed or administered to give the insured the right to elect indemnity-type benefits at the time of claim.
- Plan** This term means any of the following that provides benefits or services for health care or treatment: (1) group insurance and group subscriber contracts; (2) uninsured arrangements of group coverage; (3) group coverage through health maintenance organizations (HMOs) and other prepayment, group practice and individual practice plans; (4) amounts of group hospital indemnity benefits in excess of \$100.00 per day; (5) medical benefits under group or individual automobile contracts; and (6) governmental benefits, except Medicare, as permitted by law.
- This term does not include individual or family: (a) insurance contracts; (b) subscriber contracts; (c) coverage through HMOs; or (d) coverage under other prepayment, group practice and individual practice plans. This term also does not include: (i) amounts of group hospital indemnity benefits of \$100.00 or less per day; (ii) blanket insurance contracts; (iii) franchise insurance contracts; or (iv) Medicare, Medicaid, and coverage under other governmental plans, unless permitted by law.
- This term also does not include any plan that this plan supplements. Plans that this plan supplements are named in the benefit description.
- Each type of coverage listed above is treated separately. If a plan has two parts and coordination of benefits applies only to one of the two, each of the parts is treated separately.

## Definitions (Cont.)

---

**Primary Plan** This term means a plan that pays first without regard that another plan may cover some expenses. A plan is a primary plan if either of the following is true: (1) the plan either has no order of benefit determination rules, or its rules differ from those explained in this section; or (2) all plans that cover the person use the order of benefit determination rules explained in this section, and under those rules the plan pays its benefits first.

**Secondary Plan** This term means a plan that is not a primary plan.

**This Plan** This term means the group health benefits, except prescription drug coverage, if any, provided under this group plan.

## Order Of Benefit Determination

The primary plan pays or provides its benefits as if the secondary plan or plans did not exist.

A plan may consider the benefits paid or provided by another plan to determine its benefits only when it is secondary to that other plan. If a person is covered by more than one secondary plan, the rules explained below decide the order in which secondary plan benefits are determined in relation to each other.

A plan that does not contain a coordination of benefits provision is always primary.

When all plans have coordination of benefits provisions, the rules to determine the order of payment are listed below. The first of the rules that applies is the rule to use.

**Non-Dependent Or Dependent** The plan that covers the person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is primary. The plan that covers the person as a dependent is secondary.

But, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan that covers the person as a dependent; and primary to the plan that covers the person other than as a dependent (for example, as a retiree); then the order of payment between the two plans is reversed. In that case, the plan that covers the person as an employee, member, subscriber, or retiree is secondary and the other plan is primary.

**Child Covered Under More Than One Plan** The order of benefit determination when a child is covered by more than one plan is:

## Order Of Benefit Determination (Cont.)

---

- (1) If the parents are married, or are not separated (whether or not they ever have been married), or a court decree awards joint custody without specifying that one party must provide health care coverage, the plan of the parent whose birthday is earlier in the year is primary. If both parents have the same birthday, the plan that covered either of the parents longer is primary. If a plan does not have this birthday rule, then that plan's coordination of benefits provision will determine which plan is primary.
- (2) If the specific terms of a court decree state that one of the parents must provide health care coverage and the plan of the parent has actual knowledge of those terms, that plan is primary. This rule applies to claim determination periods that start after the plan is given notice of the court decree.
- (3) In the absence of a court decree, if the parents are not married, or are separated (whether or not they ever have been married), or are divorced, the order of benefit determination is: (a) the plan of the custodial parent; (b) the plan of the spouse of the custodial parent; and (c) the plan of the noncustodial parent.

**Active Or Inactive Employee** The plan that covers a person as an active employee, or as that person's dependent, is primary. An active employee is one who is neither laid off nor retired. The plan that covers a person as a laid off or retired employee, or as that person's dependent, is secondary. If a plan does not have this rule and as a result the plans do not agree on the order of benefit determination, this rule is ignored.

**Continuation Coverage** The plan that covers a person as an active employee, member, subscriber, or retired employee, or as that person's dependent, is primary. The plan that covers a person under a right of continuation provided by federal or state law is secondary. If a plan does not have this rule and as a result the plans do not agree on the order of benefit determination, this rule is ignored.

**Length Of Coverage** The plan that covered the person longer is primary.

**Other** If the above rules do not determine the primary plan, the allowable expenses will be shared equally between the plans that meet the definition of plan under this section. But, this plan will not pay more than it would have had it been the primary plan.

CGP-3-R-COB-05

---

**Effect On The Benefits Of This Plan**

**When This Plan Is Primary** When this plan is primary, its benefits are determined before those of any other plan and without considering any other plan's benefits.

**When This Plan Is Secondary** When this plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all plans during a claim determination period are not more than 100% of total allowable expenses. When the benefits of this plan are reduced, each benefit is reduced in proportion. It is then charged against the applicable benefit limit of this plan.

If the primary plan is an HMO and an HMO member has elected to have health care services provided by a non-HMO provider, coordination of benefits will not apply between that plan and this plan.

---

**Right To Receive And Release Needed Information**

Certain facts about health care coverage and services are needed to apply these rules and to determine benefits payable under this plan and other plans. This plan may get the facts it needs from, or give them to, other organizations or persons to apply these rules and determine benefits payable under this plan and other plans which cover the person claiming benefits. This plan need not tell, or get the consent of, any person to do this. Each person claiming benefits under this plan must provide any facts it needs to apply these rules and determine benefits payable.

---

**Facility Of Payment**

A payment made under another plan may include an amount that should have been paid by this plan. If it does, this plan may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid by this plan. This plan will not have to pay that amount again.

As used here, the term "payment made" includes the reasonable cash value of any benefits provided in the form of services.

---

**Right Of Recovery**

If the amount of the payments made by this plan is more than it should have paid under this section, it may recover the excess: (a) from one or more of the persons it has paid or for whom it has paid; or (b) from any other person or organization that may be responsible for benefits or services provided for the covered person.

As used here, the term "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

## STATEMENT OF ERISA RIGHTS

---

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

### Receive Information About Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

### Continue Group Health Plan Coverage

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. You should review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

### Prudent Actions By Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### Enforcement Of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

## Statement of Erisa Rights (Cont.)

---

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

### **Assistance with Questions**

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### **Qualified Medical Child Support Order**

Federal law requires that group health plans provide medical care coverage of a dependent child pursuant to a qualified medical child support order (QMCSO). A "qualified medical child support order" is a judgment or decree issued by a state court that requires a group medical plan to provide coverage to the named dependent child(ren) of an employee pursuant to a state domestic relations order. For the order to be qualified it must include:

- The name of the group health plan to which it applies.
- The name and last known address of the employee and the child(ren).
- A reasonable description of the type of coverage or benefits to be provided by the plan to the child(ren).
- The time period to which the order applies.

A dependent enrolled due to a QMCSO will not be considered a late enrollee in the plan.

Note: A QMCSO cannot require a group health plan to provide any type or form of benefit or option not otherwise available under the plan except to the extent necessary to meet medical child support laws described in Section 90 of the Social Security Act.

If you have questions about this statement, see the plan administrator.

## Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit. A failure to cover an item or service: (a) due to the application of any utilization review; or (b) because the item or service is determined to be experimental or investigational, or not medically necessary or appropriate, is also considered an adverse determination.

"Group Health Benefits" means any dental, out-of-network point-of-service medical, major medical, vision care or prescription drug coverages which are a part of this plan.

"Pre-service claim" means a claim for a medical care benefit with respect to which the plan conditions receipt of the benefit, in whole or in part, on approval of the benefit in advance of receipt of care.

"Post-service claim" means a claim for payment for medical care that already has been provided.

"Urgent care claim" means a claim for medical care or treatment where making a non-urgent care decision: (a) could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function, as determined by an individual acting on behalf of the plan applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine; or (b) in the opinion of a physician with knowledge of the claimant's medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care.

Note: Any claim that a physician with knowledge of the claimant's medical condition determines is a claim involving urgent care will be treated as an urgent care claim for purposes of this section.

**Timing For Initial Benefit Determination** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

## Group Health Benefits Claims Procedure (Cont.)

---

**Urgent Care Claims.** Guardian will make a benefit determination within 72 hours after receipt of an urgent care claim.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 24 hours after receipt of the claim. The claimant will be given not less than 48 hours to provide the specified information.

Guardian will notify the claimant of the benefit determination as soon as possible but not later than the earlier of:

- the date the requested information is received; or
- the end of the period given to the claimant to provide the specified additional information.

The required notice may be provided to the claimant orally within the required time frame provided that a written or electronic notification is furnished to the claimant not later than 3 days after the oral notification.

**Pre-Service Claims.** Guardian will provide a benefit determination not later than 15 days after receipt of a pre-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 5 days after receipt of the claim. A notification of a failure to follow proper procedures for pre-service claims may be oral, unless a written notification is requested by the claimant.

The time period for providing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 15-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Post-Service Claims.** Guardian will provide a benefit determination not later than 30 days after receipt of a post-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

## Group Health Benefits Claims Procedure (Cont.)

---

**Concurrent Care Decisions.** A reduction or termination of an approved ongoing course of treatment (other than by plan amendment or termination) will be regarded as an adverse benefit determination. This is true whether the treatment is to be provided(a) over a period of time; (b) for a certain number of treatments; or (c) without a finite end date. Guardian will notify a claimant at a time sufficiently in advance of the reduction or termination to allow the claimant to appeal.

In the case of a request by a claimant to extend an ongoing course of treatment involving urgent care, Guardian will make a benefit determination as soon as possible but no later than 24 hours after receipt of the claim.

### **Adverse Benefit Determination**

If a claim is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- reference to the specific plan provision(s) on which the determination is based;
- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
- a description of the plan's claim review procedures and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination;
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request;
- in the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request; and
- in the case of an urgent care adverse determination, a description of the expedited review process.

### **Appeal of Adverse Benefit Determinations**

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

A request for an appeal of an adverse benefit determination involving an urgent care claim may be submitted orally or in writing. Necessary information and communication regarding an urgent care claim may be sent to Guardian by telephone, facsimile or similar expeditious manner.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;

## Group Health Benefits Claims Procedure (Cont.)

---

- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision regarding review of an appeal as follows:

**Urgent Care Claims.** Guardian will notify the claimant of its decision as soon as possible but not later than 72 hours after receipt of the request for review of the adverse determination.

**Pre-Service Claims.** Guardian will notify the claimant of its decision not later than 30 days after receipt of the request for review of the adverse determination.

**Post-Service Claims.** Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination.

**Alternative Dispute Options** The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

### Incontestability

---

This Certificate is incontestable after two years from its date of issue, except for non-payment of premiums.

No statement in any application, except a fraudulent statement, made by You, or any dependent, will be used to contest the validity of Your insurance or to deny a claim for a loss incurred, or for a disability which starts, after such insurance has been in force for two years during Your lifetime.

If this Certificate replaces a plan Your Employer had with another insurer, We may rescind this Certificate based on misrepresentations or omissions made by Your Employer or You in a signed application for up to two years from the Effective Date of the Policy.

**ELIGIBILITY FOR GROUP TERM LIFE COVERAGE - EMPLOYEE COVERAGE**

---

---

**Conditions Of Eligibility**

Subject to the conditions of eligibility set forth below, and to all of the other conditions of this Certificate, You are eligible for Group Term Life coverage if You are:

- In an eligible class of Employees;
- An active Full time Employee;
- Legally working in the United States and/or Canada or working outside of the United States for a United States based Employer in a country or region approved by Us; and

You are **not** eligible for Group Term Life coverage if You are:

- A temporary or seasonal Employee.

**Enrollment Requirement** If You must pay all or part of the cost of Your coverage, We will not cover You until You enroll and agree to make the required payments.

**Proof Of Insurability** Part or all of Your insurance amounts may be subject to proof that You are insurable. The Schedule of Benefits explains if and when We require Proof of Insurability. You will not be covered for any amount that requires such Proof of Insurability until You provide such proof to Us and We approve it in writing.

**The Waiting Period** If You are in an eligible class, You are eligible for Group Term Life insurance under this Certificate after You complete the service waiting period, if any, established by the Employer.

**Multiple Employment** If You work for both the Employer and a covered associated company, or for more than one covered associated company, We will treat You as if only one firm employs You. You will not have multiple life insurance coverage under this Certificate. But, if this Certificate uses the amount of Your Insured Earnings to set the rates, determine class, figure insurance amounts, or for any other reason, such Insured Earnings will be figured as the sum of Your Insured Earnings from all covered Employers.

### When Coverage Starts

---

For coverage to start, You must be fully capable of performing the major duties of Your regular occupation for the Employer and working the minimum required number of hours of an Employee in Your eligible class at 12:01 A.M. Standard Time for Your place of residence on Your scheduled Eligibility Date. And, for coverage to start, You must satisfy all of the Conditions of Eligibility described above, and the conditions shown below which apply to You. If You are not fully capable of performing the major duties of Your regular occupation on Your scheduled Eligibility Date, We will postpone the start of Your coverage until You are so capable and working the minimum required number of hours of an Employee in Your eligible class for one full day, with the capacity to do so for one full week.

Your coverage is scheduled to start on Your Eligibility Date.

B400.3128

## All Options

**Exception to When Coverage Starts** Sometimes a scheduled Eligibility Date is not a regularly scheduled work day. If the scheduled Eligibility Date falls on:

- A holiday;

Your coverage will start on the scheduled Eligibility Date. However, any coverage or part of coverage for which You must elect and pay all or part of the cost, will not start if You are on an approved leave, layoff or absence and such coverage or part of coverage was not previously in force for You under a prior plan which this Certificate replaced.

Any part of Your coverage which is subject to Proof Of Insurability will not start unless You send such proof to Us, and We approve it in writing. Once We have approved it, that part of Your coverage is scheduled to start on Your approved Eligibility Date.

---

**Basic Term Life Insurance**

---

If You die while covered for Group Term Life insurance, We will pay Your beneficiary the amount shown in the Schedule Of Benefits.

**Payment Of Benefits** We will pay this insurance as soon as We receive written Proof of Loss as shown in the Claims Provisions section of this Certificate.

**The Beneficiary** You decide who receives this benefit when You die. Your beneficiary designation should be provided in a means acceptable by Us.

You can change Your beneficiary at any time by providing written notice; unless You have assigned this insurance. But, the change will not take effect until We or the Employer records the change.

We will not be liable for any amounts paid before receiving notice of a beneficiary change.

In no event may a beneficiary be changed by a Power of Attorney.

If You named more than one person as a primary beneficiary, but You do not specify what shares each such primary beneficiary is entitled to receive, We will divide the benefits equally among all such named primary beneficiaries who survive You. If someone You named as a primary beneficiary dies before You, that person's share will be divided equally by the primary beneficiaries still alive; unless You have specified otherwise.

If You have named a contingent beneficiary or contingent beneficiaries, We will pay Your contingent beneficiary or contingent beneficiaries, if no primary beneficiary survives You. If there is more than one contingent beneficiary who is eligible for benefits, We will divide the benefits equally among all such named contingent beneficiaries who survive You; unless You have specified otherwise.

We will recognize an assignee as the owner of the rights assigned only if:

- The assignment is in writing and signed by You; and
- A signed or certified copy of the written assignment has been received and approved by Us in writing.

Unless otherwise specified by You, the assignment shall take effect on the date the notice of assignment is signed by You, subject to any payments made or actions taken by Us prior to receipt of the notice.

The total repatriation benefit payable under Your life and AD&D contracts will not exceed \$5,000.

## CONVERTING THIS EMPLOYEE BASIC TERM LIFE INSURANCE

---

**If Employment Or Eligibility Ends**

Your group life insurance ends on the date:

- Your active Full-Time employment ends; or
- You stop being a member of an eligible class.

If Your group life insurance ends, Your Employer is responsible for providing You Notice of Your Right to Convert.

If You are not Totally Disabled, You can apply to convert Your Employee group basic life insurance to a permanent life insurance policy.

You can apply to convert up to the full amount of basic life insurance for which You were insured under this Certificate on the date Your insurance ended, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

**If This Certificate Ends Or Group Life Insurance Is Discontinued**

Your group life insurance also ends:

- If this Certificate ends; or
- Life insurance is discontinued from this Certificate for all Employees or for Your class.

If Your group life insurance ends for either of these reasons, You may apply to convert Your Employee group basic life insurance to a Converted Policy.

You can apply to convert to a permanent life insurance policy, if

- You are not Totally Disabled; and
- You have been insured by a Guardian group life insurance plan or a group plan it replaces for at least five consecutive years.

However, the amount of life insurance that You can convert in either scenario is limited to the lesser of:

- \$2,000, or
- The amount of Your basic life insurance under this Certificate, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

**If You Are Totally Disabled**

Your group life insurance ends on the date:

- Your active Full-Time employment ends;
- You stop being a member of an eligible class;
- This Certificate ends; or
- Life insurance is discontinued from this Certificate for all Employees or for Your class;

and

- You are Totally Disabled; and
- You are eligible for Waiver of Premium Benefits pursuant to the Waiver of Premium Benefit Rider, but You have not yet been approved for the Waiver of Premium of Benefit,

You can apply to convert Your group term life insurance to:

- A permanent life insurance policy; or
- Interim term life insurance coverage.

You can apply to convert up to the full amount of basic life insurance for which You are insured under this Certificate on the date Your insurance ends, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

However, if You have coverage under this Certificate's Exception to When Employee Coverage Starts, You may not convert if You are eligible or could become eligible under the prior plan's waiver of premium provision.

If You have converted and are later approved for this Certificate's Waiver of Premium Benefit, the Converted Policy will be cancelled as of the date You are approved for the Waiver of Premium Benefit. In this instance, Your coverage under this Certificate will continue subject to its terms, provided You remain eligible for the Waiver of Premium Benefit.

**Interim Term Life Insurance**

You may choose to apply to convert to interim term life insurance coverage if:

- You are Totally Disabled; and
- You may be eligible for Waiver of Premium Benefits based upon Your age, but You have not yet been approved for the Waiver of Premium Benefit.

If interim term life insurance coverage is issued to You, it can remain in force for up to one year from the date the interim term life insurance coverage goes into force and effect.

If You are approved for this Certificate's basic Waiver of Premium Benefit during this year, the interim term life insurance coverage will be cancelled as of the date that You are approved for the Waiver of Premium Benefit. In this instance, Your coverage under this Certificate will continue subject to its terms, provided You remain eligible for the Waiver of Premium Benefit. If You have not been approved for this Certificate's basic Waiver of Premium Benefit, the interim term life insurance coverage will end exactly one year from the first day said coverage goes into force and effect, and Your life insurance will be converted to a permanent life insurance policy. Premiums for the permanent life insurance policy will be based on Your age as of the date You convert from the interim term life insurance coverage.

If You are Totally Disabled, but You are not eligible for the Waiver of Premium Benefit based on Your age, You can apply to convert to a permanent life insurance policy.

**How and When to Convert** To obtain a Converted Policy, We must receive a written application fully completed by You, and all required premiums within the Conversion Period. Your Employer is responsible for providing You with Notice of Your Right to Convert within 15 days of the date Your group life insurance ends. We will not ask for proof that You are insurable. In order to obtain a Converted Policy, You must satisfy all conditions required to convert within the Conversion Period.

Coverage will begin under the Converted Policy when We receive:

- A written application fully completed by You; and
- All required premiums during the Conversion Period.

**Death During The Conversion Period** We will pay a death benefit equal to the amount of life insurance that could have been converted if:

- You die within the Conversion Period; and
- But for Your death, You would have been entitled to purchase a Converted Policy; and
- We receive Proof of Loss.

Any benefit payable under the group Certificate will be paid to the beneficiary You designate under the group Certificate. However, if the Converted Policy has already taken effect, any benefit payable under the Converted Policy will be paid to the beneficiary You designated for the individual life insurance on the application for conversion. Under no circumstances will a benefit be paid under both the group Certificate and the Converted Policy.

B400.3224

## All Options

**Portability And Conversion** If You choose to convert, this Certificate's portability privilege will not be available. In the event that a person would be eligible to both convert and to port, only one of these privileges may be chosen. Coverage under both a Conversion Policy and a portable certificate of coverage at the same time is not permitted. You should read the entire Certificate, as well as any related materials carefully before making a choice.

**Proof of Insurability** Depending on the coverage selected, or as otherwise required in this Certificate, You, Your Spouse and/or Dependents may be required to supply proof that the person applying for coverage is insurable for the amount and type of coverage selected. This requirement is called Proof of Insurability. For purposes of this section, any person applying for coverage requiring Proof of Insurability is referred to as "Applicant."

To determine if the Applicant is required to submit Proof of Insurability for the type and amount of coverage sought, please see below.

Any applicant required to submit Proof of Insurability is required to complete and submit to Us an Enrollment/Change form. We may also require the completion of additional forms so that We may determine whether the Applicant is insurable, according to Our underwriting standards for the amount and type of coverage applied for. To determine if the Applicant is insurable, We may also need to obtain and review the Applicant's

- Health and medical history;
- Prescription history;
- Records relating to treatment, diagnostic testing, hospitalization, and
- Records pertaining to Applicant's driving and motor vehicle history.

No coverage requiring Proof of Insurability will become effective unless and until it is approved by Us in writing. Our receipt of any premiums associated with coverage requiring Proof of Insurability does not waive or modify any requirement that must be satisfied for coverage to begin, including but not limited to the requirement that the Applicant submit Proof of Insurability. In the event that any premiums are overpaid, Our only obligation is to return the amount of overpaid premiums.

The Policyholder, or its designee, must give Us complete and accurate information so that we may determine:

- Who is insured;
- The type and amount of coverage for which someone is insured; and
- Any other information required so that Guardian may meet its obligations under the Policy.

**Proof Of Insurability Requirements**

Proof Of Insurability requirements apply to Basic Term Life Insurance. Such requirements may apply to the full insurance amount, or just part of it, as outlined below. When Proof Of Insurability requirements apply, it means You must submit to Us Proof that You are insurable, and We must approve the Proof in writing before the insurance, or the specified part becomes effective.

We require Proof of Insurability as follows:

If You:

- Do not meet this Policy's enrollment requirement within 30 days after You first become eligible; or
- Enroll after You previously had coverage which ended because You failed to make a required payment,

We will require that You provide Proof Of Insurability. And, You will not be covered until We approve that proof in writing.

If Your Active Full-Time Work ends before You meet any Proof Of Insurability requirements that apply You will still have to meet those requirements if You are later re-employed by the Employer or an associated company.

B400.4376

**Family Status Change** You may request a change to your Term Life Insurance coverage if you have experienced a Family Status Change.

A Family Status Change includes one or more of the following:

- Birth or adoption of a child;
- Your Spouse's termination of employment or a change in Your Spouse's employment that results in the loss of group coverage.

The term "marriage" may also refer to civil unions and domestic partnerships, as recognized by the jurisdiction in which You reside.

If a change in Family Status occurs, You may request an increase to Your Term Life Insurance amount or the addition of Employee term life for which You were not previously insured. You may also request an increase or the addition of dependent Spouse or dependent child Term Life Insurance for your living eligible dependents. You must provide proof of the Family Status Change and request the change to Your Term Life Insurance in writing within 31 days after the date of the Family Status Change as described below.

Proof Of Insurability is not required for the change to Term Life Insurance due to Family Status Change as long as the change to Your Term Life Insurance does not exceed the Proof of Insurability requirements as shown in the Schedule of Benefits. Refer to When Coverage Begins and When Dependent Coverage Begins in the Eligibility section of Your Certificate for information regarding when this coverage is effective.

**SUPPLEMENTAL RIDER - Waiver of Premium Benefit**

---

This Rider is effective as of the effective date of the Employee's Certificate. If this Rider is added to an inforce Certificate, the Rider becomes effective on its issue date. This Rider amends the Certificate by the addition of the following:

**Employee Basic Term Life Insurance  
Waiver Of Premium Benefit**

**Important Notice** This rider applies to Your Basic term life insurance. It does not apply to any of Your dependent life insurance under the Certificate. To continue dependent life insurance, You must convert Your dependent coverage. See "Converting This Dependent Term Life Insurance" for details.

**If You Are Disabled** If You are Totally Disabled, and meet the requirements in "How And When To Apply," We will extend Your Basic life insurance without payment of premiums from You or the Employer in an amount equal to the amount of Basic life insurance for which You are insured on Your last day of Active Work.

**How And When To Apply** To apply for this benefit, You must submit, while living, written medical proof of Your Total Disability satisfactory to Us within one year of the start of that disability. Any claim filed after one year from the start of Total Disability will be denied, unless We receive written proof that:

- You lacked the legal capacity to file the claim; or
- It was not reasonably possible for You to file the claim within the required period of time.

To be approved for this benefit, You must:

- Become Totally Disabled before You reach age 60 and while insured by the Certificate; and
- Remain Totally Disabled for at least 9 months in a row.

You should apply for this benefit immediately at the start of Your Total Disability.

**Continued Proof For Waiver of Premium Benefit** We may require written proof that You remain Totally Disabled and receive regular Doctor's care to maintain this benefit. This proof must be given to Us within 30 days of the date We request it.

We can also require that You take part in a medical assessment by a medical professional of Our choice as often as We feel is reasonably necessary during the first 2 years We have waived Your life insurance premiums pursuant to the Rider. After 2 years, We cannot have You examined more than once a year.

**Until You Have Been Approved For This Benefit** If Your life insurance under the Certificate ends after You have become Totally Disabled and applied for Waiver of Premium Benefits, but before We have approved You for this benefit, You may:

- Continue to pay your group premium payments, including any part which would have been paid by the Employer, until You are approved or declined for this benefit; or
- Apply to convert to an individual permanent or term life insurance policy.

Please read "Converting This Employee Basic Term Life Insurance" for details on how to convert.

Converting Your life insurance does not stop You from claiming Your rights under this section. But, if You apply to convert and obtain a policy, and We later approve You for this benefit, We will cancel the converted policy on the date We approve You for this Benefit. See "Converting This Employee Basic Term Life Insurance" for details on how We do this. Once You are approved for this benefit, Your insurance under the Certificate will be reinstated at no further cost to You or the Employer.

If You are declined for the Waiver of Premium benefit, You will have the option to apply to convert to an individual permanent or term life insurance policy. If You do not convert within 31 days of the date You are declined for the Waiver of Premium benefit, and You have not returned to Active Work, Your coverage will end.

**If the Certificate terminates before You are approved** If this group Certificate terminates and You are Totally Disabled and eligible, but not yet approved, for this Waiver of Premium benefit, You must apply to convert to an individual permanent or term policy, and remain insured under such policy until You are approved by Us for the Waiver of Premium benefit.

**When This Waiver Begins** Once approved by Us, Your Waiver of Premium benefit will be effective on the date following the day You have been Totally Disabled for 9 months in a row.

**When This Waiver Ends** Your Waiver of Premium benefit will end on the earliest of:

- The date You are no longer Totally Disabled;
- The date We ask You to be examined by Our Doctor, and You refuse;
- The date You do not give Us the proof of Total Disability We require;
- the date you have been out of the United States and/or Canada or a country or region approved by Us for more than 2 months in a 12 month period;
- The date You are no longer receiving regular Doctor's care appropriate to the cause of Your claimed Total Disability;
- The day before the date You reach age 65.

If Your Waiver of Premium Benefit ends and You do not return to Active Work, You will have the option to convert the Employee Basic life insurance that was in effect on the date the Waiver of Premium Benefit ends.

Please read "Converting This Employee Basic Term Life Insurance" for details on how to convert.

**If You Die While Covered By This Waiver of Premium Benefit**

If You die while covered for this benefit, We will pay Your beneficiary the amount of Basic life insurance for which You were insured as of Your last day of Active Full-Time Work. This payment is subject to all the terms of the Certificate and all reductions which would have applied had You remained an Active at Work Employee.

**If You Die Prior to Approval for This Waiver of Premium Benefit**

If You die prior to being approved for the Waiver of Premium Benefit and within 12 months of the onset date of Total Disability We'll pay Your beneficiary the amount for which You were covered as of Your last day of Active Full-Time Work, subject to all reductions which would have applied had You stayed an active Employee provided You:

- Were Totally Disabled, as defined by this Rider, through the date of death,
- Became Totally Disabled prior to age 60; and
- Became Totally Disabled while insured; and
- We received the required premiums for this coverage.

**Proof Of Death**

We will pay the term life insurance benefit as soon as We receive:

- Written proof of Your death; and
- Medical proof that You were continuously Totally Disabled until Your death.

This proof must be sent to Us within one year of Your date of death.

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement of Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

**Assistance with Questions** If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**Life Insurance Claims Procedure** If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

**Timing for Initial Benefit Determination of Life Insurance Claims** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

**Adverse Benefit  
Determination of  
Life Insurance  
Claims**

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures; and
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination.

**All Options**

**Appeals of Adverse  
Determinations of  
Life Insurance  
Claims**

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits; and
- Provide a statement describing any voluntary appeal procedures offered by the Plan, the claimant's right to obtain information about such procedures, and a statement that the claimant's right to bring an action under ERISA section 502(a).

**Waiver of Premium** If you apply for an extension of life insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

**Timing For Initial Benefit Determination for Waiver of Premium** The benefit determination period begins when claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Adverse Benefit Determination** If a claim for an extension of benefits is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

## All Options

**Appeals of Adverse Determinations for Waiver of Premium** If a claim for Waiver of Premium is denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;

- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- Provide a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, provide an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you, and vocational professionals who evaluated you;
- If applicable, provide an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, provide an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;

- Provide a statement describing the claimants right to bring a civil suit under Section 502(a) of the Employee Retirement Income Security Act of 1974 which shall also describe any applicable contractual limitations period that applies the claimant's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim, and;
- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

**Alternative Dispute Options** The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

In addition to any legal rights you may have under section 502(a), if you believe that we have violated ERISA's procedural requirements, you may request that we review any claimed violation(s) and we will respond to you within ten days.

**Proof of Insurability** Depending on the coverage selected, or as otherwise required in this Certificate, You, Your Spouse and/or Dependents may be required to supply proof that the person applying for coverage is insurable for the amount and type of coverage selected. This requirement is called Proof of Insurability. For purposes of this section, any person applying for coverage requiring Proof of Insurability is referred to as "Applicant."

To determine if the Applicant is required to submit Proof of Insurability for the type and amount of coverage sought, please see below.

Any applicant required to submit Proof of Insurability is required to complete and submit to Us an Enrollment/Change form. We may also require the completion of additional forms so that We may determine whether the Applicant is insurable, according to Our underwriting standards for the amount and type of coverage applied for. To determine if the Applicant is insurable, We may also need to obtain and review the Applicant's health and medical history; prescription history; records relating to treatment, diagnostic testing, hospitalization and the like; and records pertaining to Applicant's driving and motor vehicle history.

No coverage requiring Proof of Insurability will become effective unless and until it is approved by Us in writing. Our receipt of any premiums associated with coverage requiring Proof of Insurability does not waive or modify any requirement that must be satisfied for coverage to begin, including but not limited to the requirement that the Applicant submit Proof of Insurability. In the event that any premiums are overpaid, Our only obligation is to return the amount of overpaid premiums.

The Policyholder, or its designee, must give Us complete and accurate information so that we may determine:

- Who is insured;
- The type and amount of coverage for which someone is insured; and
- Any other information required so that Guardian may meet its obligations under the Policy.

**Proof Of Insurability Requirements**

Proof Of Insurability requirements apply to Basic Accidental Death and Dismemberment Insurance. Such requirements may apply to the full insurance amount, or just part of it, as outlined below. When Proof Of Insurability requirements apply, it means You must submit to Us Proof that You are insurable, and We must approve the Proof in writing before the insurance, or the specified part becomes effective.

We require Proof of Insurability as follows:

If You:

- Do not meet this Policy's enrollment requirement within 30 days after You first become eligible; or
- Enroll after You previously had coverage which ended because You failed to make a required payment,

We will require that You provide Proof Of Insurability. And, You will not be covered until We approve that proof in writing.

If Your Active Full-Time Work ends before You meet any Proof Of Insurability requirements that apply You will still have to meet those requirements if You are later re-employed by the Employer or an associated company.

**STATEMENT OF ERISA RIGHTS**

---

**The Guardian Life Insurance Company of America**

10 Hudson Yards  
New York, New York 10001  
(212) 598-8000

Your group term accidental death and dismemberment insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information  
about Your Plan and  
Benefits**

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by  
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement of  
Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

**Assistance with Questions** If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**Accidental Death and Dismemberment Insurance Claims Procedure** If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

**Definitions** "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

**Timing for Initial  
Benefit  
Determination of  
Accidental Death  
and  
Dismemberment  
Insurance Claims**

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

**Adverse Benefit  
Determination of  
Accidental Death  
and  
Dismemberment  
Insurance Claims**

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- Identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement, that a copy of such information will be provided to the claimant free of charge upon request;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

### **Appeals of Adverse Determinations of Accidental Death and Dismemberment Insurance Claims**

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;

- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

**Waiver of Premium** If you apply for an extension of accidental death and dismemberment insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

**Timing For Initial Benefit Determination for Waiver of Premium** The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Adverse Benefit Determination** If a claim for an extension of benefits is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;

- A statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you and vocational professionals who evaluated you;
- If applicable, an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

- If applicable, provide an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;

- Provide a statement describing the claimants right to bring a civil suit under Section 502(a) of the Employee Retirement Income Security Act of 1974 which shall also describe any applicable contractual limitations period that applies the claimant's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim, and;
- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

**Alternative Dispute Options** The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

In addition to any legal rights you may have under section 502(a), if you believe that we have violated ERISA's procedural requirements, you may request that we review any claimed violation(s) and we will respond to you within ten days.

**Vision Service Plan (VSP) -  
This Plan's Vision Care Preferred Provider Organization**

---

The Policy is designed to provide high quality vision care while controlling the cost of such care. To do this, the Policy encourages a Covered Person to seek vision care from vision care practitioners and vision care facilities that belong to VSP, a vision care Preferred Provider Organization (PPO).

The vision care PPO is made up of Preferred Providers in a Covered Person's geographic area. When a Covered Person is enrolled in the Policy, he or she will get an enrollment packet. The packet will: (1) explain how to obtain benefits; and (2) contain information about current vision care Preferred Providers. He or she will also receive information on how to obtain a list of VSP Preferred Providers in his or her area.

A Covered Person may receive vision services from any VSP Preferred Provider. If a Preferred Provider ends his or her relationship with VSP for any reason, VSP will be responsible for furnishing vision services to Covered Persons either through that provider or another VSP Preferred Provider.

Use of the vision care PPO is voluntary. A Covered Person may receive vision care from any vision care provider he or she chooses. And he or she is free to change providers at any time. But, the Policy usually pays more in benefits for covered services furnished by a Preferred Provider. Conversely, it usually pays less for covered services not furnished by a vision care Preferred Provider.

What We pay is based on all of the terms of the Policy. Please read this Certificate carefully for specific benefit levels, Copayments, Deductibles, Payment Rates and Payment Limits.

A Covered Person may call VSP should he or she have any questions about the vision coverage.

## How This Plan Works

---

We pay benefits for the covered charges a Covered Person incurs as shown below. The services and supplies covered under this Certificate are explained in Covered Services and Supplies. What We pay is subject to all of the terms of this Certificate. Read the entire Certificate to find out what We limit or exclude.

Covered charges are the Usual and Customary charges for the services and supplies described below. We pay benefits only for covered charges Incurred by a Covered Person while he or she is covered by this Certificate. Charges in excess of any Payment Limits shown in this Certificate are not covered.

If a Covered Person plans to use the services of a Preferred Provider, the Preferred Provider must receive authorization from VSP. See Obtaining Services from a Preferred Provider. If authorization is not received, benefits will be paid as if services and supplies were received from a Non-Preferred Provider.

If a Covered Person receives services or supplies from a Non-Preferred Provider, he or she must submit the itemized bill to VSP for claims payment. Please refer to Vision Claim Provisions in this Certificate.

**Copayments:** A Covered Person must pay a Copayment each time he or she receives a vision examination. And, he or she must pay a Copayment each time he or she receives lenses or a frame or a complete pair of eyeglasses covered by this Certificate. **Cash Deductibles:** There are separate cash Deductibles for each covered service furnished by a Non-Preferred Provider. These cash Deductibles are shown in the Schedule of Benefits. The Covered Person must have covered charges in excess of the cash Deductible before We pay benefits for the service or supply. The cash Deductible will be subtracted from the reimbursement to the member.

**Payment Limits:** Payment limits, durational or monetary, are shown in the Covered Services and Supplies. When a monetary Payment Limit is set for a pair of materials, the limit is halved if only one item is purchased.

**Payment Rates:** Once a Covered Person has paid any applicable Copayment or Deductible, We pay benefits for covered charges under this Certificate at the Payment Rate shown in the Schedule Of Benefits. What We pay is subject to all of the terms of this Certificate.

**Discounts:** If a Covered Person receives a vision examination and lenses or frames from a Preferred Provider, he or she will receive a discount on the cost to purchase an unlimited number of prescription glasses from the same Preferred Provider. He or she may also receive a discount on the costs to evaluate and fit contact lenses. No discount applies to contact lenses or materials. The discount is available for 12 months after the initial examination from the same Preferred Provider.

The discounts are:

- For non-prescription sunglasses . . . . 20% off of the Preferred Provider's Usual and Customary fee

## STATEMENT OF ERISA RIGHTS

### The Guardian Life Insurance Company of America

10 Hudson Yards  
New York, New York 10001  
(212) 598-8000

Your group Vision benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

#### Receive Information about Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

#### Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

#### Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

## Statement of Erisa Rights (Cont.)

---

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

### **Assistance with Questions**

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### **Qualified Medical Child Support Order and Qualified Domestic Relations Order**

Federal law required that group health plans provide medical coverage for a dependent child pursuant to a qualified medical child support order (QMCSO). A dependent child also includes a child for whom You must provide Vision Insurance due to a QMCSO as defined in the ERISA Section 609(a) United States Employee Retirement Income Security Act of 1974, as amended.

You and your beneficiaries can obtain, without charge, from the plan administrator, a copy of any procedures governing Qualified Domestic Relations Orders (QDRO) and QMCSO. You may also obtain this information on the U.S. Department of Labor's website or You may contact them in your telephone directory.

A dependent enrolled due to a QMCSO will not be considered a late enrollee in the plan.

If you have questions about this section, see your plan administrator.

**Vision Benefits  
Claims Procedure** Claim forms and instructions for filing claims may be obtained from The Guardian Life Insurance Company of America (hereinafter referenced as Guardian).

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

### All Options

**Definitions** "Adverse Benefit Determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

**Timing for Initial  
Benefit  
Determination** The Benefit Determination period begins when a claim is received. Guardian will make a Benefit Determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any Adverse Benefit Determination must be provided.

Guardian will provide a Benefit Determination not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a Benefit Determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a Benefit Determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a Benefit Determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

**Adverse Benefit Determination**

If a claim is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the Adverse Benefit Determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information necessary to reconsider the claim and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- Identification and description of any specific internal rule, guideline or protocol that was relied upon in making an Adverse Benefit Determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an Adverse Benefit Determination on appeal, and;
- In the case of an Adverse Benefit Determination based on medical necessity or experimental treatment, either an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

**Appeal of Adverse Benefit Determinations**

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimant(s) the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial Adverse Benefit Determination nor that person's subordinate;

- In deciding an appeal based upon a vision or medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify vision or medical experts whose advice was obtained in connection with an Adverse Benefit Determination;
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a professional judgment shall be neither the person who was consulted in connection with the Adverse Benefit Determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the Adverse Benefit Determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an Adverse Benefit Determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits;
- If applicable, provide the internal rule, guideline, protocol, or other similar criterion relied upon in making the Adverse Benefit Determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was relied upon in making the Adverse Benefit Determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the claimant upon request.

**Alternative Dispute Options** The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.
