Aflac supplemental benefits

Our portfolio of group and individual insurance plans provides a mix of options to help control costs, attract and retain employees, and help keep them happy, healthy and feeling protected.

Accident: Accidents happen. When a covered accident happens to you, our accident insurance policy pays you, unless assigned otherwise cash benefits to help with the unexpected medical and everyday expenses that begin to add up almost immediately.

Cancer/Specified-Disease: Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer ever occurs.

Critical Illness (Specified Health Event): An Aflac specified health event insurance policy is designed to help with the costs of treatment if you experience a covered health event.

Hospital Confinement Indemnity: Hospital stays are expensive. An Aflac hospital confinement indemnity insurance policy can help ease the financial burden of hospital stays by providing cash benefits.
