EXPLANATION OF OTHER INCOME SOURCES

You must apply for Other Income Sources for which You are or may become eligible, including but not limited to Social Security disability and/or dependent benefits, and do what is needed to obtain them. If Your application is denied, We may require that You appeal the decision to a level that is satisfactory to Us and provide written proof of all levels of appeal.

As part of Your proof of Disability, We require that You furnish evidence to Us that You have applied for Other Income Sources for which You are or may become eligible.

After the initial reduction for each type of Other Income Sources, We will not further reduce Your Monthly Benefit due to any cost of living increases payable under such type of Other Income Sources.

Other Income Sources that are paid in a lump sum will be prorated on a monthly basis over a period for which the sum is given. If no time period is stated, the sum will be prorated on a monthly basis over the lesser of the following:

- a) the Policy's Maximum Benefit Period; or
- b) 60 equal payments.

If Other Income Sources are paid on a retroactive basis, We may reduce or suspend the Monthly Benefit to recover any overpayment.

Regardless of how funds from a Retirement Plan are distributed, We will consider Your contributions and the Policyholder's contributions to be distributed simultaneously during Your lifetime.

We will pay the full amount of the Monthly Benefit if You:

- a) apply for Other Income Sources; and
- b) sign Our Reimbursement Agreement.

Until You have signed Our Reimbursement Agreement and have given written proof to Us that application has been made or all available appeals have been exhausted for Other Income Sources, We may:

- a) estimate Your Other Income Sources; and
- b) reduce Your Monthly Benefit by that amount.

If We reduce Your benefit on this basis, and if all of Your appeals are denied, We will restore Your Monthly Benefit amount and refund any underpayment to You in a lump sum.

ASSISTANCE WITH FILING FOR SOCIAL SECURITY DISABILITY BENEFITS

We can arrange for advice regarding Your claim for Social Security disability benefits and assist You with Your application or appeal. In order to be eligible for assistance, You must be receiving Monthly Benefits from Us.

Prior Group Disability Plan Coverage Not Maintained by the Policyholder

If You become insured under the Policy after the Policy Effective Date and were covered under an employer's group long-term disability plan provided by Your previous employer, and not maintained by the Policyholder, within 31 days prior to the day You become employed with the Policyholder, any benefits payable under the Policy for a Disability due to a Pre-existing Condition will be determined as follows:

- a) If You cannot satisfy the Pre-existing Conditions provision of the Policy, but have satisfied the pre-existing condition provision under Your prior group disability plan, giving consideration towards continuous time covered under both plans, We will pay the lesser of the benefit:
 1. that would have been paid under Your prior group long-term disability plan; or
 2. payable under the Policy.
- b) If You cannot satisfy the Pre-existing Conditions provision under the Policy or Your prior group long-term disability plan, no benefit under the Policy will be payable.

In order to qualify under this provision, You must provide the following supporting documentation within 31 days from the date We request this information:

- a) a copy of Your prior employer's long-term disability plan; and
- b) payroll records or other documentation verifying prior group long-term disability coverage under Your prior employer's plan.

WHEN INSURANCE BEGINS

The Written Request must be submitted to the Policyholder within 31 days following the day the Employee become(s) eligible. If the Written Request for insurance is not submitted within 31 days following the day the Employee become(s) eligible for insurance, We will require Evidence of Insurability.

An eligible Employee will become insured on the first day of the month that follows the latest of the day:

- a) the Employee begins Active Work;
- b) the Employee submits a Written Request to enroll for insurance, if applicable; or
- c) We approve Evidence of Insurability, if required.

If the Employee is not Actively Working on the day insurance would otherwise begin, insurance will begin on the day the Employee returns to Active Work.

EXCEPTIONS TO WHEN INSURANCE BEGINS

This provision does not apply if the Employee is eligible for coverage under the Continuity of Insurance Upon Transfer of Insurance Carrier provision.

Insurance for an Employee who has an Injury or Sickness and is confined:

- a) in a Hospital as an inpatient;
- b) in any institution or facility other than a Hospital; or

c) at home and under the care or supervision of a Physician;
on the day insurance is to begin will not take effect until the first day of the month that follows the day the Employee returns to Active Work.

THE FIRST ENROLLMENT PERIOD

An Employee may elect insurance for him/herself during the Employee's First Enrollment Period.

If an Employee does not elect insurance during the Employee's First Enrollment Period, future elections may only be made in accordance with the Subsequent Enrollment Periods provision, or as otherwise provided under the When Election Changes Are Permitted provision.

SUBSEQUENT ENROLLMENT PERIODS

An Employee may elect, drop, increase, decrease or change insurance during a Subsequent Enrollment Period.

WHEN ELECTION CHANGES ARE PERMITTED

An Employee may elect, drop, increase, decrease or change insurance as allowed by the Policyholder. Any election of or increase in insurance will require Evidence of Insurability.

CHANGES TO INSURANCE BENEFITS

Any allowable change in Your classification or amount of insurance, whether requested by You or the Policyholder, or as a result of the terms of the Policy, will take effect on the later of the first day of the month that follows the date of the request or the change, or the first day of the month that follows the day We approve any required Evidence of Insurability.

If You are not Actively Working on the day any increase in insurance would otherwise take effect, the increase will become effective the first day of the month that follows the day You return to Active Work.

In no event will any change take effect during a period of Disability.

REINSTATEMENT OF INSURANCE

You may be eligible to reinstate insurance that has ended in accordance with this provision. You must submit a Written Request to reinstate insurance within 31 days of Your return to Active Work.

Reinstated insurance will take effect on the first day of the month that follows the date of the Written Request, or the first day of the month that follows the day We approve any required Evidence of Insurability. If You are not Actively Working on the day the reinstated insurance would otherwise take effect, insurance will become effective on the day You return to Active Work.

Non-Payment of Premium or Voluntary Termination of Insurance

If insurance ended due to Your non-payment of premium or voluntary termination of insurance, We will require Evidence of Insurability to reinstate insurance.

Involuntary Reduction in Hours

If insurance ended because the Employee was no longer Actively Working due to an involuntary reduction of hours worked, insurance may be reinstated without satisfying another Eligibility Waiting Period if the Employee returns to Active Work and there was no break in employment with the Policyholder after the date insurance ended.

Rehired Employee Due to Layoff or Termination

If insurance ended because the Employee was no longer Actively Working due to layoff or termination of employment with the Policyholder, insurance may be reinstated without satisfying another Eligibility Waiting Period if the Employee is rehired

and returns to Active Work within 90 days from the date employment ended. All other Policy provisions, including the Pre-existing Condition Exclusion provision, will apply.

WHEN INSURANCE ENDS

Insurance will end on the earliest of the day:

- a) You are no longer eligible for insurance under the Policy;
- b) You begin active duty in the Armed Forces, National Guard or Reserves of any state or country (except for temporary active duty of 31 days or less);
- c) the Policy terminates; or
- d) insurance ends in accordance with the Grace Period provision.

If You are Disabled on the day the Policy terminates, benefits will continue subject to the When Benefits End provision located in the Benefits section.

EXCEPTIONS TO WHEN INSURANCE ENDS

If insurance for You ends but the Policy is in effect, You may be able to continue or obtain insurance under one of the following provisions:

- a) Continuation of Insurance During Disability
- b) Continuation of Insurance Under the Family and Medical Leave Act (FMLA) and Uniformed Services Employment and Reemployment Rights Act (USERRA)

CONTINUATION OF INSURANCE DURING DISABILITY

If You become Disabled, Your insurance will continue without payment of premium for as long as You are entitled to receive Monthly Benefits, except that premium must be paid during the Elimination Period. Any premium for Your insurance that is payable by You will be waived from the first day of the month following the end of the Elimination Period through the last day of the month in which Your last Disability benefit payment under the Policy is issued.

CONTINUATION OF INSURANCE UNDER THE FAMILY MEDICAL LEAVE ACT (FMLA) AND UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

The federal Family Medical Leave Act (FMLA) and Uniformed Services Employment and Reemployment Rights Act (USERRA) and any amendments thereto, as well as other applicable federal or state laws, may allow continuation of insurance in certain instances for leaves of absence, layoff or termination. Contact the Policyholder for additional information regarding any other continuation options that may be available.

- d) other services reasonably necessary to help You return to work.

While You are participating in a plan of vocational rehabilitation approved by Us, Your Monthly Benefit will be increased by a percentage as shown in the Schedule.

Eligibility for vocational rehabilitation services is based on Your education, training, experience and physical/mental capabilities. Before vocational rehabilitation services will be considered:

- a) Your Disability must not allow You to perform Your Regular Occupation;
- b) You must have the physical and mental capability to complete a rehabilitation program; and
- c) there must be reasonable expectation that rehabilitation services will help You return to active employment.

We will develop an Individual Written Rehabilitation Plan (IWRP), which may include input from You, Your Physician and the Policyholder. The IWRP will describe:

- a) the vocational rehabilitation goals and services;
- b) the responsibilities of Us, You and any third parties associated with the IWRP;
- c) the times and dates of the vocational rehabilitation services; and
- d) all costs associated with the services.

Either We, Your Physician, or You may initiate consideration for Your participation in vocational rehabilitation. Failure to participate without Good Cause will result in reduction or termination of Disability benefits. Reduction of benefits will be based on Your income potential if You were employed after a vocational rehabilitation program.

We will make the final determination of any vocational rehabilitation services provided, eligibility for participation and any continued benefit payments.

While You are a participant in an IWRP, Monthly Benefits will continue to be payable. Eligibility for continued Monthly Benefits will be assessed at the completion of the IWRP.

PREMIUM PAYMENTS

Capitalized terms used in this section have the meanings assigned to them in this section or in other sections of this Certificate.

DEFINITIONS

Attained Age means the age of the Insured Person as of the Policy Anniversary that coincides with or follows the Insured Person's birthday. For example, if an Insured Person's 50th birthday is on April 1, 2019 and the Policy Anniversary is January 1, the Insured Person will reach the attained age of 50 on January 1, 2020.

PAYMENT OF PREMIUMS THROUGH PAYROLL DEDUCTION

You are responsible for the payment of premiums for Your insurance under the Policy.

Premiums will be automatically deducted from Your paychecks by the Policyholder, then remitted to Us, as authorized by You during the enrollment process. Please contact the Policyholder for information regarding Your paycheck deductions.

Payment of premium does not guarantee eligibility for coverage or benefits.

GRACE PERIOD

All premiums for insurance under the Policy must be paid within the grace period. There is a grace period of 31 days for payment of premiums. This means that, except for the initial premium, if premium is not paid on or before the date it is due, the premium must be paid in the 31-day period that follows. We will consider premium to be paid on the date We receive it.

Insurance will stay in force during the grace period, unless You or the Policyholder provides Us with written notice that insurance will terminate during the grace period. If We receive such notice, insurance will terminate on the date requested.

If any premium due is not paid during the grace period, insurance will end on the last day of the grace period. If insurance ends, it may be reinstated as described in the Reinstatement of Insurance provision.

PREMIUM CHANGES

If You request a change in the amount of insurance, the Policyholder will provide You with notice of Your new premium amount upon request.

If there is a change in the amount of the premium for insurance in accordance with the terms of the Policy, the Policyholder will provide You with notice of the change at least 31 days prior to the date of the change.

Premium amounts will change if:

- a) You reach the Attained Age of the next higher age band in the premium rate structure for the Policy;

ADDITIONAL SUPPORTING INFORMATION FOR DISABILITY AND OTHER CLAIMS

We may occasionally require You to be examined by a Physician or vocational rehabilitation expert of Our choice to assist in determining whether benefits are payable. We will pay for these examinations; however, You may be responsible for fees associated with failure to notify the examination office of Your appointment cancellation within the required amount of time

specified by the examiner. We may recover this fee by reduction of benefits that are payable. We will not require more than a reasonable number of examinations.

Disability and other benefits will be paid after We receive acceptable proof of loss. Benefits will be paid only if We determine that the claimant is entitled to benefits under the terms of the Policy. We may require supporting information which may include, but is not limited to, the following:

- a) clinical records;
- b) charts;
- c) x-rays;
- d) Proof of Earnings; and
- e) other diagnostic aids.

MODE OF PAYMENT FOR DISABILITY

- a) Your Eligible Survivor; or
- b) Your estate.

REFUND TO US

If it is found that We paid more benefits than We should have paid under the Policy, We have the right to a refund from You or the recipient of benefits.

We also have a right to a refund for any payments due to:

- a) fraud or misrepresentation;
- b) any error We make in processing a claim; or
- c) Your receipt of Other Income Sources.

You or the recipient of benefits must reimburse Us in full. We will determine the method by which the repayment is to be made, including without limitation, reducing or withholding Your Monthly Benefit or any benefits payable to You under any other disability insurance policy issued by Us. We will credit these payments to the refund until the refund is fully recovered.

AUTHORITY TO INTERPRET POLICY

By purchasing the Policy, the Policyholder grants Us the discretion and the final authority to construe and interpret the Policy. This means that We have the authority to decide all questions of eligibility and all questions regarding the amount and payment of any Policy benefits within the terms of the Policy as interpreted by Us. Benefits under the Policy will be paid only if We decide, in Our discretion, that a person is entitled to them. In making any decision, We may rely on the accuracy and completeness of any information furnished by the Policyholder, You or any other third party.

The Policyholder further grants Us the authority to delegate to third parties, including, without limitation, United of Omaha Life Insurance Company and any third party administrator with whom We have contracted to provide claims administration and other administrative services, the discretionary authority granted in the Policy. The Policyholder expressly grants such third party the full discretionary authority granted to Us under this Policy.

You or Your beneficiary has the right to request a review of Our decision. If, after exercising the Policy's review procedures, You or Your beneficiary's claim for benefits is denied or ignored, in whole or in part, You or Your beneficiary may file suit and a court will review Your or Your beneficiary's eligibility or entitlement to benefits under the Policy.

CLAIM REVIEW AND APPEAL PROCEDURES

Capitalized terms used in this section have the meanings assigned to them in this section or in other sections of this Certificate.

DEFINITIONS

The definitions set forth below shall apply to both the singular and plural versions of the defined term.

Adverse Benefit Determination means a denial, reduction, or termination of a benefit or a failure to provide or make payment (in whole or in part) for a benefit. This includes, without limitation, any such denial, reduction or termination of a benefit, or failure to provide or make payment, that is based upon ineligibility for insurance under the Policy.

Claimant means the person who submits a claim for benefits under the Policy, including the authorized representative of such person.

CLAIM REVIEW PROCEDURES

Once We receive information necessary to evaluate the claim, We will make a decision within the time periods set forth below. In the event an extension is necessary due to matters beyond Our control, We will notify the Claimant of the extension and the circumstances requiring the extension.

Except when the Claimant voluntarily agrees to provide Us with additional time, extensions are limited as set forth below. If an extension is necessary due to the Claimant's failure to submit complete information, We will notify the Claimant of the additional information required. Such notice of incomplete information will be sent within the time periods set forth below.

In order for Us to continue processing the claim, the missing information must be provided to Us within the time periods set forth below. The Claimant may contact Us at any time for additional details about the processing of the claim.

INITIAL CLAIM DECISION

The period of time within which a claim decision will be made begins at the time the claim is filed, without regard to whether all the information necessary to make a claim decision accompanies the filing. The applicable time periods are shown below:

- a) initial claim decision period: 45 days unless additional information is requested as set forth below;
- b) extension period: 30 days; and
- c) maximum number of extensions: two.

If additional information is needed, We will notify the Claimant within 10 days of Our receipt of the claim. Once the Claimant receives Our request for additional information, the Claimant will be given no less than 45 days to submit the additional information to Us. We will make Our determination within 15 days of Our receipt of the additional information. If We do not receive the additional information within the specified time period, We will make Our determination based upon the available information.

CLAIM DENIALS

If a request for a claim is denied, in whole or in part, the Claimant will receive notice of the denial, which will include:

- a) the specific reason(s) for the denial;
- b) reference to the specific Policy provisions on which the denial is based;
- c) a description of the appeal procedures and time limits applicable to such procedures, including the right to request an appeal within 180 days and the right to bring a civil action following the appeal process; and
- d) any other information which may be required under state or federal laws and regulations.

Additionally, if an internal rule, guideline, protocol or other similar criterion was relied upon in making the Adverse Benefit Determination, the Claimant has the right to request information about such internal rule, guideline, protocol or other similar criterion that was used in making the Adverse Benefit Determination, free of charge.

OPPORTUNITY TO REQUEST AN APPEAL

The Claimant shall have a reasonable opportunity to appeal a claim review decision. As part of the appeal, there will be a full and fair review of the claim review decision.

The Claimant will have no later than 180 days from the Claimant's receipt of notification of Our claim review decision to submit a request for an appeal. The request for an appeal should include:

- a) the Claimant's name;
- b) the name of the person filing the appeal if different from the Claimant;
- c) the Policy number; and
- d) the nature of the appeal.

The request for an appeal can be submitted in any manner and should include any additional information that may have been omitted from Our review or that should be considered by Us. The notification regarding Our claim review decision will include instructions on how and where to submit an appeal.

By requesting an appeal, the Claimant has authorized Us, or anyone designated by Us, to review any and all records (including, but not limited to, medical records) which We determine may be relevant to the appeal.

A document, record, or other information will be considered relevant to a claim if it:

- a) was relied upon in making the claim decision;
- b) was submitted, considered, or generated in the course of making the claim decision, without regard to whether it was relied upon in making the claim decision; or
- c) demonstrates compliance with administrative processes and safeguards designed to ensure and verify that claim decisions are made in accordance with the Policy and that, where appropriate, Policy provisions have been applied consistently with respect to similarly situated claimants.

RESPONSE TO APPEALS

We will respond no later than 45 days from Our receipt of the request for an appeal. However, if We determine that an extension is required, We will notify the Claimant in writing of the extension prior to the termination of the initial appeal period. In no event will the extension exceed 45 days from the end of the initial appeal period. The extension notice will indicate the special circumstances requiring the extension and the date by which We expect to render the appeal decision.

When We make Our determination, the Claimant will be provided with:

- a) information regarding the decision; and
- b) information regarding other internal or external appeal or dispute resolution alternatives, including any required state mandated appeal rights.

The period of time within which an appeal decision is required to be made will begin at the time an appeal is filed, without regard to whether all the information necessary to make an appeal decision accompanies the filing. If a period of time is extended as described above due to the Claimant's failure to submit information necessary to decide a claim, the period for making the appeal decision shall be "tolled" or suspended from the date on which the extension notice is sent until the earlier of (1) the date on which We receive the response; or (2) the date established by Us in the notice of extension for the furnishing of the requested information.
