Total disability definition

If the benefit period shown on the policy schedule is 12 months or less, totally disabled or total disability means you are: unable to perform the material and substantial duties of your occupation; and not, in fact, working at any occupation for wage or profit; and under the regular and appropriate care of a physician.

After the first year of disability, total disability means you are unable to engage in any employment or occupation for which you are qualified by reason of education, training or experience and under the regular and appropriate care of a physician.

How partial disability works

If you are able to return to work part-time after at least 14 days of being paid for a total disability, you may be able to still receive 50% of your total disability benefit.

Waiver of premium

We will waive your premium payments after 90 consecutive days of a covered disability.

Geographical limitations

If you are disabled while outside of the United States, Canada or Mexico, you may receive benefits for up to 60 days before you have to return to the U.S. in order to continue receiving benefits.

Issue age

Coverage is available from ages 17 to 74.

Keep your coverage

You can keep your coverage to age 75 at no additional cost, even if you change jobs, as long as you pay your premiums when they are due.

EXCLUSIONS AND LIMITATIONS

We will not pay benefits for losses that are caused by, contributed to by or occur as the result of: cosmetic surgery, felonies or illegal occupations, flying, hazardous avocations, intoxicants and narcotics, psychiatric or psychological conditions, racing, semi-professional or professional sports, substance abuse, suicide or injuries which you intentionally do to yourself, war or armed conflict. We will not pay for losses due to you giving birth within the first nine months after the coverage effective date of the policy. We will not pay for loss when the disability is a pre-existing condition as described in the policy.

Pre-existing condition means a sickness or physical condition, whether diagnosed or not, for which you were treated, had medical testing, received medical advice or had taken medication within 12 months before the policy coverage effective date shown on the policy schedule.

After this policy has been in force for 12 months from the policy coverage effective date shown on the policy schedule, we will pay benefits for any pre-existing condition not excluded by name or specific description if the covered disability began at least 12 months after the policy coverage effective date and the elimination period has been satisfied.
