12 Month Communication Strategy

How

Survey all employees and conduct focus groups of different offices and different generations. Use these for feedback on how benefits fit in and how employees view the firms communication with them, benefits offered, firm culture, how they see their position in the firm, how the see resources the firm provides, how engaged do they feel.

Why

Learn how employees view the benefits offered by the firm and how they relate and fit into the firm culture

Results

We can recommend to the firm how to effectively shape our communication efforts to reach generations working within the firm and how to promote engagement with the firm.
Social Strategy: How to engage employees using social media platforms

Strategic Plan

Through our research of fortune 500 companies different benefit options we have identified several trends and different benefits that they are now offering to their employees. These may be some good options to consider as you review your benefit offerings annually. Depending on which generation you are recruiting these may be important options for employees when it comes to retention and attracting new team members.

Migration to the HDHP plan —

1. Educate and push information down in several manners (Webinars, Texts, Emails)
2. Increase the contribution to the Health Savings Account
3. Increase knowledge on Tax advantages
4. Further spread the employee cost to the PPO plan vs. the HDHP plan

Health Initiatives

1. Flu Shot Program
2. Mammogram drive
3. PSA Test (or do biometrics which can also have a PSA)
4. Tobacco Cessation education
5. Utilize the work already done with the Disease Management (link)

Bringing benefits to the staff that they are looking for (based on responses from our survey slated in January) examples:

1. Student Loan Payment match
2. Pet Insurance
3. Subsidized dependent and child care
4. Tuition assistance
5. Individual Disability ob attorneys
6. Moving expenses
7. Fitness/Wellness stipend
8. Legal Assistance, Will prep, Estate work (Do you currently give in house discounts)

Bring *benefits* to the staff they're looking for based on *survey responses*
