

Group Specified Disease Insurance

How will you pay for what your health insurance won't?

It's true—a serious medical event such as cancer, heart attack or stroke could leave you in a period of financial difficulty. Even if you have major medical coverage, there are typically uncovered expenses to consider, such as deductibles and copayments, travel expenses to and from treatment centers and the loss of wages or salary. If faced with this situation, would you be able to maintain your current way of life?

Group Critical Care Insurance may help guard you against financial hardship.

This specified disease coverage from Colonial Life & Accident Insurance Company offers the protection you need to concentrate on what is most important—your treatment, care and recovery.

Traditionally, cancer insurance and critical illness insurance are bought separately—but Colonial Life's Group Critical Care plan conveniently combines both into a single policy. You're free to use the benefits however you choose. And coverage may be available for you, your spouse and your eligible dependents.

Plan Features:

- A lump sum payment allows you the flexibility to better plan your treatment and care.
- You may adjust the face amount to best meet your personal needs.
